

The Anvil Chorus

"Order is Heaven's first law,"
DeArmond's work's without flaw;
"Instinct builds a nest that's true,"
DeArmond shapes the horse shoe.

Including the legal liability of our stockholders, there stands in addition to the resources of the Bank, over \$100,000 for the protection and safety of Depositors.

This statement shows cash on hand and in banks subject to call, 41 per cent. of our deposits.

The above is a condensed form of statement made in response to the Government call. We desire to thank our customers and friends for the liberal patronage extended to us during the past year. We shall continue to conduct our business in such a safe and conservative manner as shall merit your support and confidence in the future.

Our specialty is loans on farms and city real estate for one, two, three, four or five years, with interest payable semi-annually, to suit borrower, and with the most liberal terms as to payments on part of principal.	
We also loan on personal security and chattel mortgage.	
Don't fail to see us before borrowing elsewhere.
