## Day's Grist in South Chicago

### REPUTATION OF OFFICER GROWS Apace WITH YEARS.

East Siders Think Very Much of Him—Keeps a Watchful Eye on Crossing and Is Responsible for Many Lives That Are Saved.

East Siders claim that Officer Jones, who is stationed at the One Hundredth street crossing, and has been for nearly two years, is one of the most vigilant officials in that territory.

His watchful eye, they assert, has saved not a few individuals from being injured at this hazardous crossing, and what is more, not a single accident has occurred at that particular place while he has been on duty.

This is the same Jones who captured "Weary Willie" that assaulted a 12-year-old school girl on the East Side some time ago.

### Father Swears Out Warrant.

A dog belonging to Barney Peterson, of South Chicago, yesterday bit the little daughter of Daniel Jones, of 9901 Exchange Avenue. The father swore out a warrant for the arrest of the owner of the dog, who, being brought into court this morning, promised to kill the animal immediately upon which he was released.

### Over-Heated Stove Causes Fire.

Fire, caused by an over-heated stove, last night threatened to destroy the one-story frame building at 8420 Buffalo Avenue, belonging to John Muscovich. It was occupied by the proprietor and Charles Shesko and his family. The damage is estimated at \$50.

### Foresters Give a Dance.

The German Foresters of South Chicago, gave a dance at Kavanaugh's hall, Ninetieth street and Commercial Avenue, last night which was attended by about 200 couples. Although it rained in the early part of the evening it did not stop the people from going.

### Season Nearing End.

The amateur baseball season is nearing an end and a number of good games have been booked for Sunday, which will probably end the season insofar as the south side fans are concerned, except, however, the coming interest in the championship games to be played for the Frank L. Chance cup for which the Alma maters, of South Chicago, are the strongest contenders.

The games for next Sunday follow: Cornell and Royal League, No. 2, at Seventy-eighth street and Cottage Grove Avenue.  
Cornell and Chicago Woodmen at Cottage Grove Avenue and Seventy-eighth street.  
Cheltenham Colts and Norwood Colts at Norwood, Ill.

Chicago Woodmen and Cheltenham Colts at Hamilton Park.

### Indoor Season Opens.

The indoor season opened at Bessemer Park last night. There will be regular classes for young men, between 16 and 20 years of age, also classes of men over 20 years of age. After the regular class work there will be ample time for team games, such as indoor baseball and basketball. Anyone wishing to join this class may register with the instructor, and upon registration will receive a locker. Instructor Sim is trying to make the winter season at Bessemer Park attractive to all South Chicagoans and one where much benefit may be derived in athletic work.

### Lad Sustains Smashed Foot.

John Mouters, 15 years old, residing at 10013 Avenue N, was injured while attempting to get on the rear end of a brewery wagon near One Hundredth street and the Lake Shore tracks, East Side. With a number of other boys on his return from school he attached himself to the vehicle only to have his foot severely mashed, and while no amputation will be necessary, it is none the less a painful injury. Dr. Tittel is attending him.

### SO. CHICAGO HIGH SCHOOL NOTES

Several pupils narrowly escaped being injured when the plaster ceiling of the bookkeeping room fell down. This is the second time the ceiling has fallen.

If Miss Darling would offer three prizes for the three persons having the least number of tardinesses recorded among them during the year, it is more than likely that Alan Kerr, Geo. Adams and Sam Stein would carry away the prizes.

Miss Ruth Dusan of the senior class, visited friends in Windsor Park yesterday.

When the bell doth ring,  
Sixteen teachers take the roll;  
Then to him not in on time,  
Down goes his name on the scroll.

The next morn their names are read;  
The Welsensburgs and Golda Lyke.  
And after school they all are led  
To study the lessons of learned Syke.

The management of the football team sent a letter to F. A. Haughton of Curtis high school, who is chairman of the faculty board, telling him that South Chicago could not play on enclosed grounds. The nearest enclosed grounds are Hand's park, situated at Sixty-seventh street and Stony Island Avenue, about three miles away from the school.

In a scrimmage yesterday afternoon the regulars ran up a score of 55 to 0. The line played fairly well but the work of the backs was ragged. The several forward passes that were tried were successful. Allan Ken gained fifteen to twenty yards each time. The back field was switched in the second half, but this change did not improve it very much, so that it is more than likely that the old lineup will be kept.

In a recent visit to Latonia, O., "Billy" promised a beautiful specimen of the fair sex, as well as an ardent admirer of the Detroit American League team, that if the sex lost the pennant hopes he would spend the following Sunday after the final game at the Little Ohio town. ## BIG CAR CATCHES FIRE

### Gar Car No. 4 Set Ablaze

### En Route to East Chicago.

East Chicago, Ind., Oct. 7.—Another example of the troubles of the C. L. S. & S. B. system was exemplified this morning when the large Gary car, known as No. 4, was put out of service for almost three hours, due to a defect in the electrical mechanism of the car. It was necessary to await the coming of the chief engineer from Michigan City before the damage could be repaired, delaying the traffic for that length of time.

The conductor and motorman reported that they had been experiencing trouble with the car all morning, but at 9 o'clock the roof of the car commenced to burn, large prongs of flame and electricity shot at least three feet into the air, and the immediate neighborhood of the electrical demonstration was filled with a sulphurous-smelling smoke. Passengers in the car were badly frightened and made a rush for the exits, fearing that the car was about to catch fire.

The company's fire extinguishers were used to put out the blaze on the top of the car, but the motorman was unable to locate the defect. Telephone communications with Michigan City were resorted to and the office at that place promised to send a man at once to East Chicago and repair the damage.

CLUB HOLDS POST-VACATION MEETING.

Congregational Church Members at East Chicago Are Nicely Entertained.

East Chicago, Ind., Oct. 7.—(Special)—The Congregational church held their first meeting after the summer vacation at the home of Mr. and Mrs. H. H. Poor of Magoun Avenue, last evening. Canine. "A Resume of the Summer's Important Events" by W. H. Daub, the report of the committee on by-laws by H. T. Fowler, and several selections of instrumental and vocal music, prepared and arranged by Manager Sidney Veaco. The evening was one of the most pleasant, as well as instructive, in the history of the organization, and throughout the evening, the delightful men of the host and hostess asserted itself. Refreshments were served at a late hour and the guests departed with the feeling that they had been well repaid by their brief respite after the day's toil.
