**MUNN & CO. PATENTS**  
After forty years' experience in the preparation of more than one hundred thousand applications for patents in the United States and Foreign countries, the publishers of the Scientific American continue to act as solicitors for inventors in all countries. Their experience is unequalled and their facilities are unsurpassed.  
Drawings and specifications prepared and filed in the Patent Office under strict supervision. No charge for examination of models or drawings. Address: MUNN & CO., 312 Broadway, New York.  
Patents obtained through MUNN & CO. are not only the largest circulation and the most influential newspaper of the kind published in the world, but also the most valuable source of information to inventors. The advantages of such a notice every patentee understands.  
This large and splendidly illustrated newspaper is published WEEKLY at \$10.00 a year, and is admitted to be the best paper devoted to science, mechanics, inventions, engineering works and other departments of industrial progress, published in any country. It contains the names of all patentees and lists of inventions patented each week. Try it four months for one dollar. Send for a copy today.  
If you have an invention to patent write to MUNN & CO., Publishers, 312 Broadway, New York, and we will advise you.
