Lace Matches

New note in lingerie fashions—the use of lace that exactly matches the color of the garment. This petal pink nightgown, called "Allure," is of Barbiton's Crepe Dosche, a pure-dye, pure-silk, while the lace trim, top and hem, is all-nylon. That means it never stretches out of shape or loses its bright new look. The gown also comes in white; \$10, at Ayres.—By L.F.
