**THE SOX ARE GLAD.**

White Sox players took their station at ticker yesterday afternoon and saw the deathblow to their chances of playing a city series with the cubs. To a man they praised the great deed of the champions and forgot the loss of post-season coin in the exultation that Chicago has won another pennant.

In Comiskey's office on the top floor of the Marquette building the rooms were filled to suffocation with players and fans. Fielder Jones, Pitcher Walsh and White and Infielder Purtell made a semi-circle around the ticker and read off the returns as they came in. At the same time they watched the official ending of the American League season, Washington beating the highlanders at the senator's grounds.

But their real attention lay with the cub-giant battle. "You have to give it to those cubs," said Manager Jones. "They are a game lot. It took gameness to win that game with the hostile crowd ranged against them. Brown is a grand good pitcher, and I am glad to see him again demonstrate his prowess. Although my sympathies as an American League player make me want to see Detroit win, nevertheless as a Chicagoan I am also with the cubs. It's a stiff proposition."

**BADGERS TAKE SIGNAL WORK.**

Coach Barry Unwilling to Take Any Chances for Injuries.

Madison, Wis., Oct. 8.—Unwilling to take any chances of having any of his men injured before the first game of the season, Coach Barry confined the football practice at Wisconsin today to signal work, sending the team through a long drill to perfect its offensive work. As a result of the varsity's work in the first three days of scrimmage, the feeling is that Lawrence college will have a hard time making an impression on the line.

**SECONDS SCORE ON NOTRE DAME**

"Sugan Crosses Varsity Line in Fast Scrimmage Practice.

Notre Dame, Ind., Oct. 8.—The varsity won from the seconds in a thirty-five minute scrimmage this afternoon by 16 to 6. A dandy quarter kick followed by a perfect forward pass started the fireworks in the scoring line for the varsity. Vaughan going over for a touchdown on a ten-yard line plunge. The seconds scored their first points against the varsity this season when, after a number of lucrative end runs, McDonald crossed the goal line on a forward pass, skirting left end for eighteen yards.

## AUTOS ON ROUGH TRIP

**Apperson and Mason Cars Penalized on Third Leg of 1,000 Mile Contest.**

Another perfect score was shattered in the third leg of the motor club's 1,000-mile auto reliability which was run yesterday between Chicago and South Bend, the latest set of black marks going to the Apperson touring car, which is being driven by Nelson McLain. Mason entry No. 3 met with its third case of hard luck since the inauguration of the grind and in the examination following the return of the contestants was soaked and additional 63 points, swelling the total penalization to 156 points.

**Roads Aid Motorists.**

Indiana's boulevards afforded the contestants a great opportunity to hit it up, and fast time was made by each of the fifteen cars which started from Chicago at 4 o'clock in the morning. The route took the tourists through Crown Point, Valparaiso, Laporte, Plymouth and to South Bend, where lunch was served by the Studebaker company. Returning the motorists traveled through New Carlisle, Michigan City and Hammond, the entire route measuring 257.2 miles.

This is caused by the mixing of green coal with the old coal. The fire was extinguished before it did very much damage.
