POSTOFFICE IS LOOTED

Thieves Make Away With Small Amount of Plunder at Griffith.

Griffith, Oct. 24.—(Special)—The postoffice was broken into last night in this town and after turning everything upside down in a search for plunder, the thieves departed with about 100 stamps and \$5 in money. The robbery occurred some time after midnight and it is thought that the affair had been planned beforehand and was the work of a gang of crooks who are traveling through Indiana for the purpose of looting postoffices and banks in the country towns. Three men were seen loafing about the town all day and they paid frequent visits to the postoffice on unimportant errands.

When Postmaster Alice went to the office this morning he found that the lock on the door had been pried open and entrance gained in this manner. He soon found that the thieves had broken into the cash drawer, ransacked the various compartments, and scattered the mail about in an effort to secure more plunder. The matter was reported to Sheriff Carter and the Hammond police have been asked to search for the suspected men.

KELMAN MAKES GOOD.

Prices C. C. F. and C. C. L. By Work in Connection With Moving Hall.

St. John, Ind., Oct. 24.—W. F. Kellman, the real estate dealer who met such vigorous objections when he proposed the moving of the Catholic Foresters' and Catholic Columbian League hall from its former site to an adjoining site in order that he might open a new subdivision, it putting the finishing touches on the foundation work on the new hall site. In moving the hall Mr. Kellman has fully complied with the provisions of his contract and has in some instances improved upon the terms.

The hall now stands on a larger lot, which was given in exchange for the old one, concrete foundations and a sidewalk with approaches from three sides have been provided, and are an improvement over the old ones. In addition Mr. Kellman has added a sub-

stantial coal shed.

Although the opposition was strong in the beginning to the removal, on account of the belief that the hall owners would be the losers, the latter are pleased with Mr. Kellman's more than fulfillment of his promises.

BETTER THAN MEDICINE.

Breathe Hyomel's Tonic Healing and be Cured of Catarrh.

Nature has a remedy for catarrh, a treatment that is far better than dosing the stomach with medicine.

It is the healing oils and balsams of Hyomel which medicate the air you breath, reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs, and restoring health to the mucous membrane.

Using Hyomel you are treating your catarrhal troubles with the only natural remedy, for it gives a curative air bath to the air passages that has a powerful healing and antiseptic effect as that found in the mountains where the pine forests give off their fragrant and healing balsams.

Breathe the invigorating and healing Hyomel, and see how quickly you will get relief from your catarrhal troubles.

Summers Pharmacy has seen

so many cures, even of the worst cases of catarrh, with offensive breath, racking of mucus, frequent sneezing, droppings in the throat and spasmodic coughing, that they feel warranted in selling Hyomel under an absolute guarantee to refund the money if it does not do all that is claimed for it. They take all the risk.
