Farmers, do not be misled and buy something you do not want, which is the case when you leave the Continental Insurance Company, whose terms are equal and lower than any other companies soliciting farm business. A Paying Investment.

Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c. bottle of Dr. King's New Discovery; before that was gone, the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at A. F. Long's drug store. 50c. and \$1.00. Trial bottle free.

THE CHICAGO STOCK SHOW.

The International Live Stock Exposition, held this year from November 28 to December 10, is the supreme court of the year's prize winners, justly styled the show of champions, the show within whose portals the bluest blood of the bovine, ovine and porcine families struggles for supremacy, the exposition whose educational value cannot be overestimated.

Here the foremost breeders, who, by constant study, mutual contact, observation and comparison, have succeeded in producing the best, are giving the world the benefit of their labors. Here the breeder and feeder are shown by actual

block demonstration by what methods their work can be made more profitable, and the kind of animals the butcher wishes them to supply. These and many other object lessons that can only be earned by a visit to this great exposition make a visit to the "International" a paying investment and part of the training of every progressive farmer, feeder and breeder.

The fact of his having attended a previous show does not signify, for new problems are being solved here each year, each year sees the work and achievements of the previous shows surpassed and at each successive exposition new standards of excellence are brought to the attention of the public. Let the live stock interests get behind this triumphant success, let them center upon this leading live stock exposition as the pride of American enterprise and let their patriotism force them to offer encouragement by attending, thus making it possible to continue this splendid work and to make it the world's greatest live stock exposition in every sense of the word.

How to get Strong.

P. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from the Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy for stomach, liver and kidney complaints. Sold under guarantee at A. F. Long's drug store. 50c.

TAFT AND SHERMAN.

Continued from First Page.

Providence, R. I., Nov. 4.—Rhode Island's four electoral votes will be cast for William H. Taft, whose popular majority in the state is 16,000, about the same as Roosevelt in 1904. Aram J. Pothier, Republican, of Woonsocket, has been elected governor.

Portland, Me., Nov. 4.—Maine has returned its usual large majority for the Republican candidate, although Mr. Taft's vote did not reach the 36,791 majority polled by Mr. Roosevelt in 1904. The vote is as follows: Taft, 67,203; Bryan, 35,725. No state election was held, as Maine chose a Republican governor and Republican congressmen in September.

Concord, N. H., Nov. 4.—New Hampshire gave Mr. Taft almost as large a vote as it did Mr. Roosevelt four years ago. The balloting resulted in a majority of 20,000 for the Republican candidate, which is a decrease of 185 since the last presidential election. Henry B. Quincy, Republican, has been elected governor.

Montpelier, Vt., Nov. 4.—Vermont has gone Republican by 27,000, a falling off of 3,082 since 1904. There was no state election.

SOLID SOUTH AS SHE WAS

All Electoral Votes Go for the Democratic Leader.

Austin, Tex., Nov. 4.—William H. Taft did not make as good a showing in this state as President Roosevelt, who polled 51,242 votes in 1904. The vote this year is approximately as follows: Bryan, 220,000; Taft, 20,000. Thomas M. Campbell, Democrat, has been re-elected governor.

Louisville, Ky., Nov. 4.—Kentucky has gone Democratic by a majority of Bryan over Taft of 13,000. The Republicans have lost two of their congressmen, giving the state now nine Democrats to two Republicans. There was no state election.

Jacksonville, Fla., Nov. 4.—Albert W. Gilchrist, Democrat, has been elected governor of Florida, and the Democratic national ticket has carried the state by a majority of 25,000; the Republican vote showing a loss of 3,000 since 1904.

Charleston, S. C., Nov. 4.—The Republican party polled only 2,000 of the 55,000 votes in this state, running slightly behind the figures of four years ago. M. F. Ansel has been re-elected governor without opposition.

Richmond, Va., Nov. 4.—The Old Dominion is still safely within the Democratic ranks by a majority of 25,000.

Atlanta, Ga., Nov. 4.—Georgia's thirteen electoral votes will be cast for William J. Bryan, and the state's representation will continue solidly Democratic. The state election was held in September. The Taft vote in this state fell 10,000 below that of Mr. Roosevelt, which was 24,003.

St. Louis, Nov. 4.—Missouri has reversed the Republican victory of 1904 and is again in the Democratic ranks by a majority of 20,000. William S. Cowherd has been elected governor.

Montgomery, Ala., Nov. 4.—Bryan, 60,000; Taft, 13,000, are the election figures in this state. Mr. Taft polled 4,772 fewer votes than Mr. Roosevelt did in 1904.

Nashville, Tenn., Nov. 4.—Tennessee is still strongly Democratic by a majority of 80,000. The Republican vote of 1904 was greatly reduced.

Little Rock, Ark., Nov. 4.—Arkansas has given Mr. Bryan a majority of 30,000, an increase of 12,436 over the vote polled by Mr. Parker in 1904.

New Orleans, Nov. 4.—As usual, Louisiana is solidly Democratic by a very large majority, indicated at 40,000.

Guthrie, Okla., Nov. 4.—The seven electoral votes of the new state, the first to be cast, will go to William Jennings Bryan, who received 70,000 of the state's 125,000 votes.

Jackson, Miss., Nov. 4.—Mississippi's ten electoral votes will go, as usual, to the Democratic candidate. There was no state election.

Raleigh, N. C., Nov. 4.—The Democratic national ticket has carried North Carolina by a majority of 25,000, the total vote being 210,000. W. W. Kitchen has been elected governor.

THREE DOUBTFUL STATES.

Maryland, West Virginia and Colorado Somewhat Uncertain.

Baltimore, Nov. 4.—That Baltimore city is Taft's by about 1,700; that the Democrats have elected Gill, Talbot and Covington to congress and the Republicans Mudd and Kroumiller, is all that can be said with any degree of certainty. Returns from the counties are coming in very slowly. J. H. Covington won a sweeping victory on the eastern shore over W. H. Jackson. The Republicans claim that these counties will add to Taft's lead given to him by the city, while the Democrats claim the state for Bryan by a small margin.

Cincinnati, O., Nov. 4.—Returns from West Virginia come in slowly, but enough have been received to indicate a slight advantage for Judge Taft, although the margin was so slight that the state could still be called doubtful. On the first 150 precincts the advantage in favor of Taft indicated probably 1,000 plurality for him.

Parkersburg, W. Va., Nov. 4.—Vice Chairman Geo. I. Neal, of the Democratic state committee, said: "Benjamin and the Democratic state ticket will carry the state by 18,000 to 20,000, if the present rate of gain continues. On the meagre returns in hand, Taft has probably carried the state."

OHIO IN LINE FOR TAFT

So Are Iowa, Wisconsin, Michigan and Minnesota.

Columbus, O., Nov. 4.—Secretary Taft's home state has given him a majority of 50,000 it is now estimated. The strong Democratic fight did not avail to carry the state for either Mr. Bryan or Judson Harmon, candidate for governor, but pulled down the Republican vote in all parts of the state. Large Democratic gains are reported from most of the large cities and towns. The rural districts generally, however, have remained Republican.

The fight made by Governor Andrew L. Harris, candidate for re-election, for local option was an important factor in the result, as was foreshadowed in the county elections. The governor's activity lost him votes among the so-called "liberal" element, the loss showing in the returns from Cincinnati, Cleveland, Toledo and other cities.

Des Moines, Ia., Nov. 4.—Although the Democratic vote which stayed away from the polls in 1904 turned out in full force yesterday for Mr. Bryan, it was not sufficiently strong to carry the state. Taft's majority in Iowa is 50,000 in a full vote of 501,600. B. F. Carroll, the Republican nominee for governor, was successful.

Governor A. B. Cummins probably carried the Republican senatorial primary over Major J. F. Lacey by a plurality of 40,000 to 50,000, a tremendous gain from last June when he was defeated by Allison by 11,000. The indications are that the entire delegation in congress will be Republican, a gain of one over two years ago.

Milwaukee, Nov. 4.—Mr. Taft's majority in this state is 75,000, being less than the majority rolled up by Mr. Roosevelt four years ago. Governor James O. Davidson has been re-elected, and the state's congressional delegation, nine Republicans and two Democrats, will remain the same in the next congress. The legislature will be Republican, and Senator Stephenson will be re-elected.

Returns from the Thimpeau assembly district indicate the defeat of Speaker Herman L. Ekern (LaFollette Republican), who ran on an independent ticket against Albert T. Twesme, the primary nominee. Twesme's plurality is estimated at about 150.

Detroit, Mich., Nov. 4.—Both sections of this divided state have gone Republican, the total plurality for Mr. Taft being 100,000, a Republican loss of 127,715 since 1904. Governor Fred M. Warner, Republican, may be defeated by Hemans, his opponent.

Minneapolis, Minn., Nov. 4.—Governor John A. Johnson's efforts in behalf of the Democratic national ticket have not succeeded in giving the electoral vote of the state to Mr. Bryan, and may not have re-elected him governor. Of the state's 275,000 votes, Mr. Taft polled 172,500, his majority being below Mr. Roosevelt's majority of 161,464 in 1904.

KEYSTONE STATE STANDS PAT

Gives Taft a Big Majority; Nearly as Big as Roosevelt's.

Philadelphia, Nov. 4.—Pennsylvania has gone Republican by a majority of 400,000, the figures being as near as can be arrived at on the returns received. In 1904 Roosevelt carried the state by 505,510, and two years ago Stuart, Republican, was elected governor by 48,435. This city, Pittsburgh, Harrisburg, Altoona and other cities have given Mr. Taft pluralities, but Scranton, Wilkesbarre and towns in which the so-called "labor" vote is strong have gone Democratic.

The election in Pennsylvania turned almost entirely on national issues, the highest state officer voted for being a judge of the superior court. For that office William D. Porter, Republican, has been elected by a majority of 50,000 over Webster Grim, Democrat.

The vote in the country districts was, as usual, heavily Republican. The state's representation will again be Republican in the Sixty-first congress, the Democrats having gained only one seat. The figures will be as follows: Republicans, 24; Democrats, 8.

Cincinnati Crowd Cheers Taft.

Cincinnati, Nov. 4.—The Republican ticket had a close call in Mr. Taft's home city, the party's majority of 40,193 in 1904 being reduced this year to 5,000. Two years ago it was 7,119. Mr. Taft received the returns at the home of his brother, Charles P. Taft. When his success at the polls was announced the house was surrounded by a cheering crowd calling for a speech from "the next president." Mr. Taft announced that he would make a formal statement in the near future.

Bryan Thanks His Neighbors.

Fairview, Neb., Nov. 4.—At 11 p. m. Bryan sent down stairs the following statement: "It is very gratifying to receive so complimentary a vote in my home precinct of Normal, and in the city of Lincoln. We appreciate very much this expression of good will on the part of our neighbors in Republican strongholds." He would make no comment on the general results of the election.

Taft Carries Delaware.

Wilmington, Del., Nov. 4.—Delaware, considered doubtful before the election, has gone Republican, giving three electoral votes to Taft. Simeon S. Penniwell, Republican, will be the new governor.

West Virginia for Bryan.

Wheeling, W. Va., Nov. 4.—West Virginia, classed as a doubtful state before the election is claimed by both parties at this writing.

GREAT CITY FOR TAFT

Greater New York Goes Republican, First Time It Happened For Years.

TAFT SWEEPS ALL THE EAST

New Jersey Does Better For Him Than For Roosevelt.

All New England Lines Up For The Ohio Man, and Elects the Republican State Tickets.

New York, Nov. 4.—As the result of yesterday's election New York state's thirty-nine electoral votes will be cast for William H. Taft and James S. Sherman. Both the Republican national and state tickets are victorious, Charles E. Hughes being re-elected governor.

Greater New York for Taft. Governor Hughes won by over 50,000 plurality the biennial battle of High Bridge which was waged again as 11 regiments of ballots were mailed. Hughes came down to the city from up-state with an indicated plurality of about 121,000. Chanler's plurality south of High Bridge was approximately 68,000. The vote of two years ago was increased by about 150,000. Chanler surprised the Democratic leaders by an unexpectedly large vote in the rural districts, but lost tremendously in the city of Greater New York, where his followers had expected at least 100,000 plurality, and which gave Taft 11,000 plurality. This is the first time that this has happened since 1896.

Reports from all parts of the state indicate that the vote was heavy, the efforts of both gubernatorial candidates to bring out the ballots being rewarded with success. Both the old parties polled full votes, their strength not being seriously affected by the independence, Socialist and other minor parties. Shearn, Independence party candidate for governor, ran ahead of Wanhope, the Socialist nominee.

Next Legislature Republican.

The state's congressional representation will be divided, as at present, among the two parties, with one change, Hillquit, Socialist, being elected in the Ninth district in place of Riordan, Democrat. The next legislature will be Republican in both branches, insuring a Republican successor for Senator Thomas C. Platt, who will leave the senate in March.

New York and Buffalo are the only two large cities of the state that have gone Democratic.

"I need not say that I am greatly pleased with the result of the election," declared Governor Hughes. "I felt certain that the people would endorse the administration of President Roosevelt by electing Secretary Taft, and I consider my own re-election as an approval of the policies pursued by the state administration during the past two years."

IN THE NORTHEAST CORNER

New England Adds Her Votes to This Total for Taft.

Boston, Nov. 4.—This city, together with the rest of Massachusetts, has gone Republican, giving Mr. Taft sixteen electoral votes. The plurality of the Republican candidate is 70,000 over Mr. Bryan, but the votes of the two minor candidates, added to those of the Prohibition and Socialist Labor nominees, were large enough to deprive the Republican party of a majority of the votes in this state.

The gubernatorial vote is as follows: Draper (Rep.), 187,275; Vahey (Dem.), 141,275; Osmond (Independent), 50,000; Carey (Socialist), 10,000. In 1904 Parker, Democrat, received 165,748 votes to Roosevelt 257,822. Hisgan ran behind his vote for governor last year by 35,489 votes.

HOW IT WENT IN JERSEY

Taft Gets the Electoral Vote by More Than Roosevelt.

Trenton, N. J., Nov. 4.—William H. Taft has had a ground swell in this state, being made the choice for the presidency of more of the voters than approved of Mr. Bryan's candidacy. Taft's plurality will reach, it is figured, 84,110, which is greater than Roosevelt's.

There was no election for governor, but a new legislature, ten congressmen, and sheriffs were chosen. There is a Republican loss and a Democratic gain of one in the state delegation to the lower house, Townsend, Democrat, defeating Parker, Republican, who ran for re-election in the Seventh district.

Made Threats Against Cox.

Cincinnati, No. 4.—Herman Newman, formerly manager of the salvage corps of this city but of recent years a resident of Indianapolis, was arrested here as a result of several threats alleged to have been made against George B. Cox, Republican leader. When searched at the police station a revolver was found. At police headquarters Newman said Cox had ruined him in business by using his "influence" against him.

Negro Bound and Shot to Death.

Union, Miss., Nov. 4.—Bound hand and foot to a tree, William Hodges, a negro, twenty years old, was shot to death by a mob of fifty men near here. Hodges attacked the ten-year-old daughter of Edward Butts, a planter.
