### KEAN ELECTED GRAND MASTER OF INDIANA ODD FELLOWS.

HON. HORACE M. KEAN.  
New Grand Lodge Building Dedicated. Grand Master Remembers His Friends. Rev. F. L. Priest, Hon. Harry Carpenter and Hon. Samuel E. Dillin on his Staff of Appointed Officers. Dubois County Well Represented at the Dedication Ceremonies

Horace M. Kean, of this place, a member of Shiloh Lodge at Ireland, was on Thursday of this week elected and installed Grand Master of the Grand Lodge of Odd Fellows of this state at Indianapolis, Ind. He is perhaps the first Odd Fellow in Indiana belonging to a little country lodge with a membership of less than fifty, who was ever elected to this high office in this state. He is proud of the honor and so are his friends who helped him secure it.

He certainly remembered the men at home who aided and assisted him in securing the place. Among those he selected to help him in carrying on this great work are the following able and well known men of this section of Indiana:

Rev. F. L. Priest, formerly pastor here, now of Evansville, but still a member of the Odd Fellow's Lodge at Huntingburg, was appointed Grand Chaplain the highest appointive office in the Grand Lodge. Quite an honor to the local lodge here as well as to Rev. Priest. Hon. Samuel E. Dillin, of Petersburg was appointed Grand Conductor. Hon. Harry Carpenter, of Owell, Grand Guardian, and Eppie Reiley, of Loogootee, Grand Herald.

All of these appointees are representative men of this part of Indiana, all are good speakers and enthusiastic Odd Fellows who will doubtless get busy doing something for the spread of Odd Fellowship in this part of the state.

Rushville, Aurora, Shelby and Terre Haute were also honored with appointive officers.

The I. O. O. F. Grand Lodge Building at Indianapolis was dedicated Wednesday afternoon at 3:30 o'clock. The dedicatory address was delivered that night in Tomlinson Hall by Grand Sire John L. Nolen, of Tennessee. The grand torchlight parade at night immediately preceding the dedicatory address, was the greatest event of the kind ever witnessed in the capital city of this state.

The new Grand Lodge building just dedicated is the most modern building of the kind in this part of the Union and is the highest in Indiana, being 205 feet, or 14 stories high, and is absolutely fire-proof. The exterior of the building is Bedford stone, the interior solid mahogany, white Italian marble and imported Parana and Breche violet marble. Polished plate glass are in all windows; furnishings, mahogany and leather; messenger and telephone and telegraph service complete; hot, cold and drinking water in each room from a well 344 feet deep; the auditorium and balcony contain 1,201 leather

opera chairs. Approximate cost of building \$555,000.00.

Eleven of the fourteen floors are for business and office purposes. The ground floor is rented at \$25,000 per year and at this time 70 per cent. of the building is rented and occupied.

### Indiana Speakership Now a Political Topic.

### Democrats Cast About for a Presiding Officer.

Another new name mentioned in connection with the speakership yesterday was that of Representative Coble, of Pike and Dubois counties. Coble himself said that he would seek the honor. The coming session will make his third term in the Legislature. Coble has stood for his party's principles, and during the special session was one of the strong foes of county local option. His enthusiasm carried him so far that, during an intermission in the House one day, he objected to a minister who was preaching local option from a desk, and it required the efforts of the Capitol police to prevent trouble.

### HOUSEHOLD WORRIES.

#### There is Not the Slightest Need for Some of Them Existing in Jasper.

The average mother finds sufficient anxiety and worry performing the ordinary duties in the rearing of a family, but the cares and anxiety are doubled when there is added to ordinary conditions that of weakened kidneys in a juvenile member of the family. How to care it should be of untold value to Jasper mothers. Read this:

Mrs. William Taber, living in Smokey Hollow, Jasper, Ind., says: "We have used Doan's Kidney Pills in our family and can recommend them. For children afflicted with non-retention of the kidney secretions they cannot be cured. I had a child that caused me no end of worry on this account. I hoped he would out grow the trouble but she did not, and I feared it would result seriously. Nothing I could get did the least good until I heard about Doan's Kidney Pills and procured them at Flick & Pfau's drug-store. They quickly checked the trouble and the child is permanently cured."

### Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle Home of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
