It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "river cough," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung disease (except consumption) accompanied with severe cough, is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College, Prof. Hare, of the Univ. of Iowa; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. It is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on receipt of address Dr. R. V. Pierce, Buffalo, N. Y.

The average mother finds sufficient assistance and worry rearing the ordinary duties in the rearing of a family, but the cares and anxiety are doubled where there is added to ordinary conditions that of weakened kidneys in a juvenile member of the family. How to cure it should be of untold value to Hammond mothers.

Read this: Mrs. William Newton, of 240 Plum avenue, Hammond, Ind., says: "My daughter, who is twelve years of age, was troubled for several years with weak kidneys and I wish to tell how grateful we are to Doan's Kidney Pills for the relief they brought. She had but little appetite, and from a healthy, happy child, became weak and puny in a short time, due to the suffering caused by this disease. After the first box of Doan's Kidney Pills, procured at Bicknell & Co's. drug store were taken we noticed that she was much brighter and stronger and we continued giving them to her until the disagreeable symptoms of this disease had entirely disappeared. She is now in excellent health."
