FAMOUS SPORTSCASTER

BILL STERN

"I'M ON THE AIR HOURS AT A STRETCH"

— naturally I have to think of my throat. The 30-day test proved to me how **mild Camels** are!

HIS BLOW BY BLOW, play by play coverage of the big-time sporting classics from coast to coast has a following that runs into the millions. Broadcasting from the major bowls, ball parks, and ring-sides, Bill Stern's voice gets a real workout the year round.

NOTED THROAT SPECIALISTS REPORT ON 30-DAY TEST OF CAMEL SMOKERS...

Not one single case of throat irritation due to smoking CAMELS

Yes, these were the findings of noted throat specialists after a total of 2,470 weekly examinations of the throats of hundreds of men and women who smoked Camels—and only Camels—for 30 consecutive days.

MAKE A NOTE... REMEMBER YOUR THROAT!

INSURANCE SALESMAN Vincent Rioridan: "I contact a lot of prospects in a day. My voice is important to my livelihood. That's why Camel is my cigarette. Camels agree with my throat—and they taste great!"

SALESWOMAN Elaine Lombardi: "Talking to customers all day isn't exactly easy on my throat. That's why I made the 30-Day Test. It convinced me Camels are the cigarette that agrees with my throat!"

AIRLINE DISPATCHER Edward Herman: "In my job, I have to think of my throat, so I smoke a mild cigarette—Camel. By my test, they're just right for my throat. And the finest-tasting cigarette I ever smoked!"

HERE'S THE TEST! Smoke Camels—and only Camels—for 30 days. Compare them in your "T-Zone" (T for throat, T for taste). See if you don't agree that Camels are the mildest, best-tasting cigarette you ever smoked.

Start your own 30-Day Camel MILDNESS Test Today!
