How To Gain Flesh

Persons have been known to gain a pound a day by taking an ounce of Scott's Emulsion. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

HE WANTS A BODYGUARD

Man Without Arms Is Afraid the "Black Hand" Will Cut Off His Legs, Also.

Newark, N. J., Oct. 30.—An Italian, who gave the name of Villardo Dipitti, has appealed to the police here for a personal bodyguard to protect him from the Black Hand. Exhibiting the stumps of his arms, which had not yet healed, the man declared that members of the Black Hand had lured him from Morothorn, Pa., where his arms were amputated.

He said he was then bound and placed near a railroad track. After four weeks in a hospital he came here and now declares that the same band is preparing to amputate his legs in further revenge for his betraying a member. The police are investigating the case.

Contempt Case Expedited.

Washington, Oct. 30.—The taking of testimony in the case of Samuel Gompers, president; John Mitchell, vice president, and Frank Morrison, secretary of the American Federation of Labor, for alleged contempt of court growing out of a suit for injunction brought by the Bucks Stove and Range company, of St. Louis, has been concluded before an examiner. The privilege of submitting testimony for the defense was waived for the purpose of hastening a decision of the case, which was called up for final hearing today.

Eleven Hurt in a Derailment.

Kempton, Wis., Oct. 30.—A train on the Chicago-Duluth express was derailed here while running fifty miles an hour, presumably by wreckers, as a rail had been removed from the track. Eleven persons were injured, one, the engineer, probably internally. Others hurt include the following Wisconsin people: J. J. Powers, Madison; A. Morris, Superior; M. S. Hines, Rice Lake; Miss Huga Porter, Virgo; John Mahaney, Eau Claire; A. D. LaFort, Edgeron; N. Easchens, Kuston.

Barcelona Gets a Move On.

READ THIS BEFORE YOU VOTE

ARE YOU GOING TO SURRENDER THE RIGHT TO CONTROL YOUR OWN GOVERNMENT?

Do you want in the United States

- Liberty, or Coercion?
- Republic, or Empire?
- Democracy, or Autocracy?
- President, or Czar?
- Governor, or Dictator?
- The Constitution, or One Man's Will?

Shall there be in nation and state three departments of government, legislative executive and judicial, or only one, based on usurpation—whether by Roosevelt and Taft or Hanly and Watson?

SHALL THE OCCUPANT OF THE WHITE HOUSE DICTATE HIS SUCCESSOR?

Shall the People rule, or shall the Government be administered by and for the trusts, privileged classes, special interests, officeholders and party favorites?

Shall the occupant of the White House dictate his successor?

Theodore Roosevelt, president first by tragedy and next by false pretense, has thrown off the mask and revealed his true character.

What at first were either excused as eccentricities or applauded as honest blunders, must, in the light of the president's attitude in the present campaign, be looked upon as contemptuous disregard of the constitution, the laws, the institutions and traditions of the country and the people.

Mr. Roosevelt assumed the right to make treaties without the consent of the senate.

He has sent Taft, Root and other royal ambassadors abroad with Imperial instructions.

He connived at and afterward defended as an "accomplished fact" the spoliation of the Republic of Colombia.

He rules foreign peoples as dependent subjects.

He gave his consent to the absorption by that giant monopoly, the steel trust, of its principal competitor, the Tennessee Coal and Iron Company, which had been first forced into trouble by Wall street manipulation.

He has publicly denounced abuses while secretly placing himself under obligations to those who are guilty of them.

Under his administration trusts have multiplied, special interests have thrived, expenses have piled up, the burdens of the people have grown heavier, the cost of living has enormously increased, and a panic has occurred which has produced idleness, impoverished thousands of business men and brought hunger into hundreds of thousands of homes.

AND YET MR. ROOSEVELT DEMANDS OF THE PEOPLE THAT THEY APPROVE HIS SELECTION AND ELECT WILLIAM H. TAFT AS HIS SUCCESSOR.

He is managing Taft's campaign from the White House, using government clerks, paid by all the people, to convey his orders and commands to 300,000 other officeholders also paid by the people, and to all other persons subject to his power or susceptible to his influence.

It is the purpose of Mr. Roosevelt to control the presidential succession, if possible.

He declares that he has been training Taft for seven years to take his place.

He dictated his nomination, forcing it by using the power of his office and in disregard of the laws regulating the civil service.

Sen-in-Law Longworth, in a public speech, proclaimed the purpose of the new dynasty to be the election of Taft for eight years, Roosevelt again for eight years more, and down the line.

The present secretary of war, Luke E. Wright, in a speech in New York on Oct. 19, resented the charge that Roosevelt is only a "hired man," and declared that he is "the chief ruler of the country."

Senator Beveridge, in a speech in Kansas City on the same date, said that "there is no longer a Democratic party—only the government and the opposition," a condition which exists only in an autocracy like Russia.

Two years ago Elihu Root, Mr. Roosevelt's secretary of state, proclaimed the new doctrine of "wiping out state lines," which would center all government power at Washington.

Taft has knowledge of, is a part of and sympathizes with all these dangerous tendencies—these things which point to the overthrow of constitutional government and the subversion of the liberties of the people.

Under this order of things only favorites are to profit through tariffs, subsidies, special privileges, offices and private snags like the Panama Canal swindle, wherein it is said Douglas Robinson, a brother-in-law of the president; Charles P. Taft, a brother of Candidate Taft; Morgan, Cromwell, Sheldon and other Taft supporters, financiers and speculators, pocketed more than \$30,000,000 of ill-gotten gain shoveled out of the United States treasury.

THE REPUBLICAN PARTY HAS BEEN GUILTY OF THE RANKEST EXTRAVAGANCE AND WASTE.

The expenses of the National Government have more than doubled in ten years and now reach a billion dollars a year.

The expenses of the state offices have increased more than 100 per cent in the past twelve years.

Have all these millions of money taken from the people been honestly spent?

Is there graft, crookedness and rascality in the state house?

Is there untold rottenness in Washington?

How will you ever find out unless you vote for a change?

Bryan in the nation and Marshall in the state stand for rule by the people, constitutional government, reduced taxes and economy and honesty in administration.

Public officials are the servants and not the masters of the people, according to the Democratic creed, and a vote for the candidates of the Democratic party will be a vote against official insolence and threatened despotism.

HOW TO VOTE CORRECTLY

READ THIS COLUMN CAREFULLY

The device at the head of the Democratic ticket is a rooster. The device at the head of the Republican ticket is an eagle. Other tickets on the ballot have different devices. The Democratic ticket is in the first column, the Republican ticket is in the second column, and so on. Below is a sample of the Democratic and Republican tickets, with the respective party devices, in the order in which they will appear on the official ballot.

SAMPLE BALLOT

DEMOCRATIC TICKET.

For Presidential Elector, State-at-Large, ADAM HEIMBERGER.

REPUBLICAN TICKET.

For Presidential Elector, State-at-Large, WINFIELD T. DURBIN.

INSTRUCTIONS TO VOTERS

FIRST. You must get your ballot and a blue pencil from the polling clerks in the election room. Remember that a blue pencil is now used instead of a stamp.

SECOND. If you want to vote a straight ticket make a cross, thus: X, within the large circle at the head of the ticket containing the device of the party for whose candidates you wish to vote. If you do not wish to vote a straight ticket, you must not make a cross in the large circle containing the device of your party, but you must make a cross, thus X, on the small square to the left of the name of each candidate for whom you desire to vote, on whatever list of candidates it may be. If the large circle at the head of the ticket is marked, and the ballot is marked at any other place, it is void and cannot be counted, unless there be no candidate for some office in the list printed under such marked device, in which case you may indicate your choice for such office by making a cross, thus X, on the square to the left name of any candidate for such office on any other list. The cross must be placed within or on the circle or square or the ballot is void and cannot be counted.

THIRD. Do not mutilate your ballot, or mark it either by scratching a name off or writing one on, or in any other way except by marking in the circle or on the squares as before mentioned. Otherwise the ballot will not be counted. You must not put any mark of any kind on your ballot except as before mentioned.

FOURTH. After marking your ballots, and before leaving the booths, fold them separately so that the face of each cannot be seen, and so the initial letters of the names of the polling clerks on the back thereof can be seen. Then hand your ballots to the inspector, the pencil to the polling clerk, and leave the room.

FIFTH. If you are physically unable to mark your ballot, or cannot read English, so inform the polling clerks, and make an affidavit to that effect, and tell them how you wish to vote, and they will mark your ballot for you. But neither you nor the clerks must permit any other person to hear or see how your ballot is marked. It is a penal offense to declare that you cannot read English or cannot mark your ballot, if, in fact, you can; and in no case shall the ballots be marked by the poll clerks if the voter can read the English language or is physically able to mark his ballot, and then not until the voter has made the affidavit.

SIXTH. If you should accidentally, or by mistake, deface, mutilate or spoil your ballot, return it to the poll clerks and get a new ballot.

SEVENTH. You must not accept a ballot from any person outside of the election room. Any ballot outside is fraudulent, and it is a penitentiary offense to have such a ballot in your possession, whether you attempt to vote it or not.

EIGHTH. You must not attempt to hold any conversation in the election room except with members of the election board and poll clerks.

NINTH. Use only the blue pencil handed to you by the polling clerk in marking your ballot. If you mark with any other pencil your ballot is void and will not be counted.

TENTH. You must not put any mark of any kind on your ballot except as before mentioned.
