THEDFORD'S BLACK-draught THE GREAT FAMILY MEDICINE

Thedford's Black-Draught has saved doctor's bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of four accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, sideache, backache, kidney troubles, constipation, diarrhoea, biliousness, piles, hard colds and headache. Every druggist has Thedford's Black-Draught in 25 cent packages and in mammoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe Thedford's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-Draught. A. J. GREEN, Illiwa, Ia.

Dorothy (aged five)—Well, mamma, I know one thing—the cat didn't eat 'em.

Tommy—I wasn't trying to be polite, mamma. I just wanted to know.

"Grandpa," queried little Nellie, "do the good die young?"

"So we are told, my dear," replied the old gentleman.

"My," exclaimed the small observer, "you must be awful wicked!"

Auntie—That is a cricket, dear. Small Johnny—I'm going to kill it.

Auntie—No, no, darling. God made it.

Small Johnny—Oh, well, he can make another one.—Chicago News.
