BAKER REPLIES TO THE DEMOCRATIC CHAIRMAN

Answers Plea For Coin and Asks a Few Pertinent Questions Regarding the Revival of Business Which He Expects.

Rochester, Ind., Oct. 19.—Annals Baker, ex-representative from Fulton county, in reply to an appeal from the Democratic national committee, has replied by asking Moses C. Wetmore, chairman of the national finance committee, if he "will please have Mr. Bryan tell us at once what factories will start up if he is elected that would not start up if Mr. Taft is elected."

The letter from the democratic national committee not only asks Mr. Baker, but incloses subscription blanks which he is asked to have his friends sign, the blanks calling for pledges of from \$5 to \$100. Mr. Baker's reply to the national committee is as follows:

"Your long letter of Oct. 1, together with blank to fill out for \$100 donation to help elect Bryan and Kern, received and noted.

"Well do I remember of helping to elect a democrat in 1892, and it cost me thousands of dollars. I had a lot of lumber piled up over this country, and much of it rotted in stack for me, on account of the Wilson-Gorman act. Just the same condition you are trying to bring on again.

"I voted for Mr. Cleveland for his claim for sound and honest money, as he was right on that proposition, but I was always a protective tariff man and so voted for a republican congressman.

but we slipped off, hence the destruction to this country.

"Now I am not in the lumber business, but am raising a few hogs and cattle for the market. They are, and have been, bringing good prices—\$4.50 to \$7.50 per 100 pounds. But Mr. Bryan has not told us wherein or by what cause we would get more for our stock, but says the laboring man is paying too high or is not getting his proportion. The laboring man is well aware of the fact that if his employer cannot dispose of the goods he makes for him there is nothing for him.

"Will you please have Mr. Bryan tell us at once what factories will start up if he is elected that would not start up if Mr. Taft is elected.

"When you show this to the people there will be some chance for his election. There are no people on earth anywhere like the American people when it comes to the point of one helping the other. Have Mr. Bryan and Kern show this up at once in detail, as this is what the American people want. Up to date they have not pointed out one thing and the time is getting short for them to do so."

from two to half a dozen speeches a day and both are holding up wonderfully well. Both are hoarse and are suffering from throat affection but are still able to make a rattling speech as soon as he gets his voice thinned out a bit. The two nominees have been on the stump since the middle of August.

It was rumored last night that the brewers had decided not to make their proposed whirlwind finish for the democratic ticket for fear that they might do more harm than good. It is explained that the democratic managers told the brewers off and told them to keep quiet now until election day and then to get busy in getting the vote out. At the Chicago meeting, two weeks ago, the brewers, twenty-six in number, decided to whoop things up in Indiana as they had never been whooped up before and to keep them whooped up until the close of this month but the democratic managers, as supposed to have put their foot down and told the liquor dealers to keep out or they would ruin everything. They seem to think that the public has stood about all it will stand in the way of brewery activity and that a bit too much activity on the part of the brewers and liquor dealers for the democrats will ruin the cause and start a stampede toward Watson. The time is so short now that whatever party suffers from a stampede will lose as time is short to head one off or to start another in an opposite direction.

Notice to All Lays.

A cat belongs to Mr. Jones has caused great annoyance to the small boys of the neighborhood by killing some of their pets, so they decided to set a trap for it. Dwight, a little boy of seven, with a very tender heart, was afraid some innocent cat would suffer, so printed the following notice and pinned it on the trap: "This is for Jones' cat only."
