Appeal Planned
Against Apartment

Board OK's 83-Unit,
\$760,000 Structure

A Zoning Board ruling which approves erection of a proposed 83-unit apartment building at 3650 Central Ave. will be appealed, attorneys representing objectors said today.

A delegation of about 25 property owners in the area appeared before the board last night in a move to halt the project. Despite their protest, the petition of E. F. Holt, builder, was approved by a six-to-two vote.

C. Titus Everett, attorney representing Dr. David H. Suss, 3657 Washington Blvd., said the decision will be appealed.

To Cost \$760,000

The proposed building would contain 24 one-bedroom apartments and 59 two-bedroom units. Total cost will be approximately \$760,000.

Property line would extend 400 feet along Central Ave. and parking spaces would be provided for 60 cars.

Objectors said construction of an apartment building in the neighborhood would decrease the value of their property in addition to increasing the traffic problem on Central Ave.

They also contend that present sewer lines in the area would not be adequate if apartment lines were connected to them.

Dr. Sevitzky Presents
Manuscript to Hospital

Fabien Sevitzky, music director of the Indianapolis Symphony, yesterday presented to the Riley Memorial Association the manuscript of an eight-composer musical tribute to James Whitcomb Riley.

At a luncheon in Riley Hospital for Children, Dr. Sevitzky gave the manuscript of the work, first performed at the Symphony's Riley Memorial concert Nov. 12 and 13, to Perry W. Lesh, association president, and Dr. Herman B. Wells, association vice president and president of Indiana University.

In
Indianapolis

A cold air mass, centering over Montana and North Dakota, will push into the state tonight, gradually lowering temperatures. The outlook for tomorrow is for fair and continued cold weather.

The Weather Bureau said low temperatures tonight were expected to range from 10-15 in the south and 15-20 in the north. No snow was forecast.

Temperatures in Indianapolis one year ago today: High, 56; low, 39. See Weather Map on Page 22.
