CAUSES DEBILITY

Here Are Facts Backed Up By a Strong Guarantee.

Debility is caused by catarrh. In our opinion, a person free from catarrh was never troubled with debility. Debility can never be cured by medicine not designed to cure catarrh. We positively guarantee to cure catarrh, and thus cure debility. In every case where we fail to effect a cure, we will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We take all the risk; no one else can lose anything by the transaction.

We make these statements and this offer because we know and have time and again proved that Rexall Mucuo-Tone will cure catarrh. It is designed for that one particular purpose. It is not a cure-all prescribed to cure every disease that flesh is heir to. It is a specific. Rexall Mucuo-Tone is absorbed in the stomach and carried by the blood until it penetrates every part of the body, acting as an anti-septic, disinfecting, cleansing, soothing and healing agent. It rids the system of all germ and poisonous matter, purifies and enriches the blood, rebuilds the injured tissues, cleanses and invigorates the mucous cells, neutralizes the acids of the body, stops mucus discharge, tones up the entire system, promotes nutrition, increases body weight, and brings about a feeling of healthfulness that is lasting.

We have Rexall Mucuo-Tone in two sizes. Prices 50c and \$1.00. We urge you to try a bottle on our guarantee. Kaufman & Wolf, Hammond, Ind.

MAKES ASTONISHING CURES.

Mi-o-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back.

Dyspepsia cannot be cured by taking a digester, such as pepsin, because pepsin simply digests your food artificially, and not all of the food either, for it has no effect at all on starchy food, such as potatoes, rice, oatmeal, bread, etc.

There is just one way to cure dyspepsia and stomach disorders, trivial or serious, and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix and churn the food.

Mi-o-na Tablets cure stomach troubles by putting strength and energy into the stomach. They quickly arouse the stomach from its inaction, and in a short time it is able to do its work properly.

Mi-o-na is successfully used in vomiting of pregnancy, in car and sea sickness.

And bear in mind that when the stomach is in good condition, constipation disappears, also nervousness, drowsiness, night sweats, heartburn, etc.

Summers' Pharmacy, the druggists, sell Mi-o-na tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them, or money back.
