Mrs. John Ulm is very sick at this writing.

Recent births: Jan. 4, to Chas. Sigo and wife, a son.

Trustee Fell attended the county board of education meeting at Rensselaer Monday.

Miss Louise Geier of Renolds was the guest of her brother William and family last Wednesday.

Mrs. John Schwerdsman and sister of Logansport visited Mrs. Leona Taber a couple of days last week.

Mrs. Geo. Gauthier of Kentland visited her sister, Mrs. H. E. Hartley, here a couple of days last week.

Upwards of 200 claims against the Bank of Remington have been filed by depositors with Attorney Guy.

Wm. Sullivan, who is working at hauling saw logs from "Blue Sea" to Wolcott, has moved to the latter place.

Little Robert Stoudt was quite sick a few days last week with what threatened to develop into pneumonia, but is now about the house again.

Mrs. Kate Kuhlman returned to her home in Bloomington, Ill., last week after a visit with her son, Jacob Ochs and family. She was recently divorced from her husband, Wm. Kuhlman, on desertion and non-support grounds.

According to the report of the Rich-creek bank matters in Indianapolis, of Seth M. Richcreek, the missing banker, the liabilities amount to \$168,000 and the assets somewhere from \$65,000 to \$80,000. The assets consist entirely of real estate, which the creditors allege Richcreek could not take with him. All the real estate is more or less encumbered.

There promises to be a big turn out Saturday to the first meeting of creditors of the Parker bank, when Referee Bowers will be here from Hammond and a trustee will be appointed. We hope the creditors will not be lead astray in the election of a trustee, but will select some good local man in whom everybody has absolute confidence and who will settle up the estate in a reasonable time.

Ernest Shepherd, son of William Shepherd, an ex-grocer here who is now living near Redlands, Cal., and who was indebted to the Bank of Remington in the sum of \$7,201.10 and interest, writes a long rambling letter from Washington, D. C., that if this is done and that is done, and the fellows who owe his father will "whack up," etc., etc., he will agree to turn over one-third of his own salary to pay the interest along on this note until such time as his father is able to pay the debt; but if the creditors don't do precisely as "Ernie" wants them to do, then he will give them the marble heart and cut them dead. We have heard that Ernest had developed into a very smart, educated man—although he never amounted to much here—but, if this letter is an evidence of his astuteness, then it hardly justifies the reports that have come back here. It is very "thin" to say the least, and will have no effect whatever in influencing any creditor to do different than he had intended.

How to Avoid Pneumonia.

You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough and expels the cold from the system as it is mildly laxative. Refuse any but the genuine in the yellow package. A. F. Long.

Orino Laxative Fruit Syrup, the new Laxative, stimulates, but does not irritate. It is the best Laxative. Guaranteed or your money back. A. F. Long.

Fair Oaks

News is very scarce in our neck of the woods this week.

Mr. and Mrs. Ed Keeler's little baby has been quite ill the past week.

Our band boys are without an instructor since Mr. Baughman left Mt. Ayr.

Ross Bringle of Jordan tp., visited his Uncle Abe and family in Fair Oaks over Sunday.

Floyd Cox got home the latter part of the week with three big heavy horses which he bought in Chicago.

Mrs. Fannie Bringle and Grandma Moffitt are still in the clutches of the grip, with scarcely no improvement.

Abe Bringle, the mail carrier, visited the hub Monday. Enos Moffitt, his "sub," filled his place during his absence.

Owing to the unsafe condition of the advanced school room there are but a very few scholars attending school in that room this week.

After a few days of soft weather and rain we got another good-sized snow Saturday night and Sunday, and now we are having some bad roads.

Mrs. Calvin Boroughs and children of Roselawn visited relatives here in Fair Oaks Sunday. They will soon move from Roselawn to Moore's Hill, Ind., on a farm.

It is rumored that Mrs. Frank Wilson has sold her property in the west part of town to Mrs. Mattie Dickinson and will with her children leave soon for the west, but to what point we have not as yet heard.

It is reported that some of Roselawn's citizens speak in very loud tones about the people of Union tp. They wish Union would vote down the saloon remonstrance so Fair Oaks would get a saloon of its own and they would not be bothered with the trash coming up there to get booze.

How is Your Digestion?

Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c at Long's drug store.
