

# The Brunswick

## For the Real Xmas Spirit

These days, holiday joys are not confined to candles, wreaths, bells, or even trees. The celebration that is without music lacks real Christmas spirit. On The Brunswick music is reproduced in tones that are exquisite. Music that thrills the very soul.

And why is Brunswick music different? Because it has a distinctly exclusive Method of Reproduction.

### The Method of Reproduction

The new Brunswick Method of Reproduction is the most advanced and finest yet devised. In perfecting it all old standards were discarded. Heretofore the instrument you bought determined your range of choice of records. The Brunswick has lifted the ban on the selections of other makers. With it you play all records of whatever make. Moreover, it plays all records at their best. And all this by means of the Ultona and the Tone Amplifier.

### The Ultona

The Ultona—a scientific creation—is an all-in-one reproducer. It supplies, at a turn of the hand, the right needle, diaphragm and weight for playing any make record.

### The Tone Amplifier

The Tone Amplifier is the all-wood, vibrant throat of The Brunswick. It is oval shaped—moulded to meet musical and acoustical laws. Truer, richer, sweeter tones—those that were hitherto lost in phonographic reproduction—are restored by this great invention.

### A Brunswick Recital—Especially for You

Come here today. Tell us what records you like most and we will be glad to arrange a Brunswick concert for you. No obligation whatever. The pleasure is all ours.

## Church Notes

### First Christian.

W. T. Barbare, minister. Next Sunday is an important day for this church. It will be an all-day meeting with a basket dinner at noon. Three services will be held during the day. Rev. C. W. Cauble, state secretary of Indiana, will speak in the morning and afternoon. This is Volunteer day, when the members will make their annual pledge to the current expense and missionary budgets of the church. This will not be taken publicly. The Virgie church has been invited to join with us in the basket dinner and all-day meeting. At the close of the afternoon service thirty-two people from the recent Virgie meetings will be baptized. This will probably be one of the largest baptisms ever held at one time in this church. The services for the day are as follows: Bible school, 9:30 a. m.; morning service, 10:45 a. m.; afternoon service, 2 o'clock; Christian Endeavor, 6 p. m. Evening service will be held at 7 o'clock. All friends of the church as well as members are invited to join with us in making this a successful day.

### Services at Virgie.

On account of the baptizing Sunday afternoon, the usual Bible school will not meet. All who are to be baptized are requested to be at the Rensselaer Christian church by 3 p. m. The Rensselaer church has extended an invitation to all who will to join with them in the basket dinner and all-day meeting and hear Rev. C. W. Cauble, state secretary for Indiana, who speaks in the morning at 10:45 and in the afternoon at 2 o'clock. The time for the organization of the church will be announced Sunday and in the papers next week. Watch for the announcement.

### Presbyterian.

Rev. J. Budman Fleming, minister. Something "New Under the Sun." The 7 o'clock meeting next Sunday, December 12, will be a junior church service. This means juniors of all

ages, but does not exclude seniors. We want parents and children at this service, and while it is especially for juniors it will have plenty in it for seniors. The Sunday school officers are responsible for this service and they want you to come and believe you will want to come. Study hour, 9:30; morning worship and sermon, 10:45; and evening service at 7 o'clock.

### Methodist Episcopal.

The decorators have completed their work very satisfactorily and we shall have the privilege of worshipping in our auditorium again. Rev. Frank K. Dougherty, the new district superintendent, will preach at the morning worship hour. Following the morning service the local (or quarterly) conference will be held. The pastor will preach at the evening meeting. The Sunday school will begin promptly at 9:30 o'clock and the Epworth League will hold its devotional meeting at 6 o'clock. The Thursday evening meeting was a success and will be repeated again next week, announcement of which will be made at the services Sunday.

### Baptist.

Our Sunday school meets at 2:30 p. m. Come in and spend the afternoon with us. We expect to have Rev. Clarence Jayne, new pastor of Monon, who will preach to us at 3:30. Let all Baptist people come with us to hear him.

### Christian Science.

Services are held every Sunday morning at 10:45. Sunday school at 9:45. Wednesday evening service at 7:30. Subject Sunday, December 12, "God, the Preserver of Man." A cordial invitation is extended to the public to attend any service.

### Howard Again, Farmers' Head.

Indianapolis, Dec. 10.—J. R. Howard of Clemons, Ind., was unanimously re-elected as president of the organization of the American Farm Bureau Federation. He was first elected as temporary president at a meeting held in Chicago a year ago last November when tentative plans for the formation of a national farm bureau were made, and elected to his present position at the first annual convention held last March.

### 1,382 Persons in Institutions.

Indianapolis, Dec. 10.—Marion county is represented in the 19 state charitable and correctional institutions by 1,382 persons. Reports of the board of state charities, prepared under the direction of Amos W. Butler, secretary, show that the Marion county population of the institutions averages one for every 251.8 inhabitants, by the census of 1920.

## MANY NEW WARSHIPS

NEARLY 200 U. S. WAR VESSELS COMPLETED LAST YEAR.

Number Includes Superdreadnaught and 96 Destroyers—Biggest Peace-Time Total in History.

Washington, Dec. 10.—Nearly 200 warships, including one superdreadnaught and ninety-six destroyers, were completed for the United States navy during the fiscal year ended last June 30 and more than 100 others, including eleven superdreadnaughts and six great battle cruisers, were building at that time. This is shown in the annual report of Rear Admiral David W. Taylor, chief of the bureau of construction and repair, to Secretary Daniels, made public at the navy department.

For continuing work on the ships building, Admiral Taylor estimated that \$119,000,000 would be required in the fiscal year beginning next June 30. This compares with \$59,000,000 last year and is the largest total ever proposed by the navy in peace time for continuing construction. It is explained by the fact that work on many of the craft authorized in the 1916 building program was halted during the war.

Admiral Taylor's report also discloses that the navy department is engaged in developing and constructing new types of aircraft, including huge rigid and semi-rigid airships and seaplanes similar to those which undertook the trans-Atlantic flight last year. Besides the dirigible which is building in England for the United States, the navy is building a dirigible at home.

"To provide a large seaplane for fleet use," says Admiral Taylor, "the bureau undertook the development of a design for a seaplane larger than any in existence, a 60,000 pound flying boat. The design embodies several new features including metal wings and a unique power plant of nine Liberty engines in three groups, each group being geared to a single propeller."

## CALLS "SPY" CAPTAIN INSANE

Uncle at Lafayette, Ind., Says Willers Was Not in Germany Since Early Boyhood.

Lafayette, Ind., Dec. 10.—John A. Willers, army captain and deserter, who was arrested in New York Tuesday and is alleged to have confessed being a German spy, is believed to be insane by Frank Dose of this city, an uncle of Willers. Mr. Dose, in a statement, said Willers came to America from Germany when he was fourteen years old and that, to his knowledge, had never returned to Germany, although his mother still resides there.

## SPEEDS UP IMMIGRATION BAN

House Limits the Debate—Supporters Hope for Passage Late This Afternoon.

Washington, Dec. 10.—By almost unanimous vote the house voted to restrict to four hours general debate on the bill forbidding immigration for two years. Supporters of the measure are hopeful of passing it today.
