Get This Out and Talk With You.

A man often forgets the name of
the article he wishes to purchase, and as
a last resort takes something else instead.
That is always disappointing and unsatisfactory.
The safe way is to cut this out
and take it with you as a guide to make
sure of getting Chamberlain's Tablets.
You will find nothing quite so satisfactory
for constipation and indigestion.

Mrs. John G. Weyer, and Mr.
and Mrs. Lee Kippenbrock and
family of Ferdinand, and Mrs.
Urban Leubbenhausen and
children of Terre Haute visit
relative and friends at Jasper,
and Ireland Sunday.

She Feels Fine Now.

Your kidneys need help if your hands
or feet are swollen and there is a puffy
look under the eyes. Mrs. L. Gibson,
12th and Edison St., La Junta, Colo.
writes: "My kidneys gave me a great
deal of trouble for some time. I took
Foley Kidney Pills and they help me
right away. There is such a change in
me I feel fine now."

Sold by Joseph A. Mehringer.

Louis J. Gasser and family left
Thursday night for their home
in Denver, Colorado. He is mov-
ing to a mighty fine town and we
them all success in their new
home.

Grandmother Knows What's Good.

Mrs. V. M. Katz, 502 Armondale St.
N. S. Pittsburg, Pa. writes: "I used
Foley's Honey and Tar for my grandson
as he had a bad cold, and did him lots
of good. I used it a when my own
children were small." This old reliable
medicine helps coughs, colds, croup,
and whooping cough.

Sold by Joseph A. Mehringer.

Abe Martin hits the nail on
head when he says "Some fel-
low put up a good front and so
does a lot of third class restu-
rants." Front is about all there
is to 'em.

How to Destroy a Good Disposition.
Bad digestion will ruin the best dis-
position. If the word looks dark and
blue if you are generally "out of sort"
and feel stuffed up and uneasy, just
take a Foley Cathartic Tablet. Re-
lieves mean headache, biliousness, bloat-
ing, sour stomach, constipation and the
that follow disordered digestion.

Sold by Joseph A. Mehringer.

Montague Silver, the finest
street man and art grafter in the
West, says to me once in Little
Rock: "If you ever lose your
mind, Billy, and get too old to do
honest swindling among grown
men go to Jasper. In the West
a sucker is born every minute;
but in Jasper they appear in
chunks of roe—you can't count
'em!"

Ambition

TIRE MEN AND WOMEN
who "feel old before their time,"
who are languid, have no energy and
lack ambition—these are often sufferers
from kidney trouble.

Weak, overworked or diseased kidneys are
indicated by ambitionless, always tired, nervous
condition, by sallowness of skin and puffiness
under eyes, backache, stiff joints, sore muscles,
or rheumatic pains.

Foley Kidney Pills

get right at the cause of suffering and misery,
regulate the kidneys and bladder and restore to
sound and healthy condition.

N. R. Reese, Dublin, Ga., writes: "I want to
say I am better. Before I started to take Foley
Kidney Pills I could not turn over in the bed
had such severe pain in my back and hips. I
was so stiff I could not bend over and I had to
get up at night five to six times. By taking Foley
Kidney Pills I am up and able to go to work."

Best Remedy for Stomach Trouble.
"I am pleased to have the opportunity
to say a good word for Chamberlain's
Tablets," writes Mrs. Mamie Bertel of
Moberly, Mo. "I think they are the
best remedy for stomach troubles, bil-
iousness and constipation I have ever
used. I have taken them off and on for
two or three and they always relieve
indigestion, tone up the liver and make
me feel fine."

The Great Western Glove fac-
tory moved into their New build-
ing on 7th & Newton this week.
The Glove factory is one of the
most remarkable successes in
the town. Started just one year
ago it has grown every day until
new quarters were absolutely
necessary. In their New build-
ing they will have four times as
much floor space as before and
double the machines, and much
better working condition than at
their old quarters. Under F. X.
Sturms efficient management it
has been outstanding success of
the past year. And they pay
all their employees good wages
too. Best in town

Strike Off.

The furniture workers strike
has been officially declared off,

Booze is Not a Good Cure.

From the Ames Iowa Intelligencer.
When a man comes to you and is
up with pain and declares he will die in
your presence unless you procure him a
drink of whiskey, send him to a doctor
or else give him a dose of Chamberlain's
Colic and Diarrhoea Remedy. There is
a mistaken notion among a whole lot
of people that booze is the best remedy for
colic and stomach ache.

Great Fight.

We are told that Roman Haller
an employer of Schaaf and Schn-
aus last Saturday night. It seen
that Haller wanted to quit and
Schaaf would not give him a re-
lease so he could go to work in
another factory. So they got in
to a fight over the matter and it
is said that Haller broke one of
Schaaf's windows. The factory
owner is liable for a damage suit
and the Manufacturers to in-
dicement under U. S. laws for
maintaining a black list or so
called agreement not to employ
anybody who has been worked in

Catarrhal Deafness Cannot be Cured.

by local applications, as they cannot
reach the diseased portion, of the ear.
The only way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed con-
dition of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed
you have a rumbling sound or imperfect
hearing, and when it is entirely closed,
Deafness is the result, and unless the in-
flammation can be taken out and the
tube restored to its normal condition
hearing will be destroyed forever. Many
cases of deafness are caused by Catarrh
which is an inflamed condition of the
mucous surfaces. Hall's Catarrh Cure
acts through the blood on the mucous
surfaces of the system.

We will give One Hundred Dollars for
any case of Catarrhal Deafness that can
not be cured by Hall's Catarrh Cure.

JAPAN IS READY TO TAKE STAND FOR NEW ORDER

Dr. J. H. Scott Predicts Great
Future Under Leadership of
Young Christians.

MILLIONS FOR NEW SCHOOLS.

Baptists to Spend Huge Sum to Give
Christian Training to Young Men
and Women of Japan.

Religious leaders in America are
watching with interest the struggle
going on in Japan between the military
and the progressive parties, accord-
ing to Dr. J. H. Scott, of the American
Baptist Foreign Mission Society who
is preparing to return to Japan after a
year's furlough. For twenty-seven
years Dr. Scott has been in the Flow-
ery Kingdom and it is partly on his
recommendation that the Baptists
have decided to spend a million and
a half dollars there between now and
April 1924.

Over \$200,000 will be invested in the
Mable Memorial School at Yokohama,
while \$400,000 will go to the Christian
college at the same place. Practically
every dollar of the appropriation for
Japan will be used for educational pur-
poses except \$50,000 set apart for fif-
teen church buildings.

In the present cabinet, largely made
up of progressives, Dr. Scott sees the
final overthrow of autocracy and mili-
tarism. Old policies are giving way in
the face of the modern ideas of the
young men and women of Japan,
many of whom are Christians, educated
in the Christian colleges that have
sprung up in Japan within the last
fifty years, he says.

"We owe to this progressive anti-
militaristic party our strongest moral
support, and every assistance to the
mission effort in Japan will be a direct
contribution to the cause of peace and
hasten the coming of the day when the
military spirit and the autocratic pol-
icy will be no more," said Dr. Scott.

"Japan will lead the Far East in com-
merce, industry and invention as well
as in education and art," he added,
"but there is a still greater mission
for Japan and that is as a leader in
the principles of truth, liberty and
righteousness. Not many years ago
she was in the grip of a despotic
feudal system. She had a cruel caste
system under which the man of lower
caste had no more rights than a dog.
That has been done away with. Her
people once had no religious rights and
her women once were mere chattels.
Wonderful reforms have been accom-
plished but none more pronounced
than the granting of religious freedom
to the people and the recognition of
women as equals with men."

According to Dr. Scott, Japan has
been unable to build schools fast
enough. Ninety-seven per cent of the
children of school age are being edu-
cated. Industrial schools have opened
and yearly turn out hundreds of grad-
uates. In Osaka more than 2,000 girls
were graduated last year.

Between strikes the public comes
up for air.

out or lock-out.
