THREW LAST CHANCE, MAYBE!

Cincinnati, Sept. 30.—Chicago broke in the ninth inning today and threw away the game, and perhaps the pennant. With the score 5 to 3 in their favor, Overall weakened and, aided by luck, the reds grabbed an eleventh-hour victory by a score of 6 to 5 and shoved the champions from first place down into third.

The cubs tonight refuse to admit defeat and still are trying to whittle up hopes, but it looks as if the unexpected turn of the wheel has put them out of the race for the pennant for good unless New York and Pittsburg both slip. The defeat, coming at the moment when victory seemed sure, was the

a knockout blow to Chance and his men, and they are desperate. They lost the game through carelessness, coupled with the luck of baseball.

## HOPE FOR FIRST PLACE.

Those white sox will sail forth to Cleveland tonight. They hope to sail home Sunday in first place. They put in a sad afternoon yesterday grouped around tickers to pull for Washington to beat Detroit and the Athletics to beat Cleveland. The pulling availed nothing, for both of the leading teams own and the sox find themselves this morning a game and a half behind the tigers, who hold first place by half a game margin over Cleveland.

## ONLY POSTS \$500 TO FIGHT AD WOLGAST.

Kenosha Boy Would Meet Milwaukee in 45-Round Go.

Frank Conley, the Kenosha bantamweight, has posted a forfeit of \$500 to meet Ad Wolgast in a forty-five-round go on the coast. Conley has held Wolgast even in a shorter bout and thinks he can whip the conqueror of Webster in a long battle. The Kenosha boy is hopeful that one of the coast promoters will make the match between him and the Milwaukeean.

## LASKER RETAINS CHESS TITLE.

New York Master Defeats Tarrasch in the Deciding Game.

Muncie, Sept. 30.—Emanuel Lasker of New York retains his title as chess champion of the world. Today he won with surprising rapidity the sixteenth and last game in his contest against Dr. Tarrasch of Nuremberg. Of the sixteen games played Tarrasch won three, and five games were drawn. Dr. Tarrasch played the white today and opened with a Ruy Lopez, which, however, developed into the four knights' game. There was something of a struggle on the queen's side, but the Nuremberg master was finally forced to sacrifice a rook, and this cost him the game and the match.

## YOST ORDERS TERRIFIC PACE.

"Hurry-Up" Coach Drives Wolverine Squad in Fast Workout.

Ann Arbor, Mich., Sept. 30.—Fifty minutes of practice, four touchdowns for the regulars and half as many for the constantly changing squad of scrubs, describes the story of the first afternoon of scrimmage. More scrubs appeared this afternoon, and when workout started there were over sixty men in uniform. There was little preliminary work before Coach Yost hustled the green men into their places, and the regulars were battling their opponents of the year. In the first ten minutes of play "Pat" Gamble went

down and out at left and with an injury to his knee and had to be carried to the "gym" in an automobile.

## JEFFRIES WANTS \$5,000.

Asks for That Sum to Referee Burns-Johnson Fight in Australia.

Los Angeles, Cal., Sept. 30.—James J.

Jeffries, retired heavyweight champion of the world, has been asked to referee the fight between Tommy Burns, active holder of the title, and Jack Johnson, which is scheduled to be held at Sydney, Australia, late in November. In answering Jeff said today that he would act as referee provided his terms are complied with. Jeff's terms are that he be paid \$5,000 for his services and receive his transportation expenses. This is more than Jack Johnson is offered by a syndicate of English sportsmen for a fight with Tommy Burns in England, and more than he is guaranteed for the coming fight.

## OWEN GETS THE DECISION.

San Francisco, Cal., Sept. 30.—Owen Moran, the English feather-weight, was given the decision over Eddie Hanlon, a light-weight, after twenty rounds of fighting hero tonight. Despite the disparity of eight pounds in favor of the Californian, Moran had the better of the fight from start to finish, and in only one round did Hanlon have the advantage.

## FOOTBALL RESULTS YESTERDAY.

## UMPIRE PROSECUTES CANTWELL.

Attorney Surrenders Under Warrant for Assault on Kerin.

A warrant for the arrest of Attorney Robert E. Cantwell, charging him with assault, was sworn out yesterday before Municipal Judge Gemmill by John Kerin, the American League baseball umpire, who was attacked at the game between the white sox and Bostons last Monday because of a decision he rendered.

Cantwell, accompanied by Alderman Kenna, surrendered himself at the Harrison street station soon after the warrant was issued. He was released on bonds of \$700, which were signed by Alderman Kenna.

It is alleged that, angered over the decision given by Kerin, he struck the umpire in the face. Kerin appeared in court with a plaster across the bridge of his nose.

Cantwell is under indictment on charge of subornation of perjury, with James Moosand and H. H. Stridiron, as the result of alleged exposures of perjured testimony in the recent Chinese murder trial in the Criminal court.

## WILL PLAY FOR CHAMPIONSHIP.

The Joe Long Colts play the Boilermakers Sunday, Oct. 4, 2:30 p. m., at the Ninth Side baseball park. This

game will decide the championship of the city of Hammond for the season of 1908 and a very large crowd is expected out to witness it. The Colts have defeated every team in the city that would play them, and the Boilermakers have held their own with all the teams they have met, so this should prove a very interesting game to the Hammond fans. The Boilermakers have been strengthened of late having secured several new men who play a very fast game and they are expected to give the Colts their hands full to win.

## WHITE LOWERS WORLD'S MARK.

Steamer Auto Goes Five Miles on Flat Track at Helena in 4:54.

Helena, Mont., Sept. 30.—The world's automobile record for five miles on a flat circular track was lowered here today and in the five furlong event Booger Red equalled the world's record.

A White Steamer, bullet-shaped and built especially for the Montana state fair events for C. M. Baird, a wealthy Billings sheep man, defeated its Stanley competitor, owned by W. G. Conrad, and hung up a new record of 4:45, the previous mark being 4:58, made at Empire City by Webb Jay on June 26, 1905.

In the running event Booger Red, owned by J. H. Brannon of Oakland, Cal., nosed out Native Son in the last jump, and incidentally equalled the world's record of 0:58 1/2. The animal was ridden to perfection by Jockey Miller, also a California lad, who judged his position with great accuracy coming into the stretch in third place.

## TO GIVE BOND FOR AUTO RACE.

Mineola, L. I., Sept. 30.—Following the notice of yesterday by the board of supervisors of Nassau county that unless the promoters of the Vanderbilt cup race immediately filed an indemnity bond, permission to hold the Vanderbilt cup races would be revoked, it was announced today that the required bonds will be filed tomorrow. They will be two in number and of \$25,000 each, and later will be replaced by a \$100,000 bond from the Lloyds.

## SPORTING BRIEFS.

Jim Stewart and Sandy Ferguson, "the bad boy of Chelsea," are to meet in a bout in New York Oct. 8.

The Philadelphia Nationals have it on the Chicago Cubs to the tune of 13 games to 5 for the season.

Articles have been signed for a bout between Cy Flynn and Tom Crawford to take place at Oh City Oct. 5.

Jim Driscoll, the featherweight champion of England and Australia, has arrived in New York and is looking for bouts with some of the little fighters.

The season of the California State league is the longest of any organization in the country, beginning March 28 and continuing to Nov. 15. But games are played only twice a week, Friday and Saturday.
