

## 5 Roll Honor Counts As Kegler Activity Falls Off Hot Pace

Janice Battrell Scores 649 in Bell Loop; George Cravens' 663 Leads Men's Group

By GENE LAWSON

Four men and one woman connected for the honor count division last night as activity on the local pin front cooled off considerably from the hot pace of the Monday and Tuesday.

Janice Battrell copped most of the glory by swatting 649 pins in the Bell Telephone circuit at the Delaware alleys.

Janice put together games of 192, 212 and 245 in registering her second 600 series of the current campaign. That was the end of the women's accomplishments right there, however.

663 Tops for Men

George Cravens, subbing with Yaver Men's Shop, led a mediocre male session with a 663 in the Indianapolis Classic at Pritchett's. Cravens led scores of 233, 215 and 213.
