GOODLAND

(From the Herald)  
Mr. and Mrs. Wayne C. Gilman of Chicago are spending the week with relatives in Goodland. Three children of Mr. and Mrs.

J. W. Johnson of west of town have the scarlet fever.

Arthur Zimmer reports having seen a robin Sunday—they certainly are a welcome bird at this time.

Mrs. J. A' Wickersham and son Wilson visited among relatives this week after the funeral of Mr. Wickersham, which was held on Monday afternoon.

Robbers entered the home of Mr. Kinters, a civil war veteran, residing in the south part of town last Friday night and were looking for his money when they were frightened away.

Miss Bessie Broyler, who has taught music and drawing in the local schools for the past two years, resigned last week and on Friday

left for Fort Wayne to accept a similar position in the high school there.

One day last week when Ray Sage was sleeping late, his little son thought to awaken him by driving a nail into his left ear drum to arouse him. The experiment was a success—but Ray has had a painful ear for several days.

Mrs. John Doud passed away at her home in Kokomo last Friday morning after a short illness from pneumonia. The remains were brought to Goodland Saturday night and taken to the home of her sister, Mrs. William Patrick. The funeral services were held Sunday afternoon from the Brook M. E. church and interment was made in the Brook cemetery.

Trustee Lemaster has been having his troubles during the last two weeks. On Monday night of last week Miss Hauser was injured and he closed the school for the week. Monday morning the Constable school was closed owing to the sickness among the pupils—and on Monday his own daughter, Miss Ruth, who teaches the Lemaster school, was ill. He is hoping for better luck for next week.

Miss Hope, daughter of Mr. and Mrs. W. H. Gilman, of this place and Raymond Paul Barton of near Brook were married Tuesday at the M. E. parsonage at Thorntown, the Rev. George E. Deuel, former pastor of the Goodland M. E. church, officiating. The bride is one of our popular young ladies and was an active worker in the Methodist church. The groom is a prosperous young farmer of Iroquois township and enjoys a large circle of friends. They will be at home to their many friends on a farm near Brook after May 1st.

Miss Bertha Mustard, daughter of Mr. and Mrs. John W. Mustard of this city and Mr. Charles Stonehill residing west of Brook were married Thursday morning at the U. B. parsonage in Brook. The bride is one of our popular young ladies and for the past several years has taught school in this community. The groom is a prosperous young farmer of west of Brook and is a young man of sterling worth. They will soon be at home to their many friends on a farm west of Brook.

Mr. and Mrs. John M. Wilson celebrated their golden wedding anniversary Tuesday. They were at home to their many friends from 2 to 4 o'clock in the afternoon. Owing to the inclement weather and illness many were unable to attend but sent their best wishes by letters, cards and flowers. Mr. and Mrs. Wilson were married in Ottawa, Ill., Feb. 2, 1870, and came directly to their farm southwest of town where they spent forty-eight happy and prosperous years together, with but one break in their family circle. Two years ago they moved to their present home on East Jasper street, where we hope they will spend many more happy years.

At present they are in Florida where they expect to remain for several weeks, after which they will be at home to their many friends at 547 Ingraham Ave., Hammond, Ind.

The Velvet tin  
is twice as big  
as shown here

I F ever men are "Tom" and "Bill" to each other, it's when good pipes are a-going. If ever good pipes go their best, 'tis when Velvet's in the bowl.

For Velvet is a mighty friendly smoke. Kentucky Burley is the leaf that Nature made for pipes. Wholesome and hearty, honest as the day. And Velvet is that same good Burley leaf, brought to mellow middle age.

For eight long seasons Velvet "meditates" in wooden hogsheads, throwing off the rawness of "young" tobacco—truly "ageing in the wood." Out Velvet comes—cool, calm and generous—the tobacco Nature made good, kept good and made better.

Velvet's sweetness is the sweetness of good tobacco, not "put on" like "frosting" on a cake. Its mildness comes from natural ageing, not from having the life baked out. Its fragrance is true tobacco fragrance, not a perfume. And Velvet makes an A Number One cigarette. Roll one.

As good old Velvet Joe says:

"Fill yo' heart with friendly thoughts,  
Yo' mouth with friendly smoke—  
An' let the old world wag."
