

## HERE AND THERE IN THE CALUMET REGION

### SOUTH END WOMAN'S CLUB HOLDS LARGE MEETING.

Elaborate Program Rendered After Which Delightful Lunch Is Served.

One of the largest meetings ever held by the South End Woman's club was held yesterday afternoon at their club rooms, 8951 Superior avenue. Long before the meeting was scheduled to begin the members began arriving in such numbers that by 3 o'clock the South End Center was crowded. An elaborate program was rendered after which a delightful lunch was served in the banquet room. The meeting was a success from every standpoint and the members look forward to many more such meetings. The program:

### SURPRISE THEIR FRIENDS BY MARRIAGE AT DULUTH.

Friends of Parkside Couple in Turn Treat Latter to Surprises in Nature of Kitchen Shower.

Friends of Miss Harriet Baker and Harvey Tolman were surprised to learn yesterday that the young couple had been married over a week ago at Duluth, Minn., by the Rev. H. L. Hartley of the First Methodist church.

Miss Baker and Mrs. Tolman both reside in Parkside where they are well known and have many friends. Mr. Tolman has been attentive to Miss Baker for three years. Now that the news is out the young couple will leave for an extended wedding tour through the south where Mr. Tolman has many friends. The young couple were surprised at the bride's home last night when nearly forty friends gathered to give them a kitchen shower. The newly married couple were the recipients of many presents.

### LAKE NAVIGATION TO OPEN UP ON APRIL 25.

Broker Sullivan Expects Decrease of Lake Traffic This Season.

Lake navigation will open up the twenty-fifth of this month, according to an interview yesterday with Arthur Sullivan of the firm of D. Sullivan & Co., steamboat brokers down town. In speaking of the navigation season this year Mr. Sullivan said that naturally there would be quite a decrease in the business this year, but that he did not think it would drop below 25 per cent of that of last year.

Already a number of insurance companies have taken out their insurance on the different boats and the tramp steamers are beginning their trip from Chicago to Duluth.

Several boats lying in the South Chi-

cago docks have fired up their engines preparatory to going out next week.

### Good Friday Observed.

Good Friday was well observed throughout South Chicago. In the Catholic and Episcopal churches the organs and chimes have been silenced and will remain so until Easter Sunday—tomorrow. The day was also observed in the usual fashion by serving Red Cross hot buns and eliminating meat from the usual bill of fare. The public schools throughout South Chicago were closed yesterday and there will be no school until Monday. There was no mass observed in the Catholic churches today. Good Friday is the only day on their church calendar that is omitted. Morning services were held yesterday in all of the Episcopal churches.

### Child Falls in Sewer.

Officer Frank Gormely of the Fifteenth precinct earned for himself early this morning the undying gratitude of 3-year-old Mary Abramovitch of 8611 Ontario avenue when he pulled her from an eight foot sewer at Eighty-sixth street and Ontario avenue into which she had fallen while at play. The sewer is just under construction and holds considerable water at present, enough to have drowned the youngster if the policeman had not been there on time for the rescue.

### Oh Patrick, Oh Joy!

Officer Waters of the Fifteenth precinct has been transferred to the Central station where his perfect figure admits him to the recently organized beauty squad.

### Sent to Parental Home.

Joseph Bishop and Joseph Sapunza, each 13 years old and pupils in the Galilei and Wheeler schools respectively, were sent to the Parental home yesterday by Judge Tuthill of the juvenile court. Both were inveterate

truant and when in school defied their teachers to enforce the school discipline.

### Want Park Fixed Up.

Park baseball being the only sport in sight for the South Chicago fans this year, the fans are circulating a petition to be forwarded to the South Park Commissioners asking them to cover the Bessemer Park field with torpedo sand and to erect a screen backdrop. Work is now in progress by which the field is being covered with lime stone and gravel walks, which would ruin the baseball grounds. The petition is finding ready signers and the fans are confident that they will gain their point.

### Ranchman Visits South Chicago.

G. Thomas Hutchinson, a well known western ranchman, was in South Chicago yesterday afternoon looking over the city and shaking hands with some of his friends. Hutchinson is a large ranchman in Nebraska where he owns several small ranches. Mr. Hutchinson frequently comes into Chicago with his cattle and nearly always takes a run down to South Chicago to see friends here.

### Another Street Car Accident.

Henry Lang, living at 6740 Lexington avenue, was the victim of a serious accident yesterday afternoon when he fell off the platform of a rapidly moving street car at Seventy-ninth street and Stony Island avenue. When he fell his left arm was thrown around his back and when he fell he broke it. He was at once taken to the nearby drug store where his arm was set and he was taken to the County hospital. Lang is single and lived with his sister at the above address.

### Run over By Street Car.

George Hammon, 5 years old, living at 11387 Perry avenue, was probably seriously injured when he was run over by a street car at One Hundred and Nineteenth street and Perry avenue. He was in the act of crossing the street in front of a west-bound car when he did not see an east-bound car and was hit. He was taken to the hospital where he is in a serious condition. His legs were crushed, but it is thought that they will not have to be amputated.

### Remodels Office Interior.

R. E. E. Brooks, a prominent real estate dealer on the East Side is remodeling the interior of his office which will greatly improve the looks as well as giving him more room. Mr. Brooks stated yesterday that the real estate business on the East Side was going along fine and that he for one had nothing against the volume of business so far.

### MISSING FROM HIS HOME SINCE SATURDAY.

Charles Taylor, living with his mother at Eighty-ninth street and Cottage Grove avenue, is missing from his home since Saturday night. Taylor is 27 years old and has no bad habits, and his mother does not know of any trouble why he should leave home.

### Assessor to Make Office Here.

County Assessor Walter Schmidt of South Chicago will open up headquarters Monday in the Lincoln building where tax-payers may pay their taxes without making a trip down town. Mr. Schmidt will be at his South Chicago office evenings.

### Attend Pool Tournament.

A large number of local fans will journey down town this evening to witness the pool tournament between Heuston and DeGra, one a present champion and the other one an ex-champ. In all it is expected that fully twenty people will attend the series this evening.
