DOWN WITH DIAZ! CRIED BY RIOTERS

Mob and Soldiers Clash In
City of Guadalajara.

REPORT IS TWO ARE DEAD

Americans Are Injured and Their Prop-
erty Damaged—Opponents of Mexi-
co's President Attack Orators Who
Attempt to Speak in His Favor.
Hotel Where Speakers Were Guests
Is Demolished and the Men Rush to
a Train Under Guard of Troops.

Mexico City, July 27.—Over 200 ar-
rests have been made, a number of
persons injured and two reported dead
as a result of political riots in the city
of Guadalajara.

A mob broke up a meeting which
was being addressed by orators who
spoke in behalf of the re-election of

PRESIDENT DIAZ.

President Diaz. The rioters shouted,
"Down with Diaz; We Want Reyes."
They stormed the hotel Garcia, where
the Diaz orators were guests. Every
window in the structure was smashed,
and the bar, office and barber shop
looted.

The police charged the crowds again
and again but were repulsed. State
troops were called out and a number of
volunteers were fired in the air without
effect. Some members of the mob
created a disturbance on one of the side
streets and shots were exchanged be-
tween them and the soldiers. Six
persons were wounded and two foot
soldiers were killed. A four-year-
old child was killed.

Are Injured.

The American property was
damaged and ten Americans wound-
ed. The Americans have asked the
American consulate for protection.
The names of the American wounded
are said to be W. H. Horton and H.
Murphy, though the dispatches were
so garbled as to make their identity
uncertain.

The speakers who were mobbed
were received sullenly when they ar-
rived at the station in Guadalajara,
and on their trip to the Del Gado
theater, where the meeting was to be
held, they were hooted and jeered. At
the theater the crowds refused to al-
low a single orator to speak, drowning
their voices with yells and driving
them from the stage by hurling paper
wads and an occasional stone. When
the party emerged from the building,
they were stoned and Leon Rojas, a
prominent lawyer, was struck in the
head and badly injured. The automo-
biles, street cars and carriages in
which the Diaz supporters rode also
were stoned.

Rushed to a Train.

Finally the speakers were rushed to
a train, escorted by troops. They hur-
ried to Mexico City.

The hotel Garcia, which was wreck-
ed by the mob, is one of the largest
hostelries in the republic. It was leased
by an American, and he has put in
his claim for damages.

Horton, the American who was
wounded, was a guest at the hotel, and
just before it was stoned, he is said to
have stepped to a balcony and fired his
revolver in the air in an attempt to dis-
perse the crowd. Murphy, the other
American injured, was cut by a police-
man's saber.

Guadalajara is the second city of the
republic, and is ranked as the most
beautiful.

FUEL COMPANY SURRENDERS

Agrees to Pay \$73,000, Forfeit \$14,400
and Return Lands.

Washington, July 27.—Promising
new prosecutions if further investiga-
tions show that other coal lands have
been illegally acquired, Attorney Gen-
eral Wickersham has discontinued the
equity suits recently instituted against
the Utah Fuel company to annul title
to 800 acres of coal lands in Utah, val-
ued at \$40,000.

The discontinuance is made in view
of the company's agreement to pay the
government \$73,000, reconvey the 800
acres to the United States and forfeit
\$14,400 paid to the government when the
patents were issued on the land. The
fuel company is a subsidiary corpora-
tion of the Denver and Rio Grande
railroad.

VALMORE WINS YACHT RACE

Amorita Fails to Overcome Time Al-
lowance Granted Rival.

Mackinac Island, Mich., July 27.—
William Hale Thompson's trim schooner
yacht Valmore, last year's winner of
the Mackinac cub race, has repeated
the trick. Valmore at 9:33:03 a. m.
crossed the finish line 04:54 behind her
big rival, Amorita, which had given
the Thompson boat a time allowance of
2:42:32.

Valmore, therefore, won by 2:37:33
over Amorita, which however, secured
second place by a large margin. The
trip was made by the winner in
42:33:03 for the 331 miles. Amorita
broke her spinnaker boom, and Val-
more an iron band securing the top-
mast shrouds.

TYPHOID IN NAVY POTATOES

Hundreds of Barrels of Tubers Dump-
ed Into the Sea.

Provincetown, Mass., July 27.—That
the outbreak of typhoid fever among
the men of the battleship fleet was due
to bad potatoes was the official verdict
of a naval physician on the supply ship
Celtic. Ice cream and various other
things have been under suspicion.

Hundreds of barrels of tubers from
the Celtic's storerooms were dumped
into the sea.

There are four cases of typhoid on
the Wisconsin in addition to the four-
teen taken to the naval hospital in
Chelsea.

PUNISHED FOR MAKING CUPID'S ARROW MISS

Wins Woman on Her Way to
Wed and Commits Bigamy.

Honolulu, July 27.—R. M. Baker of
Chicago, who was arrested here on a
charge of bigamy, pleaded guilty and
was sentenced to three years' hard
labor.

Baker came here from San Fran-
cisco. On board the steamer he met
Mrs. Eva B. Wallace, who was en route
to the islands to marry a member of a
well known Honolulu firm. So ardent
was Baker's love making that the
widow forgot her waiting fiancé. The
pair were married immediately upon
arriving in Honolulu.

Baker is said to have a wife and
child living in Chicago.

NEW TESTIMONY IN SUTTON CASE

Witness Asserts He Was Told
to Keep Quiet.

SAW OFFICER FIND PISTOL

Private of Marine Corps States He
Came Upon the Party When Adams
Was in Shirt Sleeves and Prepared
For a Fight and That the Man It Is
Claimed Committed Suicide Asked
Soldier to Hold Coat and Cape.

Annapolis, Md., July 27.—The ses-
sion of the board of inquiry investigat-
ing the death of Lieutenant James N.
Sutton of the marine corps, who was
mysteriously shot two years ago, af-
forded some surprise in the testimony
given by Charles W. Kennedy, now a
private in the marine corps, at Nor-
folk, Va.

Kennedy said he had been reluctant
to mention his part in the affair be-
cause Lieutenants Utley and Adams,
his superiors, had admonished him on
the morning following the shooting
"to keep quiet." On his way to relieve
a sentry on the morning of the shoot-
ing he had come upon Sutton, Adams,
Utley and Lieutenant Osterman.

Adams was in his shirt sleeves ready
for a fight and Sutton had accosted
him (Kennedy) and asked him to hold
his blouse, cap and cape. "All right,
Adams, if you want to fight, I'll fight
you," he heard Sutton say, the witness
testified.

While he was out to attend early
drill on the following morning, the wit-
ness said, he saw Lieutenant Utley go
to the edge of the parade grounds and
pick up a .38 caliber Colt service re-
volver, which Utley carried into the
barracks with him.

Washington, July 27.—Panama's at-

the United States government to the
point of insisting upon the prompt set-
