Three Teen-Agers Agree That Hoosierland Basketball Is Their All-Time Favorite Sport

By JEAN MANEY

BASKETBALL is a topic that brings a gleam to most Hoosiers' eyes. The three teen-agers that voice their opinions this week are no exceptions.

They are all natives of Indiana and they share in the prevailing "Hoosier Hysteria" over basketball.

Janice Curtis is a sophomore in Lawrence Central High School. Her mother is Mrs. Esther Curtis, Castleton.

"I love basketball and I think the season is too short," Janice says. She disagrees—and quite violently—with the critics who say that the hardwood season lasts too long. "I don't see how anyone could ever see enough basketball—it's by far my favorite sport with baseball coming second."

Janice is a leader in 4-H Club work. She's won several awards for her cooking and sewing including a prize in The Times' annual sewing contest. She belongs indoor sport.

Tom Lambert is another staunch supporter of longer and longer basketball seasons. "It's tops for an

"I'm glad when basketball begins and we can cheer inside. Basketball is faster, too, and very exciting to watch," Donna thinks.

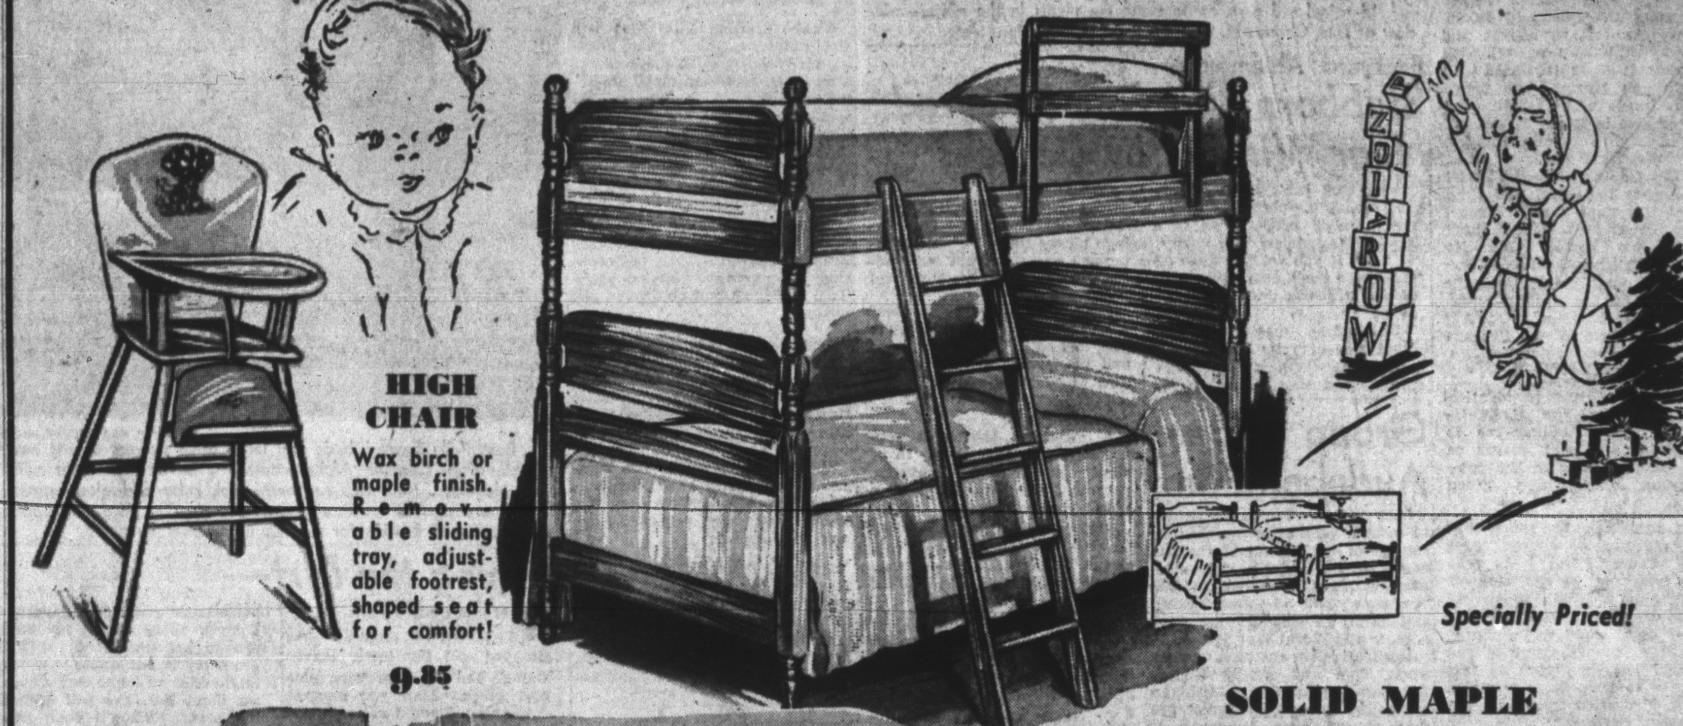

A SENIOR in Lawrence, Donna Wheeler is the daughter of Mr. and Mrs. S. H. Wheeler, Lawrence.

"I'm a confirmed basketball fan. I guess all you have to do to like the game is to be born in Indiana. I'm a yell leader so naturally I'm enthusiastic," Donna says. She's always glad when the both and she wants to study at

Tom plays drums in the school band, is treasurer of FBLA, football season ends. "I like Indiana or Purdue."
