CROWN POINT NEWS

It Was a Great Night.

Six coaches on a special train chartered by the Center township Republican club took the Crown Point delegation to the Watson rally in Hammond on Saturday night, leaving here at 6:30 and arriving about midnight. It would be hard to describe the enthusiasm displayed by the delegation, and the rally at Hammond was all on a big order, with a great big "B" at the big crowd, a big and well managed street parade, in which about 200 Center township republicans marched and lent enthusiasm to the political gathering, a tent with a seating capacity of 3,000 souls packed to the guy ropes, with a multitude of people unable to get inside, scarcely augurs the great success which is to attend the republican party at the polls on Nov. 3 and the alleged attempts of certain papers and people to discredit the affair and charge insufficient advertising and knowledge of the Watson rally, was sadly and badly punctured, and they have every reason today to realize the light they have placed themselves in, and if their charges are true, they can well wonder as to what the magnitude of the gathering would have been had the affair been properly advertised, which they claim was not. Center township is laughing in its boots today over the article, which appeared in a certain Hammond paper, and every republican who attended the great gathering is entirely satisfied with the entire evening's program from start to finish and with one or two more crowds, throughout the county, like that which gathered at Hammond on Saturday night there will be no question of the rolling up of the biggest republican majority that was ever polled in Lake county. Garfield's speech was a masterpiece, punctuating the democratic dope and doctrine until there was nothing left but the collapsed fabric, but Watson's oration was the best and most convincing speech that was ever delivered from a political platform in Lake county with no exceptions, the Peerless One included, and the way in which "Jim" held that mighty throng, swaying them to and fro with his convincing and telling arguments, his satirical thrusts at the democratic leader in his world search for new policies and issues after his party and his people had turned down all that he has previously advocated was funny in the extreme. Certainly Jim Watson made a hit and more certain can he draw a crowd from one end of the county to the other, whenever and wherever he honors any locality by his presence.

NOTES.

Question—Are Lake county republicans feeling somewhat jubilant today?

Answer—Yes. Somewhat jubilant, thank you.

Crown Pointers and Center township republicans had several holes burned in their "Sunday best" by the redfire on Saturday night, but they are taking the matter good naturedly and consider it all in the political game and for a good cause.

Center township received the congratulations of the north township republicans in its fire showing and efforts to make the big rally the success it proved to be and are promised big returns on their big "Watson day" rally and barbecue on Oct. 17, which lasts the entire day and evening.

And by the way every citizen in Lake county, be he democrat, republican, prohibitionist, socialist, independent or mugwump, are invited to the big affair with the assurance that "Jim" Watson will make it worth your while.

Don't know whether they were happy or not.

The committees in charge will do the rest.

Making Good.

There is no way of making lasting friends like "Making Good" and Doctor Pierce's medicines well exemplify this, and their friends, after more than two decades of popularity, are numbered by the hundreds of thousands. They have "made good" and they have not made drunkards.

A good, honest, square-deal medicine of known composition, Dr. Pierce's Medical Discovery. It still enjoys an immense sale, while most of the preparations that have come into prominence in the earlier period of its popularity have "gone by the board" and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest, hence it has survived and grown in popular favor, while scores of less meritorious articles have suddenly flashed into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, loss of appetite, nervousness, with distress after eating, nervousness and debility, nothing is so good as Dr. Pierce's Golden Medical Discovery. It is an honest, square-deal medicine with all its ingredients printed on bottle-wrapper—no secret, no hocus-peculiar humbug, therefore don't accept of substitutes that the dealer may possibly make a little bigger profit. Insist on your right to have what you call for.

Don't buy Dr. Pierce's Favorite Prescription expecting it to prove a "cure-all." It is only advised for women's special ailments. It makes weak women strong and sick women well. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over two decades ago. As an invigorating tonic and strengthening nerve it is unequalled. It won't satisfy those who want "boozes," for there is not a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the original Little Liver Pills, although the first pill of their kind in the market, still lead, and when once tried are ever afterwards in favor. Easy to take as candy—one to three a dose. Much imitated but never equaled.

Game Is a Tie.

The football game Saturday between the Crown Point high school football team and the East Chicago Pei Mu's resulted in a tie, neither team being able to score. Crown Point's goal was threatened many times, but they braced up on their twenty-yard line and repeatedly held their heavier opponents for downs. The East Chicago aggregation weighed about fifteen pounds heavier to a man than the local team. Owing to the inability of Ralph Young, Crown Point's crack fullback, to finish the game, he being retired in the last half, the local team were placed at a great disadvantage and the probability of their scoring was appreciably lessened. Crown Point high will play the Chicago Heights high school team at their grounds near the old fair grounds on next Saturday.

The warm pleasant weather of yesterday brought a large number of automobilists from distant places and the streets of Crown Point were dotted with the machines yesterday. Also the local enthusiasts took advantage of the weather and made trips to the surrounding towns, many going to Valparaiso, Gary, Hammond and Lowell on pleasure excursions.

The B. Z. baseball team of Chicago failed to make an appearance yesterday and no game was played at the local grounds. In consequence, the Crown Point team have no future games scheduled and in all probability their season for 1908 is closed. The team has played a good article of ball most of the season and their games have furnished amusement for many a Crown Point fan, who hope they will organize again for the 1909 season.

It is reported that Minor De Camp has sold his meat business and purchasing agency to John Wirtz who will conduct it in the future.

WHITING NEWS

Stir Over Light.

Migatz and Stieglitz, proprietors of the Hub department store, on One Hundred and Nineteenth street, were the most angry people in Whiting Saturday afternoon. The cause of the trouble was four arc lights being removed from their place of business by the local electrician of the D. D. G. and E. company.

The merchants have both gas and electric lights in their store, but were in the habit of using the electric lights only on the busiest days, such as Saturdays and pay days.

On last Saturday Mr. Stieglitz was alone with the store when the electrician came in and said he was ordered to remove the arc lights by the superintendent of the company.

Mr. Stieglitz objected most strenuously, but to no avail, as he made away with one light, while he was gone Mr. Hieglitz sent a hurry up call for his partner. Before Migatz arrived the electrician returned accompanied by his honor, Chief of Police Lawler.

The appearance of Lawler frightened Stieglitz, so thinking it better not to resist an officer he let the electrician proceed with the work of removing the three remaining lights.

Just as he made away with one light, while he was gone Mr. Hieglitz sent a hurry up call for his partner. Before Migatz arrived the electrician returned accompanied by his honor, Chief of Police Lawler.

The appearance of Lawler frightened Stieglitz, so thinking it better not to resist an officer he let the electrician proceed with the work of removing the three remaining lights.
