Will Name
New County
Councilman

A new county councilman will be chosen tomorrow to replace Howard S. Morse, who will become a member of the City Sanitation Board next Monday.

The appointment will be made by the seven-member Council.

Mentioned for the post are Russell Townsend, insurance agent and Frank J. Billeter, retired Army officer and contractor.

Mr. Morse, a Republican, began a four-year term on the Council Jan. 1, 1951.

In Council action today Sheriff Smith asked for \$7500 to buy three new cars for his office and to replace four others.

The County Welfare Department asked to borrow \$400,000 against November tax collections to operate for the rest of the year.

Quints Set for College in Fall

By United Press

CORBEIL, Ont., May 26—Papa Oliva Dionne said today his famous quintuplets at last will escape his ever-watchful eye when they go to college next fall.

"They've all decided they want to go to college," Mr. Dionne said. "They haven't made up their minds which one yet, but it definitely will not be a convent."

Thus he dispelled a rumor that one of the five Canadian girls would become a nun.

He said that his daughters—Emilie, Annette, Yvonne, Marie and Cecile—would be graduated from their private school Wednesday, and it will be closed as soon as the exercise is concluded.

Family Affair

Mr. Dionne said the birthday party would be a family affair.

With all 13 of his children—

Emilie, Annette, Yvonne, Marie and Cecile—would be participating. He said the day would

make up their own minds start with the family attending

Wednesday, when they celebrate Mass at their private chapel.

He said he would give each of the girls a rhinestone necklace with a bracelet and earrings to match. Other members of the family are keeping their gifts a secret.

Mr. Dionne said the girls may do their own choosing for husbands, "but the fact is, none of them has any boy friends."

"They have been too busy to think of that sort of thing," he said. "But when they meet a boy, I'm thankful to say they can tell what kind of boy he is."

This is a map of the interconnected high-voltage transmission systems of the Electric Companies of Indiana. Your total electric power supply on December 31, 1951 amounted to 2,000,000 kilowatts (2,680,965 horsepower) . . . will have been increased to 2,830,400 kilowatts (3,794,102 horsepower) by the end of 1954.

With this power supply and this network of transmission lines in mind, Robert Kellum, business editor of the Indianapolis Star, spoke for all those who have carefully studied Indiana's electric facts when he said, "Indiana Should Be Skipped in Talk of Power Shortage!," in his column dated January 20, 1952.
