FRESHIES HOLD THE FORT.

Greencastle, Oct. 5.—The annual freshmen-sophomore class scrap was held as a curtain raiser before the game. A flag bearing the numerals of the freshmen class, 1911, was nailed to a post some six feet high on the center of the field and was surrounded by some two hundred and fifty freshmen. Something like two hundred sophomores charged the flag and for twenty minutes a fierce battle raged. But the sophomores were unable to dislodge it and at the end of the prescribed twenty minutes the freshmen were yet in possession.

This scrap was of great interest to the De Pauw visitors who are allowed no class scraps of any kind.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional remedy. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
