

TO—

FROM THE MARION CIRCUIT COURT.

I, DANIEL M. RANDELL, Clerk of the Circuit Court within and for said County and State, hereby certify that said Court—Hon. Joshua G. Adams, presiding—at its May term for the year 1879, made and entered of record an order, of which the following is a complete copy:

"It appearing to the court that a large number of estates and guardianships are still pending in this Court, and no cause having been shown why the same should not be finally settled, it is now ordered that a list of delinquent administrators and guardians, and of their respective trusts, together with the names of the sureties on their bonds, be published in the Indianapolis Daily Sentinel and Indianapolis Daily Journal, one insertion in the daily, and two insertions in the weekly edition of said newspapers, and in the Indianapolis Republican, three insertions to the end that said trusts may be finally settled, and the same received as to the whereabouts of such trusts, and the condition of such trusts; and upon the making of said publication, any and all persons acquainted with the whereabouts of any of said administrators or guardians, or having knowledge of the condition of any of said trusts, are requested to furnish such information to the Clerk of this Court.

"And at the expiration of one month from the date of such publications, the Clerk of this Court is directed to issue attachments against such administrators or guardians as may still be delinquent."

And I, Clerk as aforesaid, in compliance with the foregoing order, hereto annex a list of said delinquent guardians and administrators, their respective trusts, and the names of the sureties on their bonds.

Witness my hand and the seal of said Court, this 22d day of August, 1879.
[SEAL.] DANIEL M. RANDELL, Clerk.
