New 25-Acre Drive-In on Shadeland Audio-Visual Aids Parley at Butler

SHADELAND
Outdoor Theatre
GALA OPENING FRIDAY EVE
ULTRA MODERN
IN ALL WAYS
THE BETTER
DRIVE IN MOVIE
25 ACRES FOR MOVIES AND FAMILY FUN

Marquee of new Shadeland Drive-In Theater, opening tomorrow night.

Newest addition to the boom-
ing drive-in theater business
around Indianapolis will be lo-
cated at 2500 N. Shadeland Ave.
—that's also Ind. 100. It's the
Shadeland Outdoor Theater
which opens tomorrow night.

Covering a 25-acre field, the
theater is located opposite the
new Western Electric plant.
Following the new trend in
drive-ins, the theater will have
a complete playground for
children, an indoor recreation
and concession stand, special

moonlight lighting, and picnic
tables for extended visits.

Regular drive-in features will
be the in-car speakers and
ramp-type surfacing of the car
area. The theater will screen
four programs weekly, with
show changes on Sunday, Mon-
day, Wednesday and Friday.
Children under 12 are admitted
free at all times.

As a special opening feature
in addition to the film bill,
Capt. Speedy Phoenix will make
his death-defying 140-ft. swan
dive at 7:30 and 10 p. m. night-
ly through Tuesday.

National Leaders To Give Lectures

National education leaders will
come to Butler University campus
June 26-30 to participate in
the College of Education's annual
audio-visual aids workshop.

Lecture and discussion leaders
for the workshop, held in con-
nection with the regular sum-
mer session, include Dr. Herbert
R. Jensen, director of Audio-Vis-
ual Instruction Services, National
Education Association and Dr.
Walter A. Wittich, bureau of vi-
sual instruction director, Univer-
sity of Wisconsin.

Others are Joseph E. Wickman,
former director of audio-visual in-
struction in Chicago public
schools and Miss Doris Lynn, di-
rector of audio-visual instruction,
Indianapolis public schools.

The course for elementary
school teachers, supervisors and
administrators, will be presented
in four daily classes from 8 to
10 a. m. and from 1 to 3 p. m.

Worry of

FALSE TEETH

Slipping or Irritating?

Don't be embarrassed by loose false
teeth slipping, dropping or wobbling when
you eat, talk or laugh. Just sprinkle a
little FASTEETH on your plates. This
pleasant powder gives a remarkable sense
of added comfort and security by holding
plates more firmly. No gum, gooey,
sticky taste or feeling. It's alkaline in-
stead. Get FASTEETH at any drug store.

2 Face 20-Year Term For Starvation Death

NEW YORK, June 15 (UP)—
Dapper salesman Guy Scielzo, 30,
who tried to place all the blame
for the starvation death of his 3-
year-old "unwanted" son on his
wife, will be sentenced with her
for first-degree manslaughter next
month.

A general sessions jury turned
down yesterday the \$75-a-week
Scielzo's plea of innocence in the
death of Guy Jr. last November.

He said his responsibility to his
four children ended when he
handed his 30-year-old wife Mary
\$35 a week for household ex-
penses. Mrs. Scielzo pleaded
guilty.

The Scielzos face 20 years im-
prisonment on the manslaughter
charges and Scielzo faces an ad-
ditional three years on conviction
of non-support of the child.
