COME ONE! COME ALL!

Starting Tuesday, January 31, Through Saturday, February 11

Eight Big Exhibits

Ayres' Housewares, Fifth Floor

Hurry, hurry, hurry . . . step right up and see the exhibits that

will have the whole town talking on Tuesday! It's a big show packed

with fun and information . . . right here at Ayres!

SEE:

ELECTRO, the Amazing Mechanical Man With His Barking Dog, SPARKO

He walks, he talks, he even smokes a cigarette, this clever chap! He's 7½ feet of wonders . . . a challenge to the men who wonder what makes him "tick." No one will want to miss the antics of Sparko, his barking dog. Meet them Tuesday . . . a Westinghouse feature of the Housewares Fair!

WATCH Jimmie Lusk Spin Aluminum

An old hand at spinning aluminum, Jimmy Lusk will show you this vital operation behind the gleaming Wear-Ever pans in your kitchen. He has a background of 40 years' work in the aluminum industry, and now spins aluminum novelties as a hobby.

SEE a Giant 80-Quart Hobart Mixer

A giant model of the 3-quart Kitchen Aid home mixer, cut-away to show you the controls, gears and motor. With attachments either this large commercial mixer or the home kitchen size will knead bread, whip potatoes, chop meats, slice vegetables, chip ice, puree fruits, open cans . . . even freeze ice cream!

LEARN How to Paint Quickly, Correctly
Watch actual painting done with the least effort and the best results. You'll be bursting with ideas for decorating your own home once you've seen this Nu-Enamel demonstration.

And There's STILL MORE

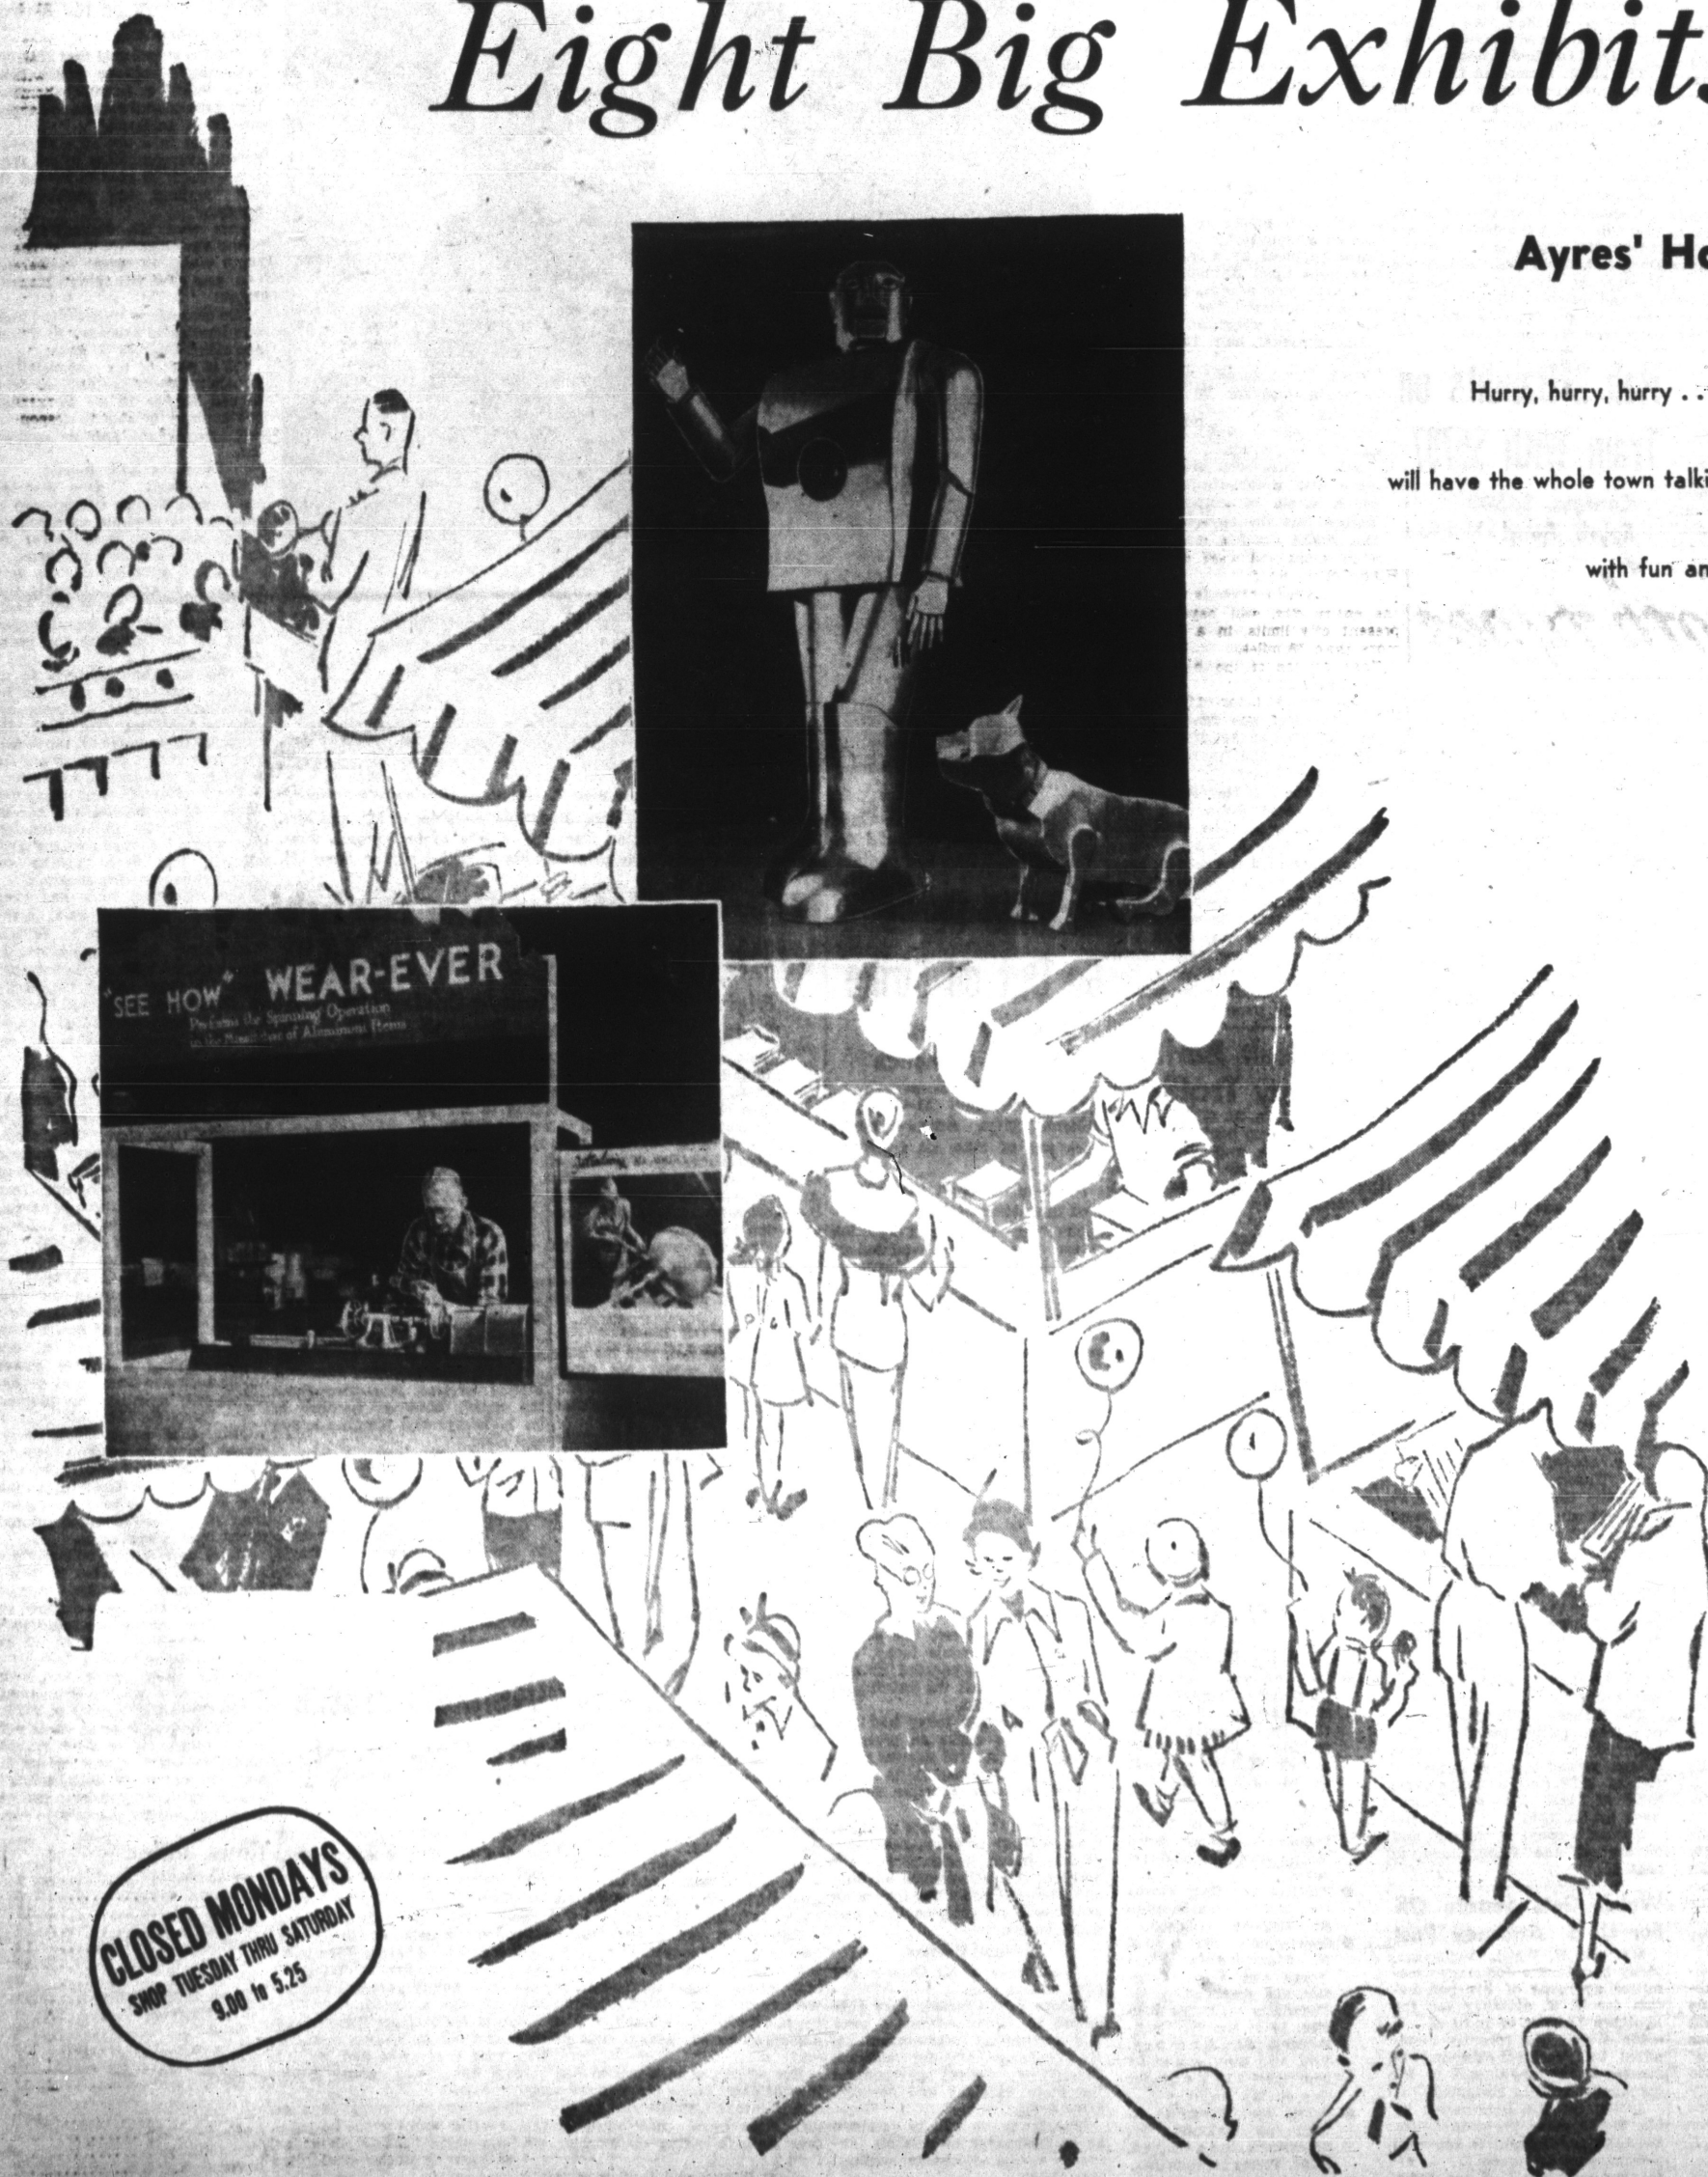

The story behind Cosco kitchen furniture . . . explained by Miss Betty Galbreath

How Phoenix stove mats are made . . . on the-spot demonstration

A movie on Rubbermaid housewares . . . conducted by Miss Sally O'Hara

A huge Waring blender

Coffee made automatically . . . a demonstration of the Universal Coffeematic
