MRS. HELEN KELLY GOULD

Ex-Wife of Frank Gould Who
Has Married Ralph Hill Thomas.

FRANTIC WOMAN'S DEED

Chicago Wife Shoots Her Husband and
Little Daughter.

At Chicago Mrs. Emma Mulsaw shot her husband twice through the abdomen as he reached the door of his home, 1904 North Kedzie avenue, went to the bedroom where her three-year-old daughter Annabella had been asleep and shot her through the back. She then completed the triple tragedy by swallowing carbolic acid, which she had prepared for the purpose, and died a short time later.

The two victims of her bullets are in a dying condition at St. Elizabeth's hospital. The woman, armed with a revolver, had waited almost all night to carry out her plan to exterminate the entire family.

Mrs. Mulsaw was twenty-four years old. It is believed by the police that her mind became unbalanced by jealousy over the attentions other women paid her husband. She left two notes, in one of which she requested to be buried in the same grave with her little daughter.

22 HORSES DIE IN FIRE

Big Plow Plant at South Bend, Ind.,
Suffers Severe Loss.

At South Bend, Ind., the barns and lumber yard of the Oliver Chilled Plow Works were destroyed by fire and twenty-two horses were cremated. The loss is estimated at from \$75,000 to \$100,000. Insurance of about \$50,000 was carried. The origin of the fire is unknown, but it is supposed to have been started by a tramp, who with a pipe in his mouth, was seen earlier in the night, to climb the high fence surrounding the yards. He probably sought sleep in the barns, which stood in the center of the yards, and set the building on fire with a spark from his pipe.

One man, Fred Wagner, was injured by a falling beam.

MRS. GOULD IS BRIDE
OF RALPH H. THOMAS

Wedding Is Celebrated Quietly
In New York City.

Mrs. Helen Kelly Gould and Ralph Hill Thomas were married quietly in the apartments of Mrs. Gould at 540 Park avenue, in New York. Only intimate friends were present at the ceremony, which was performed by the Rev. Dr. Webster of the Brick Presbyterian church. The bride was given away by her mother, Mrs. Eugene Kelly and Joseph Thomas, brother of the bridegroom, acted as best man.

The bride girls, who have been staying in the country place of their aunt, Miss Helen Gould, at Irvington-on-Hudson since the first of May, came down to be present at their mother's wedding, and to say good-bye to her before she started on her honeymoon trip. When the children left the house they were in charge of Albert Wisner and a governess. Several of the detectives followed in a touring car. One of the detectives displayed a paper to the guardians of the little girls, and after a short conversation the latter were transferred to the touring car and taken to the Fifth avenue residence of Miss Helen Gould. There they were met by a cousin of Miss Gould, who took them to Irvington.

Frank Gould, who is now in Europe, arranged that his sister should take charge of his daughters when the time came for their visit to him. It is probable that Miss Helen Gould will formally adopt her little nieces, and that they will be heiresses to her estate as well as to that of their mother.

Mr. and Mrs. Thomas left the apartment at Park avenue and drove rapidly away in Mr. Thomas' touring car. They hurried through the corridor and carefully avoided speaking to any of the persons who were waiting to interview them. They sailed on the Kaiser Wilhelm der Grosse this morning for a tour of the Continent.

Mr. Thomas gave his bride five acres of land adjoining her Sands Point estate for a wedding present, and upon their return from Europe they will build a house not far from the site of the bungalow.

keeper, by one of ten detectives in the employment of the Ohio Anti-Saloon league, during attacks on saloons by the detectives, a mob of 500 men attacked the Licking county jail, seized a white man named Etherington, and hanged him to a telegraph pole in the court house square.

Howard, it is charged, did not resist the detectives when they entered his place on the outskirts of Newark. He, it is said, put his arms about Etherington as if to hold him, whereupon the officer fired a bullet into Howard's head.
