

## Die Gloden von Plurs.

Eine Doppel-Novelle von Ernst Pasque.

(Fortsetzung.)

Der Schatz ist eingekürzt! feucht Nicolo endlich, langsam aus seinem neuen starren Schreien erwachend. Die Steine, welche keine Menschenkraft besiegen können — so sagte er selbst — haben ihn lebendig begraben. — Entfesselt! Doch, was beginnt nun ich? ruft er nach einer Pause, unwillkürlich wie nach Hilfe sich in dem den Schuppen umschwanden. Man wird mich als den Mörder bezeichnen, anklagen — verurtheilen! Ich bin verloren, muss sterben — noch in dieser Nacht — gestorben! Mit diesen Worten hatte er die Laternen aufgenommen und eilt durch die Schlafräume nach der vorderen Stube, als ob er das unselige Haus im Fluge hätte verlassen und fliehen wollen. Doch mein Weib? sagt er sich plötzlich, den Schriftbaldachin zu bedenken. Da fällt der Schein seiner Laternen auf den großen Schrank, dessen Thür nur angelehnt ist — in dem der goldene Schatz Ruffos geborgen liegt, und vor dem gleißenden Glanze verblassen das flüchtig aufgetauchte Bild der armen Mariella.

## BRUST THEE

gegen alle Krankheiten der Brust, Lungen u. der Nehr.
