## MINERS DEMAND WAGE INCREASE

Also a Uniform Rate for All  
Classes of Inside Labor.

### DELEGATES ONLY GO TO TOLEDO

Demand Also that All Internal Differ-  
ences, Both as to Price and Con-  
ditions, Be Referred to Dis-  
trict Affected.

Indianapolis, Feb. 1.—The conven-  
tion of the United Mine Workers of  
America has decided on a demand for  
an advance of 10 cents a ton for pick  
mining and an equivalent advance for  
machine mining and a corresponding  
increase for all day work, dead work,  
yardage, etc.

It was further decided on a demand  
for a uniform rate of wages for all  
classes of inside and outside day la-  
bor and time and a half for overtime,  
Sundays and holidays. It was decided  
to demand that all coal be weighed  
before screened, and paid for on that  
basis, and that the mine run rate in  
the different districts shall be at least  
equivalent to the screen coal prices.

It was decided to demand a change  
in the sixty-eight hours from starting  
until quitting time, or what is com-  
monly known as from bank to bank,  
with a half holiday on Saturday.

It was decided that the contract  
period shall be from two years from  
April 1, 1910. The miners also de-  
mand that all local inequalities and  
internal differences, both as to prices  
and conditions, be referred to the dis-  
tricts affected.

The convention after taking action  
along these lines in accordance with  
recommendation of the scale commit-  
tee took up a section of the report  
regarding the entire convention going  
to Toledo and decided that the con-  
vention should remain in this city in  
session until its work was finished,  
and that only the delegates from the  
central competitive field should go to  
Toledo to attend the interstate joint  
conference of miners and operators  
scheduled to begin today.

### AULD PLEADS "NOT GUILTY"

Dr. Edward S. Cowles First Witness  
Called in Court-Martial Trial.

Boston, Feb. 1.—Dr. Edward S.  
Cowles, a brother of Rear Admiral  
Cowles, gave the bulk of the testi-  
mony at the opening session of the  
court-martial appointed to try Pay-  
master George U. Auld, U. S. N., upon  
charges made by Cowles of conduct  
unbecoming an officer and a gentle-  
man, telling a falsehood and assault-  
ing him.

To each of the charges Paymaster  
Auld replied "Not guilty" and then Dr.  
Cowles was sworn.

The court-martial grows out of an  
alleged insult offered to Dr. Cowles  
at a reception, at which he was told  
to leave and remain away. As he  
was leaving, Cowles stated, he was  
struck by Auld in the back of the  
head and knocked down.

### RESENTS INSULT TO FLAG

Poole Knocks Surgeon Down for Cut-  
ting Flag Tattooed on Body.

Greenville, S. C., Feb. 1.—The pier-  
cing of a tattooed American flag by  
the knife of a surgeon caused a patri-  
otic American to spring from the op-  
erating table, strike the offending sur-  
geon and declare that he would seek  
damages in the courts.

Tom Poole, the injured man, had  
been slashed three times across the  
abdomen while involved in a fight. A  
stray bullet had also found its way  
into his breast. He was watching the  
surgeon's skill with interest. When  
the knife ran through "Old Glory,"  
which had been brilliantly etched into  
the man's skin, he sprang from the  
table and knocked down the surgeon.

### BEGIN PLOWING FOR CORN

Farmers Also Open Sugar Camps One  
Month Earlier Than Usual.

Rushville, Ind., Feb. 1.—According  
to old settlers in the county the ear-  
liest plowing ever done here was be-  
gun when J. M. Amos, a farmer liv-  
ing south of this city, put three teams  
in the field and began breaking for  
corn. Corn plowing is not generally  
started until the latter part of Feb-  
ruary.

The sugar camp on the farm of G.  
F. Maury was opened, about one

month earlier than has ever been his  
custom. The sugar water flowed free-  
ly, and it is thought the camp can be  
kept open until spring.

### EJECTED; KILLED BY TRAIN

Illinois Farmer Meets Death on Van-  
dalia in West Terre Haute.

Terre Haute, Ind., Feb. 1.—The  
mangled body of William Higgins,  
45 years old, a wealthy Dennison, Ill.,  
farmer, was found near West Terre  
Haute.

He had been killed by a Vandalia  
passenger train. Higgins started  
home from Terre Haute while he is  
said to have been under the influence  
of liquor and was ejected from the  
train.

### PARIS IS REPORTED SAFE

River is Falling and the Weather Con-  
tinues Favorable.

Paris, Feb. 1.—The city has abso-  
lutely recovered from the successive  
shocks of its recent days of anxiety.  
The terror of last Friday seems like  
a night mare now when continual re-  
ports are published of the subsidence  
of the Seine and the sun shines bril-  
liantly after days of rain.

Telegraphic communication is still  
unreliable. A few lines are still work-  
ing, but their services are in such  
great demand that the postoffice sent  
numberless messages by mail to their  
destination.

### WILL CONTEST FATHER'S WILL

Four Sons of Le Grand Ingersoll At-  
tack Last Will and Testament.

Los Angeles, Feb. 1.—Two contests  
have been filed in the probate court  
here attacking the validity of the will  
of Le Grand Ingersoll, who died at  
Ocean Park Dec. 20, 1909, leaving a  
\$41,000 estate to his widow, Eleanor  
Ingersoll.

The contestants are four son of the  
deceased by a former wife, two of  
whom, Audley and Louis Ingersoll, of  
San Jose, Cal., united in one contest,  
while LeForest and Frederick Inger-  
soll of Pittsburg, filed another.

### TWO WOUNDED DURING DUEL

Kentucky Sheriff Shot While Making  
Arrest and Returns Fusillade.

Middleboro, Ky., Feb. 1.—In a pistol  
duel at Edgewood mines, near here,  
Deputy Sheriff Gordon Givens and  
Benjamin Gatlin, a miner, were mor-  
tally wounded.

Givens was attempting to arrest  
Gatlin on a charge of disorderly con-  
duct. Givens figured conspicuously as  
officer of the local military company  
in suppressing the night riders in  
western Kentucky two years ago.

The Weather.  
Illinois—Fair and warmer today, un-  
settled tomorrow.
