

Council Clips Housing Authority Wings

IT'S MURDER On the Highways

Heavy Cab Tip Snare Suspect

The cab driver said the woman gave him \$8 and told him it was half of what she took from a soldier.

KOKOMO—Melvin Fennell, 18, was killed early to-day when the car he was riding in crashed into a tree near Jerome, Howard County.

Times State Service
KOKOMO—Melvin Fennell, 18, was killed early to-day when the car he was riding in crashed into a tree near Jerome, Howard County.

Doctor's License Revoked

The Indiana Board of Registration and Examination in Optometry yesterday revoked the license of Dr. Sol Bizer, Jeffersonville. Dr. Donald W. Conner, secretary-treasurer of the board, said the action was taken because Dr. Bizer was convicted couldn't help him trace the record of defrauding the remainder of the \$88 he said he had on charges of defrauding the Veterans Administration.

Gains Right to Say 'No' on Projects Here

Stunned public housing officials here have retreated behind a wall of "no comment" following action by City Council to curb their power.

The Council last night passed a resolution requiring

ONE—Four measures affecting organization of city offices including the major revision of the traffic engineer's department.

TWO—Two zoning changes.

THREE—An ordinance making Troy Ave. preferential from Shelby St. to State Ave.

FOUR—Installation of a flasher warning signal at the Pennsylvania Railroad crossing at Lawrence Ave.

Search for Pilot Who Radioed 'Goodby'

HONOLULU, Jan. 22 (UPI)—Five Navy and Coast-Guard vessels scoured the heavy seas off Oahu today in search of a fisherman who radioed his position where the Authority proposed to build 40 double houses.

More than 2000 residents have banded together to fight the project and have battled through the zoning Board and previous sessions of the Council in their efforts to block it.

Housing Authority President Harry Wade last night issued an abrupt "no comment" to all queries on future plans of the body.

Earlier speculation by city officials hinted the Authority will tell the Council action in a court suit.

Donald Hanson, executive secretary of the Authority, said members of the group were "too surprised" to comment on future plans.

The resolution is identical to one which died in committee last year.

Area Earmarked

More than 250 residents of the Dawson-LeGrande area packed Council chambers for the hour-and-a-half hearing in which South Side forces were bolstered by the 34th and Keystone Civic League.

Opinions expressed by Christian J. Embhardt, former mayor, Council president and now a minority member of the body, were echoed by other councilmen.

"I am in favor of public housing and always will be until present conditions change," he said. "But, I think the Authority went beyond what they told us they would do when we first gave them a go-ahead."

OKs Annexation

In other action the Council approved annexation of a tract west of Arlington Ave. between 13th and 14th Sts.

Ordinances introduced for final action at the Council's next meeting included:
