

OLD-TIME COLD CURE— DRINK HOT-TEA!

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Liniment

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Liniment" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Liniment" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 30-cent bottle of old-time, honest "St. Jacobs Liniment" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

DRINK MORE WATER IF KIDNEYS BOTHER

Eat less meat and take Salts for Backache or Bladder trouble—Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water, also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

COMB SAGE-TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of a few ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray air disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

The Unwitting Jester.
Here are some gem answers to questions put in recent history examination in a large private school:

"Simon de Montfort formed what was known as the 'parliament.' It was something the same as it is at the present day."
"Cromwell raised a famous body of soldiers known to history as 'the Ironclads.'"
"Mortmain tried to stop dead men from leaving their land to churches."—London Tatler.

"Sure, that's right, Mrs. Clancy. He's a night watchman."—New York World.

New Seminoles Bury Their Dead. Seminoles bury their dead on top of the ground after wrapping them in blankets, but always leave the top of the head exposed. They build a pen over the body and usually chain it with earth. When his squaw dies the husband wears his shirt until it rots off, which is not strikingly distinctive. When the husband dies the squaw doesn't comb her hair for three months. Little reverence is shown for the dead. When Tom Tiger's grave was robbed and his bones taken for exhibition the outcry over the desecration was almost wholly a newspaper affair. The nearest settlers were unalarmed at the Indians' indifference. — Collier's.

FIERY ITCHING SKIN IS QUICKLY SOOTHEE WITH THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up.

A small jar of Mentho-Sulphur may be had at any good drug store.

GIRLS! YOU CAN LIFT THEM OFF

Doesn't hurt a bit to lift your sore, touchy corns right out

A noted Cincinnati authority discovered a new ether compound and called it freezone and a quarter ounce of it now can be had for a few cents at any drug store.

You simply apply a few drops of this magic freezone upon a tender corn or painful callus and instantly the soreness disappears, then shortly you will find the corn or callus so loose that you can lift it off with the fingers.

You feel no pain, not a particle of soreness, either when applying freezone or afterwards, and it doesn't even irritate the skin.

Hard corns, soft corns or corns between the toes, also toughened calluses, just shrivel up and lift off so easy. It is wonderful! It works like a charm. Try it!

Women should keep it on their dressers and never let a corn ache twice.

GOOD WILL ONLY DIVIDENDS FROM SALVATION STORE

A RELIEF SUPPLY DEPOT MENDING GARMENTS

No; the Salvation Army has not gone into the wholesale grocery business. The picture shows merely one of the Army's relief stations. It is just like scores of others scattered through the cities and towns of the country at strategic points where quick relief can be given in emergency cases.

Not limited in their stock to groceries only, these Salvation Army relief depots carry clothing, underwear and other necessities for men, women and children. It is the aim to have at hand for immediate distribution food and clothing for any kind of a case of need. More than 700,000 destitute persons were served temporary relief from these stations last year.

And Salvation Army relief depots. It is systematic as well as sensible. The industrial department gears neatly with the relief department. In the industrial homes the broken down

Nippon Has Its Salvation Lassies, Too

East may be East and West may be West, but the twin meet under the colors of the Salvation Army.

Here one sees evidence of the Army's labors in the "Cherry Blossom" land of Japan. The color of the skin or the slant of the eyes of these Salvation Army officers makes no difference in their purpose and endeavor. The men wear the same uniforms as

their western brothers, but the women have adapted the Army's garb to the kimono robes of their native land.

The pictures give testimony to the work of the Salvation Army in but one of the 66 countries in which that organization has its posts, and Japanese is only one of 40 languages spoken by those who wear the uniform in these scattered lands.
