## THEY WERE SOMEWHAT SURPRISED AT GARY.

Columbia City People Think Their Eyesight Deceives Them.

A party of Columbia City people visited the new town of Gary a few days ago. It will be remembered that the saloons of Gary were remodeled out of existence a few months ago, but under the law a saloon may continue to do business after being remodeled until the expiration of the license. There are a few doing business in Gary yet. The biggest and finest saloon in the town is still open and the Columbia City visitors were somewhat surprised to see the windows decorated from bottom to top with pictures of Watson, Taft and Sherman.—Columbia City Post.

## ARRANGE FOR A MEETING TONIGHT.

Gary Democrats Will Do Without Parade When Marshall Comes There.

The democratic club of Gary held a meeting last evening at which they decided on arrangements for the Marshall meeting, which is to be held in the Blinzenhoff hall tonight at 8 o'clock.

It was decided to escort the speaker through the town with a band and to burn a little red fire on the streets. There will be no effort made to have a parade and the only preparation for the coming of the democratic candidate for governor is the appointment of a reception committee of forty democrats.

## HEARD BY RUBE.

Gary must be a place of some importance when Taft decided to talk here instead of Chicago.

The new skating rink is one of the most popular places in town.

Local republicans who attended the rally and barbecue at the county seat last Saturday speak in the highest terms of the treatment they received in the hands of the Young Men's Republican club at that place.

All Gary is wondering whether the two ends of the tunnel will meet or whether they will pass without recognition.

Taft will not follow Gompers' style in his speech next Saturday night. Neither will he deliver his speech from an express wagon.

Whether Mabelle came with Corey it could not be learned. At all events she was not seen hanging round the "Million-Dollar Kid."

Wagner, a saloonkeeper on Fifteenth avenue, near Broadway. The case was set for trial in Judge Huber's court, and this morning it was thought that drunkenness on the part of Herman would be pleaded as mitigating circumstances.

Asks Them To Be on the Lookout for a Negro Horsethief.

Sheriff Carter this morning notified the Gary police to be on the lookout for Archibald Sexton, a negro who is wanted in Lexington, on the charge of murder. The sheriff had been notified by the Lexington authorities who believe that he may be hiding in the quarry in Gary.

## FISHING PARTY BACK FROM THEIR TRIP.

Had a Good Time But the Fish Were Wrapped in Blankets.

Captain H. S. Norton, George O'Donnell, Judge Fitzgerald and the rest of the party of fifteen or sixteen men who went down to the Little Indiana lake on a fishing trip, have returned.

They say that it was too cold to fish much, but they all admit that they had a good time. The weather was so cold that it was not pleasant outside of the place where they stayed and, of course, the weather prevented the fish from biting.

## LIKES NEW PARENTS

Laborer Arrested at Gary,

Charged With Kidnaping Child.

Jesse Coroner, a laborer, was arrested at Gary yesterday charged with kidnaping Lee Schreiber, the four-year-old son of Mrs. Maud Scheibler, 422 Eighty-ninth street, South Chicago, who disappeared with the man Sunday afternoon. Following the arrest on a warrant secured by the mother a remarkable attachment was revealed between the boy and his alleged abductor. "I don't want to go home," sobbed Lee when Detectives Loftus and Walsh found him with Coroner and his wife at a boarding house in Gary.

"I want to stay here with my new mamma and my papa," pleaded the boy. Coroner declares that after the death of the boy's mother three years ago he and his wife took Lee into their home and cared for him until three months ago. He took the boy, he says, upon the advice of his lawyer. Last Sunday he asked Mrs. Scheibler to allow him to take the boy to a 5-cent theater, after which he took the child home with him.

## GIANTS SPLIT UP NEAT SUM

Moneys Given by Brush and Taken In at Benefit Divided.

New York, Oct. 19.—There is at least one consolation for the giants. They did not win the National league baseball pennant, carrying with it a large amount of money in the play-off series with the American league champions, but they did win an amount of money figuring in the thousands for their gallant fight for the National league flag. This amount is said by those who ought to know to reach at least \$14,000.

Of this \$14,000, to be divided among the players, the greater share of which will go to those who compose the regular team, \$10,000 was donated by John T. Brush, president of the New York National league club, as the club receipts from the play-off of the tie between the giants and the Chicago cubs. To this amount was added the receipts from an exhibition given for the benefit at the Academy of Music last night.

There will be no game between the Detroit tigers. The New York players would like to have such a game and John T. Brush today gave his permission to the men under contract to the New York club to play the American league champions. But after canvassing the New York players who could be kept together, it was decided to call the game off.

## CUB'S PRESIDENT IS ON THE ANXIOUS SEAT

Commission Has Suspended Many of The Players and Are Due to Fall Again.

President Murphy of the cubs appeared in his office today in the Corn Exchange Bank Building, wondering if he had a ball club left. The national baseball commission has been wielding the axe right and left among players who contested with the semi-pro "outlaws" and the contamination has spread hither and yon.

Early in the day the commission announced from Cincinnati that practically the whole Washington and Minneapolis teams had been declared ineligible on account of the players engaging in games with the Logan Squares. The fact that "Dutch" Schaefer of Detroit played in a game with the Washingtons on Saturday and on Sunday played in the cubs-tigers game at the West Side Park would render the whole mess of champions ineligible.

The white Sox will probably hear of their ineligibility within a few days, as they played against the Logan Squares Saturday and Sunday.

## WHITE SETS NEW RECORD

Ralph Baker Drives Steamer Five Miles at Kansas City in 4:52.

Kansas City, Mo., Oct. 19.—Ralph Baker and his twenty horse power "White Flyer" set a new record for a five-mile race today in the five-mile race for all automobile race which had been postponed from yesterday on account of darkness. Baker made the five miles in 4:52. His fastest mile was done in 6:55 2-5. Second place went to Gus Seyfried in a White thirty horse power stock car. The Bulck racer took third, and Frank Woodward's Platan fourth. The cars got away together.

The Bulck spurred and led the first three-quarters of a mile, when the "White Flyer" went rapidly to the front, to continue in the lead for the rest of the race. Seyfried took things easy, trailing the Bulck until the last mile, when he put on an extra ounce of steam and left the Bulck in third place.

## SCHULZ MAY GET BACK IN GAME.

Michigan's Captain Receives Permission to Take Examination.

Ann Arbor, Mich., Oct. 19.—When the committee on eligibility of athletes gave Captain Schulz permission to take his "con" examination tomorrow it paved the way for the all-American center's first football game of the season. This "con" has kept him out of three of the first games on this year's schedule.

The ponderous Teuton remained in the pivot position throughout the secret practice tonight, and when Coach Yost

## KICKED GLOOM HOODOO

Gives Midway Squad Fair Chance of Disposing of Minnesotans.

Coach A. A. Stagg arose in his might yesterday and kicked the "gloom hoodoo" over the Marshall field fence. Then he began his preparations for the Minnesota football game on October 31 with no signs of distress over the closeness of Saturday's 11 to 6 maroon victory over Illinois.

Instead of starting the grind in bearish mood, Stagg announced that he was distinctly satisfied with his team. He pronounced the back field fully up to his expectations and predicted improvement in the line before the gopher battle. He also frowned on some of the rooters who affected to feel downcast over the outlook.

According to the director there are no dark clouds hanging over Marshall field, even though Minnesota may be stronger than last year and out for the maroon scalp. He gave the Midway team a fair chance to dispose of Dr. Williams' eleven with the added development they will get in the next two weeks.

Looks For Strong Line. Coach Stagg is sure his forward wall will be a much different structure when the gophers invade Chicago's camp. The addition of Louis Falk to the line and the return of Worthwine to the ranks of the forwards are two factors counted on to place the maroons in far stronger shape than they appeared against Illini.

returned from the field he was loud in his praise of the work the men did in their first workout after the Notre Dame game.

"This," he said, "is the best practice we have had this season. Every man was on his toes and there was hardly a fumble during the three hours of practice. Every one knew his signals. Yes, the prospect is much brighter."

## A CHALLENGE FROM HEGEWISCH

Hegewisch, Ill., Oct. 19, 1908. LARK COVERER TIMES, Hammond, Ind.

Sporting Editor: Dear Sir.—Will you kindly publish a challenge in behalf of the Hegewisch football team for a game with any team averaging 135 to 140 pounds. Hammond preferred, providing they don't weigh more than the stipulated weight.

Would like a game for next Saturday afternoon. Will play any Sunday thereafter except Oct. 25.

Thanking you in advance, I remain, Yours truly,

E. L. NELLIS, 122nd and Carondele Ave., Hegewisch, Chicago, Ill.

## PAYS \$5,000 FOR A YEARLING

George Eastbrook of Denver Secures Fast Kentucky Yearling.

Lexington, Ky., Oct. 19.—The best price ever paid here for a yearling trotting colt was when today George Eastbrook of Denver, Colo., bought from W. W. Evans of this city, for \$5,000, the yearling colt Colin by Bondman. This fast youngster was sold on his excellent performance of 3:32 1/2 for the quarter. Eastbrook will ship the promising youngster to his farm at Denver at once. He bought Allendale Queen here last week for \$2,000.

## COMISKEY'S OLD STAND BURNS

St. Paul, Oct. 19.—The grand stand at the Lexington avenue baseball park, where all of the Sunday baseball games have heretofore been played was destroyed by fire last night. A football game had been played on the grounds in the afternoon and it is thought that a spectator dropped a lighted match or a cigar which started the fire. The stand was built in 1898 for Comiskey, who at that time was the owner of the St. Paul team in the Western League.

## ST. LOUIS "U." CAPTAIN RESIGNS

Murphy Quits Eleven, Giving as Excuse Parental Objection.

St. Louis, Oct. 19.—Eddie Murphy, captain of St. Louis University's football eleven, resigned to Coach Cochems this afternoon, effective immediately, because he said his parents objected to his continuing with the team. The squad got plenty of good material for quarter backs," he explained. In Saturday's game with Arkansas Cochems yanked Murphy out, substituting Frank Cornet as quarter back. It is believed this caused Murphy's resignation. Frank Acker will likely be appointed captain.

## M'FARLAND IS INJURED

Lightweight to Face Cross Tomorrow With Lacerated Visage.

Stratford, Conn., Oct. 19.—An ill fate seems to be camping on the trail of Packie McFarland in his preparation for his six-round mill with Leach Cross before the Fairmount Athletic club of New York on Wednesday night. An injury sustained in boxing with Joe Thomas, the coast heavy weight, came within an ace of causing a second postponement of the bout. As it is the stockyards lightweight will enter the ring against the ghetto champion with a badly lacerated lip, which is likely to cause him considerable trouble before the route has been covered.

While making it at close quarters with the burley Thomas just a moment before the timer was ready to stop the boxers, McFarland butted into Joe's elbow, his mouth getting all the worst of it. Bleeding profusely from

the wound the little Irishman pulled off his gloves and succeeded in staunching the flow of blood until a surgeon performed a professional job on the gash. For a time it was feared Packie would be forced to seek a postponement of the date but the Chicagoan gamely refused to wait. An injury to his ankle while doing road work in training for a bout with Cross scheduled for an earlier date compelled McFarland to call off that engagement and he says he does not want to wait longer for a crack at the dentist.

McFarland will go to New York tomorrow. He is already at weight and confident of victory. If unsuccessful of landing a match with Murphy he will go to England in quest of trouble. Bob Farrell, a veteran welterweight, who fought Harry Gilmore in 1893, will be in Packie's corner to advise him of his opponent's method of battling.

## BUSY TIME IN PROSPECT FOR LIGHTWEIGHT CLASS.

Cross and McFarland to Have Bout in the East This Week.

New York, Oct. 19.—This will be an active week for the lightweights in the east. Packie McFarland is to meet Leach Cross Wednesday evening and Owen Moran is now trying to take the place of Joe Gans, who is not likely to meet Tommy Murphy next Friday evening. Moran wants a try at the Harlem boxer.

Dick Hyland has been firing challenges at all men of his weight and every aspiring man of the same avowed is trying to break into the limelight. If McFarland outpoints Cross, as it is generally thought he will do, he will have no lack of bouts here.

Terry McGovern has again been heard from. Although he showed by his work in the lightweight division that he is only the shadow of the "Terrible Terry" of yore, he wants to have another chance in the ring. Joe Humphreys is urging his claims for a bout. Owen Moran has practically decided to move up into the lightweight ranks, as more money is in sight there. He can still make 127 comfortably.

## PLACE RESTS NOTRE DAME MEN SCHULTZ MAY GET BACK

Only Six Players Report For Light Routine Practice.

Notre Dame, Ind., Oct. 19.—Only six of the varsity football men were called upon to practice this afternoon, the rest of the squad being given a rest. The six were Morarity and Dwyer, whom Coach Place is trying out for quarter, since Hamilton was pronounced ineligible for the Indiana contest, and Captain Miller, Sullivan, Mertes and Dionne, the former three centers and the latter a half back. The practice consisted of the fundamental principles of the game. The entire squad will be worked out again tomorrow.

## RED WING IS CHAMPION

Beats Yellow Sallee in Motor Boat Race on Mississippi.

La Crosse, Wis., Oct. 19.—Speed supremacy of the upper Mississippi was established today in a spectacular race from Winona, Minn., to Fountain City, Wis., which was won by the Flyer Red Wing, owned by John H. Trautner.

Red Wing, Minn., over the Yellow Sallee, owned by John Gardner, Winona, Minn. The Flyer covered the distance of nine and one-half miles up-stream in twenty-one and one-half minutes.
