

# A DAY IN GARY LAND

## THEY PLAN A BIG BEVERIDGE MEETING.

A large number of republicans from Gary attended the republican rally and barbecue at Crown Point Saturday and also the rally at East Chicago in the evening. Owing to the poor transportation facilities to Crown Point there was not nearly as large a crowd as there was at East Chicago from Gary. They were all enthusiastic over the meeting and plan for an even greater one when Senator Beveridge comes to Gary.

## CONNECTIONS ARE TO BE MADE TONIGHT.

Water Tunnel Excites Much Interest In Gary Today.

The water tunnel being constructed for the Gary Heat, Light and Water company by the Great Lakes Dredge and Dock company will probably have two of its sections connected up by tonight. It was originally intended to have them meet last Tuesday, but the engineers decided to check up their lines so that if they found a variance the job could be put in the last hundred feet instead of having it sheer off if the edges did not come together. The result is watched with interest.

## HOLD A DEMOCRATIC MEETING AT CLARK.

Gary Democrats Visit Clark and Make Speeches.

A large democratic meeting was held Saturday night at Clark station and was largely attended by democrats of this city. Several of the Gary delegation made speeches at the meeting, among them being Mayor Knotts and C. J. Cooper. President Setton of the Gary Democratic club also addressed the gathering.

## COMMUTATION TICKETS BETWEEN GARY-HAMMOND.

Tickets on Interurban are Transferable and Good For Thirty Days.

The Chicago, Lake Shore & South Bend line started Saturday morning to sell 54-ride commutation tickets between Gary and Hammond. The price of the tickets are five dollars. The tickets are transferable and for the present they will be good for only thirty days although Manager Wallace is considering the extension of time.

## PREPARING FOR A BIG COON HUNT THIS FALL.

Charles Flagg Will Invite the Attorneys of Gary to a Big Hunt.

Assistant Prosecuting Attorney Chas. Flagg is preparing to have a coon hunt some time this fall, in which the attorneys of Gary will participate. It is the plan to shoot all game that can be shot and whichever of two sides, that will be chosen, gets the least number of points, will be made to pay for a supper which will be given. The plan of the prosecuting attorney seems to meet with great favor among the attorneys to whom he has broached the matter and the hunt will undoubtedly take place some time this fall.

## HEARD BY RUBE.

## GARY'S FOOT BALL TEAM WINS 1ST GAME

### Defeats East Chicago High School By a Score of 11 to 5.

## OUT FOR THE CHAMPIONSHIP

### Sterling Young Fellows Will Try For The Times' Trophy Next Year.

The first game to be played by a football team under the colors of the Gary high school was a victory for the local team with the husky aggregation of East Chicago as the victims. Gary proved the master of their adversaries in every department of the game. In the second half the struggle was a beautiful one and stirred the loyal rooters into spasms of delight. The score was 11 to 5.

Nearly seventy-five rooters accompanied the Gary team to see them play their first game. Colors and yell in profusion were prepared for the occasion. The Interurban car which left Gary at 1 o'clock in the afternoon was crowded with one of the most enthusiastic crowd of fans that has ever invaded a city in Lake county.

Samuel Gompers came to town; rode in his private car—On reaching here, lo, and behold!

He received an awful jar.

The thousands stood 'round to hear.

Were good men for their kind,

But the enormous crowd that Gompers saw.

Was only in his mind.

The football hero here has done his molestation in Gary and the local corps of physicians have been notified accordingly.

No wonder Gompers was treated harshly in Gary, when it is known that this is the season of killing frosts.

## CHURCH MEMBERS SORRY

### Congregationalists Assert That They Were Defrauded of Money.

The members of the Gary Congregational church, according to the report of a number of them, are indignant because of the action of the proprietor of the Orphans' Candy Kitchen, John Lincoln, who they claim virtually defrauded them of considerable money.

The trouble started over what the members of the congregation asserted was a promise by Lincoln to supply them with candy at the benefit performance given for them in the Lyric theater. It is charged that he announced at each of the plays that candy would be sold at each of the performances by girls which would pass them among the audience, and that the candy was donated by himself.

The girls disposed of about \$27 worth and the candy man demanded half of the receipts. This was turned over to him by the girls, who wished to avoid trouble. The men of the congregation, however, have taken the matter up, and may demand that the money which he promised them be returned.

The Gary team lined up as follows: Douglass, center; Hoff, left guard; Hefner, left tackle; Hackett, left end; Knotts, right guard; Kettles, right tackle; Green, right end; McCurdy, quarter back; Bolby, right half; Paine, left half; Hyman, full, and Holmes substitute.

The Gary team is now a step nearer the championship of the county. They do not expect, however, to land at the top this year owing to the heavy team of the Hammond high school, but aside from them they feel that they can hold their own with the remainder.

The Gary aggregation are light, not averaging over 135 pounds, but they are speedy and full of girth. All of the players are young and have the making of a splendid machine in years to come. Most of them will be back in school the next two years. Next year the local boys intend to try for the Lake County Times, county championship cup in dead earnest and it will be well for the rest of the county boys to look out for them.

Democrats Expect to Have a Good-Sized Crowd at Meeting There.

Tomorrow night Thomas E. Marshall, democratic candidate for governor, will hold the biggest democratic rally of the year in the steel city. The preparations for his reception are not elaborate, but because of his prominence it is expected that he will draw a big crowd. The meeting will be held in the Blenzenhof hall.

The members of the Gary democratic club in a body will meet Mr. Marshall when he arrives in the city, headed by the Gary band. They will then escort him down Broadway to the scene of the celebration. It is not known at the present time whether or not he will come to Gary from Crown Point, where he speaks in the afternoon, by automobile or by interurban.

There will be no parade aside from the delegation which meets him and takes him to the Blenzenhof hall. A strenuous effort will be made by the democrats to counteract at this meeting the deep broads which the republicans have made upon them in their Crumpacker meeting, and other successful rallies, and also to have it as successful as possible, as the Beveridge meeting Saturday night. Both of these meetings will be the biggest of the campaign for the republicans, and democrats of the steel city. A big crowd is expected tomorrow night from Hammond, Indiana Harbor, Whiting and East Chicago to hear Marshall speak.

## 12,000 PEOPLE HEAR JAMES E. WATSON

(Continued from page 1.)

want. He discussed the record of the republican party and demanded that Bryan would, if elected, reduce the force of 40,000 mail carriers and force of 3,000 pure food inspectors; the 4,200 men enforcing the railroad rate laws and the 2,000 men in the forest and navigation service.

In discussing state finances Mr. Watson declared the state debt has been cut under administration of Mount, Durbin and Hanly to \$330,000, less than it has been in fifty years. "Under my administration we will wipe out every dollar of it," said Mr. Watson. This statement elicited applause and the speaker then took up the county local option issues. "I want to talk to you a moment about that," he said. "If I should go away without doing so our opponents would say that Jim Watson ran from it; he was afraid to mention it in Lake county."

Attorney Joseph A. Meade, president of the local organization who is considered one of the most able young politicians in northern Indiana, introduced the Hon. E. W. Wickey, who in a few words, eulogistic of the man, called upon Senator Hendee, of Madison county, to address the crowd. Senator Hendee's remarks were well received, and he was followed by William E. Kilver, candidate for joint representative of Lake and Newton counties. Mr. Kilver received an admirable demonstration and fairly carried his audience away by the force of his statements.

After a few numbers by the "Old Shady Quartette," who have never sung for a defeated candidate, Hon. James Ell Watson, the man who has astounded the industrial, as well as the farming regions of Indiana by his masterful oratory and evidences of self-conviction, was introduced. The demonstration that followed was wonderful. For five minutes, the 2,500 persons packed into the hall fairly rose in their sets and echoed and resounded the name of "Jim Watson," "Our Jim," throughout the hall. Never was a candidate on any ticket given such an enthusiastic greeting as was Mr. Watson.

Chairman Schaeaf was highly pleased with the East Chicago meeting and praised the members of the Young Men's Republican club in the highest terms for their activities. The results of the rally may be summed up in the mere statement that East Chicago's majority for Watson on Nov. 3 is now assured.

In addition to the various county candidates who attended the meeting, was David Meyers, candidate for Judge of the supreme court of Indiana. Mr. Meyers won many friends during his brief visit here, and convinced everyone that he is a valuable man to have on the ticket at which Mr. Watson is the head.

**FINE MEETING AT EAST CHICAGO.**

Had anyone who has ever expressed a doubt in the political status of East Chicago attended the rally held in that city on Saturday night, his fears for a democratic onslaught would immediately have subsided. He would have been amazed at the reception tendered the next governor and have gone forth from the Lewis skating rink to spread the glad news that republicanism still controls the national and state forces in East Chicago with the same fervor as of yore.

The Young Men's Republican club certainly did themselves proud. The

members extended every effort to make the meeting under their auspices a grand success, and their labors bore the desired fruit. The committee worked in harmony and every detail, from the arranging of the decorations to the introduction of the speakers of the evening was worthy of the highest commendation. The parade, while not as large a demonstration as would have been desired, owing to the failure of some of the delegations to show up in time to participate, was excellently managed, red lights, torches and banners displaying to the public the cause espoused by the assembled marchers. Two bands, Barnie Young's Hammond organization, and the Twin City band, twelve pieces, under the leadership of Nelson De Lors, furnished the music, martial in character and inspiring as well as decided, in rhythm.
