**The Farmer's Wife**  
Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. It is not apparent then that if this stomach-churn is foul it makes foul all which is put into it? The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every taint or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood. If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia, and their attendant derangements. The best agents known to medical science for the cure of the above symptoms and conditions are attested by the writings of leading teachers and practitioners of all the several schools of medical practice, have been skillfully and harmoniously combined in Dr. Pierce's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will mail a postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.

CERTAIN RESULTS

Many a Hammond Citizen Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in Hammond. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical sufferer. Read the following statements:

Mrs. Nellie Shearer of 86 Plummer avenue, Hammond, Ind., says: "My son and I have both been benefited by the use of Doan's Kidney Pills. During the past year my kidneys have caused me much misery. I had severe pains through the small of my back and over my kidneys. The kidney secretions were frequent. I was bothered with headaches, did not rest well and was easily fatigued. After trying several remedies without them help, I took a friend's advice and bought a box of Doan's Kidney Pills at McKnight & Co.'s Drug store. I was surprised in a few days to notice an improvement in my condition and gradually became better until in a few weeks I regained my former good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
