China's Li Seen Pressing Chiang To Step Aside for 'Third Force'

Acting President at Hong Kong Awaits Emissaries From Nationalists' Chief

Chinese Nationalist acting President Li Tsung-jen today awaited the arrival of three Chiang Kai-shek representatives for a discussion which may decide the fate of Nationalist China.

Mr. Li now is hospitalized with ulcers. But sources close to him said a number of liberal elements held a series of bedside conferences with him regarding establishment of a "third force" in South China to halt the Communist march.

Reports from Kwangsi province said that provincial authorities and the central government had reached a "complete agreement" on all matters connected with the war against the Reds. These reports did not specify the agreement.

Gen. Pai Chung-hsi, commander of Nationalist Kwangsi defenses and special envoy to Chiang from Mr. Li, has returned to Kwangsi from Chungking.

Gen. Pai was reported to have handed Chiang a letter from Mr. Li in which the latter demanded a change in Nationalist administrative policy.

Australia
AUSTRALIA will oppose any move by the Chinese Communists to get a seat on the United Nations Security Council before their government is officially recognized by other British Commonwealth countries, a foreign office spokesman said today.

(Poland asked the United Nations yesterday to exclude the Chinese Nationalists delegation and give their seats to the Chinese Reds.)

Israel
FINANCE MINISTER Eliezer Kaplan warned the Knesset (parliament) last night that Israel's economy is on the brink of disaster.

"The trials ahead" are by far more serious than any military threat we have faced so far," he said.

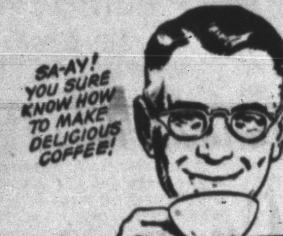

He told the house that the freezing of Israel's sterling balances by Britain was "doing havoc" to this country's economy.

British Back U. S. Demand for Ward

Washington Bars Use of Force Now

LONDON, Nov. 22 (UP)—A British official said today that Britain "will obviously stand by the United States" in its campaign for the liberation of Angus Ward, U. S. Consul General imprisoned by Chinese Communists in Mukden.

The official said the imprisonment of the American Consul and three of his aids "will undoubtedly make the question of recognition of the Communist regime in China more difficult."

His assertion indicated that Britain would not recognize Communist China without the agreement of the United States.

Diplomatic quarters said Britain probably would put off recognizing the Communist regime until Mr. Ward and his fellow envoys were freed.

\$50,000 Damage Suit Filed

A Martinsville carpenter asks \$50,000 damages from the Indianapolis Motor Speedway Corp. for injuries suffered in the grandstand collapse last May 14, in a suit filed in Superior Court today.

Claimant is Amos Hart, 32, who said he suffered permanent injuries when he was hurled 20 to 25 feet to the ground as the stand gave away during race qualifications.

Mr. Hart states that he suffered two fractured vertebrae and other injuries and will be required to wear a steel brace permanently. He said he is able to do only light work.

The Martinsville man said he paid \$1 admission thinking he would go into grandstand "A," which is of steel and concrete construction but that he and others were "herded" into grandstand "B" just before it collapsed.

Wounded Reno Gambler Given Chance to Live

RENO, Nev., Nov. 22 (UP)—Gambler Lincoln Fitzgerald made an "unbelievable" rally today in his battle for life against the effects of two shotgun blasts delivered by an unknown assailant Friday.

Doctors gave the 57-year-old one-time Michigan gambling kingpin an outside chance to live but said it may be five days before they will know.

Fitzgerald was ambushed as he left his Reno home to go to the gambling casino he owned in partnership with Danny Sullivan. Police admitted they were still without a suspect "or even a description of a suspect" in the shooting.

2 Hurt in Fight Over Farm Job

One Shot, Another Hit by Ball Bat

COLUMBIA CITY, Ind., Nov. 22 (UP)—Two men were in hospitals today as a result of what police said appeared to be one's plot to kill the other.

Austin Coyle, 32, R. R. 1, Columbia City, was in a Columbia City hospital with a severe head wound which State Police Trooper Nelson Winebrenner said was caused by a blow from a baseball bat.

Wilson Hoffman, 35, R. R. 1, Columbia City, was in St. Joseph's Hospital at Ft. Wayne with a gunshot wound.

Neither was in serious condition.

Mr. Winebrenner said Mr. Hoffman, a farmer, discharged Mr. Coyle yesterday as a farm hand. He said Mr. Coyle left, brooded over his job loss in a tavern, and returned to Mr. Hoffman's home last night after the Hoffman family had retired.

Mr. Hoffman was shot with a revolver as he slept. He told Mr. Winebrenner he jumped out of bed, grabbed a baseball bat and hit Mr. Coyle over the head, knocking him unconscious.

Los Angeles Spikes Jobless Report Scare

LOS ANGELES, Nov. 21 (UP)—The Chamber of Commerce today prepared letters to reassure the rest of the country that it's still safe to go out on the street here.

The letters were being sent to 50 cities which received cards from a non-existent organization warning them that law and order had broken down in Los Angeles and 500,000 persons were unemployed. The city says it's not true.
