

Time Out to Feed Baby

NEW YORK, May 22 (UP)—A gentle bandit, posing as an Office of Price Stabilization agent, stole a \$6000 diamond ring from a Brooklyn housewife yesterday but fed her baby before leaving.

The soft-spoken thief bound Mrs. Anita Laken, 20, to a chair. Then he warmed the 18-month-old child's formula and gave the little boy some medicine later when he began to cough.

It's easy to think up a name for the pedigreed-cocker spaniel puppy the makers of Ideal dog food will give to the winner of this year's 500-Mile Race.

The boys or girls who submit the cleverest names in the Speedy Puppy Contest being conducted by The Times and Wilson & Co. will receive pedigreed puppies. The first puppy to the winner gets a puppy will be given to each of the four contestants submitting the best puppy names.

Here are some examples of the type of names we mean:

"Speedy," "500," "Spinner," "Driver," because each is appropriate to the puppy's speed.

Official entry blank from The Times, fill it in and mail or bring it by midnight May 28 to Speedy Puppy Contest, Indianapolis Times, 214 W. Maryland St.

Entries will be judged on number of puppy names, but must be on a separate entry blank.

Entries will be judged for cleverness, suitability to a young puppy, and neatness. The decision of the judges will be final and all entries become the property of The Times.

I think the following should be the name of the puppy the makers of Ideal dog food will give to the winner of the Indianapolis 500-Mile Race:

JACKSON, Mich., May 22 (UP)—Bread and water was the fare of hooting convicts in Jackson Prison's Cellblock 15 today, as the man who gave them steak and ice cream after last month's \$1 million riot resigned.

Dr. Vernon D. K. McKim, deputy warden, who broadcast "congratulations to the rioters after the wild rampage had brought death to one prisoner and injury to scores of others, received in a letter to State Corrections Commissioner Earnest C. Brooks.

In one year, Indianapolis Times carrier Ronald Scott nearly doubled his route. He started with 37 customers and has increased this to 65.

Ronald is a 6B pupil at School 31, and lives at 1409 S. New Jersey St. He delivers papers between the 500 and 700 blocks of Parkway and Terrace Aves.

Donald saves his earnings at the Indiana National Bank. He lists model airplane building as his hobby.

He belongs to Boy Scout Troop 51 and Friedens Evangelical and Reformed Church.

Indianapolis Times carrier Donald Huber has a large family at home—three brothers and two sisters—but none of them helps him on his route along E. Terrace Ave. and S. East and New Jersey Sts.

Don lives at 1407 S. New Jersey St., and has been a carrier for a year. He puts his profits in the bank.

A sixth grader at School 31, Don likes to fish and build model airplanes during his free time.

He attends Friedens Evangelical & Reformed Church.

SOUTH BEND, May 22 (UP)—Authorities today blamed sun rays beating through a bedroom window for a fire which claimed the life of 1-month-old Marcia R. Maenhout as she slept in her baby carriage.

The girl was burned to death yesterday in a freak blaze which did little other damage to the room.

St. Joseph County Coroner Edward Shelley said the fire developed around the base of the carriage and enveloped the child. Firemen quickly extinguished the blaze but were unable to save the infant.

NEW YORK, May 22 (UP)—A rash of undie raids. A lingerie manufacturer, tickled pink by the new boom in his business, says he thinks college boys haven't gone far enough in their "I hope they'll go after slips, bras and nighties next," James Lowry, vice president of Lingerie Inc., said. "Let it be progressive

ROME, May 22 (UP)—Communist Deputy Giuseppe Di Vittorio, president of the World Federation of Trade Unions, has been denied a passport to go to the United States, Interior Minister Mario Scelba announced yesterday.
