A GOOD REASON.

Hammond People Can Tell You Why It Is So.

Doan's Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy straightens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headache and distressing kidney and urinary complaints. Hammond people testify to permanent cures.

Mrs. Charles Rogers, of 539 Truman avenue, Hammond, Ind., says: "I could continually praise Doan's Kidney Pills and then only partially express the gratitude I feel toward them for the great good they have done my husband. He took several boxes of Doan's Kidney Pills for kidney disease and they have effected a complete cure. He had suffered for a long time before taking them, with severe backaches and a soreness across the small of the back and over the kidneys. He also found it very trying to attend to his daily duties. It was difficult for him to carry his body in an erect position as the muscles of his back were contracted and this caused him to stoop. His kidneys were also greatly disordered, was easily tired and lacked ambition. He procured Doan's Kidney Pills at Bicknell & Co's. drug store and after he had taken half a box I noticed that he was greatly improved. He persevered in the use of Doan's Kidney Pills and after taking three boxes, was a well man. Therefore, I willingly endorse them for their wonderful merits."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

TERRIBLE LIQUOR CRAVING

How Orrine Destroys All Desire for Whiskey and Beer.

The terrible craving for liquor is a symptom of disease and to overcome it, the disease itself should be treated in a scientific way. When one has used whiskey, beer or other stimulants for a long time, the nerve cells have become accustomed to the effects of the stimulants and demand liquor in order to perform their duties. If the craving for liquor will be destroyed, it is in this way that Orrine cures alcoholism, by supplying to the nerve cells the strength needed, thus destroying the desire for liquor. It eradicates every particle of the terrible liquor craving, imparts new strength and vigor to the whole system, and restores the general health. Treatise on "Drunkennes," free on request. The Orrine Co., Washington, D. C.

So successful has Orrine been that in every box is a registered guarantee. No. 2 in pill form for those who desire to be cured. Either form costs \$1 per box, and both are sold under the liberal guarantee that your money will be refunded if Orrine fails to cure. Orrine is for sale by Lion Store Pharmacy, Hammond, Ind.
