

MUNN & CO. PATENTS

After forty years' experience in the preparation of more than one hundred thousand applications for patents in the United States and Foreign countries, the publishers of the Scientific American continue to act as solicitors for patents, inventions, designs, trade-marks, etc., for the United States, and in all countries where patents are granted. Their experience is unequalled and their facilities are unsurpassed.

Drawings and specifications prepared and filed in the Patent Office on short notice. Terms very reasonable. No fee until patent is secured.

This large and splendidly illustrated newspaper is published WEEKLY at \$10.00 a year, and is admitted to be the best paper devoted to science, mechanics, invention, engineering, etc., and other departments of industrial progress, published in any country. It contains the latest news of all patents and titles of every invention patented each week. Try it for one month for \$1.00. Send for it at once.
