

Work to Start On Culver Chapel

CULVER, Apr. 13—Construction of a \$1 million brick and Indiana limestone Culver Military Academy Memorial Chapel is to be built with funds given by a cross section of graduates, parents and other friends of the school. The drive for funds was conducted by the Alumni and Fathers associations.

Academy officials have set cornerstone laying ceremonies for this fall, with dedication planned for next fall.

The chapel, to be dedicated to Culver alumni who fought in the names of 283 Culver alumni World War II, will be the first who lost their lives in World War II.
