**Why give up Natural Flavor...**  
**JUST TO AVOID FLOATING OIL IN PEANUT BUTTER!**

**PEANUTS**

**No Need to! In JUMBO You Get**  
✓ Natural Flavor of Fresh-roasted Peanuts  
✓ Natural Free-Spreading Texture  
✓ Natural Light Golden-brown Color

Modern processing has not changed one bit the old-fashioned natural flavor of Jumbo. This delightful peanut butter will not stick to the roof of your mouth, or separate, yet all the famous "fresh-peanut" taste remains. That's because Jumbo is stone-ground the slow, old-fashioned way to lock in natural flavor.

**SEE FOR YOURSELF WITH TWIN-CRACKER TEST!**

1. Serve each member of your family twin crackers, one spread with Jumbo, the other with your present peanut butter brand.
2. Unless everyone prefers Jumbo, your grocer will refund your money on return of partly empty jar.

Premium youngsters will enjoy! See the label!
