DR. J. H. PALMER SPEAKS ON WATSON

"The Power and Force of the Ballot Box" Will Be His Theme.

HAS OTHER GOOD LECTURES

Speaks on the Christian Conception of the Universe Last Evening—Subject Ably Handled.

(Special to THE TIMES). East Chicago, Ind., Oct. 25.—An effort to induce every well-thinking voter to attend the services at the local M. E. church was made last evening when Dr. J. H. Palmer announced as his discourse for next Sunday evening, the theme, "The Power and Force of the Ballot Box." For the first time in the present campaign, and obviously the last, a local pastor will handle the issues of the state campaign and show the advisability of the county local option question. The character of Watson will be depicted and the concise handling of the economic problems that now confront Indiana taxpayers offered by the Rev. Palmer. Every voter is invited to attend this lecture which will bring together the influence of politics and religion more than any other sermon yet preached in East Chicago.

Has Good Audiences. Rev. Palmer has been preaching to splendid audiences for the past four weeks. His theme last evening was worthy a master. "The Christian Conception of the Universe" was the subject. The ever-present laws of nature were discussed and the formula for true religion and happiness—"The Working of All Things Together for the Good of All." The continuance of the same thoughts for ages and ages brought the minds of the audience into concentration upon the utterings of Plato, Socrates, Aristotle and Newton and led to a clear understanding of the laws of life. The universe, according to the pastor, is harmonious combination of inanimate objects, working together in transcendent unity and moving toward one common and sublime end, or destination. The discourse was forceful and well handled and would have done credit to a much more experienced religious leader.

INDIANA HARBOR.

Miss Ethel Collins has resumed her desk at the Walker & Barrett store on Michigan street, after a four days' illness.

Find That Path Is Rough. Promoter Lercari Has Had Enough of the Boxing Game in Frisco.

San Francisco, Oct. 25.—Promoter Carlo Lercari is breathing easier over the fact that he has Rudolph Unholz and Cyclone Johnny Thompson signed up for this week after it seemed for a time as if the October boxing date would have to be vacant. He shows no inclination of bucking the "fight trust" again, however.

Unholz and Thompson are also somewhat worried over the belief that they may be put on the blacklist by the other promoters for accepting a bout in an arena governed by different politics. Jack Welsh has decided to take a chance of the blacklist, however, and will referee. Powell and Murphy will figure in the preliminary. On account of political activity around Colma, Jimmy Coffroth probably will not open up his Mission street club

EAST CHICAGO VS. WHITING FOOTBALL

Former High School Defeats Neighbors by a Score of 23 to 0.

"STERNIE" AND "FINN" STAR

Oil City Boys, Although Heavier in Weight, Show Little Practice.

(Special to THE TIMES). East Chicago, Ind., Oct. 25.—East Chicago won new laurels on the Sawmill park gridiron yesterday by defeating the fast Whiting aggregation of footballists to the tune of 23 to 0. The game was by far the best played yet throughout the local diamond, every play being made with the necessary precision in throwing and judgment in choice. Goal after goal was made through the heavy Whiting bulwark line and the latest mode of playing, the forward passes, being used in abundance, was noticeable throughout the game.

Sternberg Plays Farewell Game. Sternberg of the Harbor, who has been playing with the team this season, played his farewell game yesterday. Notwithstanding this fact, he was easily the star of the afternoon, his goal kicking and passing being one of the admirable features of the day. Finerty, the recent eastern discovery, easily won a berth for himself on the team. With but little signal practice, he was given a position on the line and managed to distinguish himself throughout the game. Two goals were attributed to his fast work and had he been behind the line, there is but little doubt that he would have shown to better advantage. An all-field run, led by Captain McShane towards the end of the second half, resulted in another goal by the plucky little captain.

Whiting Does Good Work. A word must be spoken, however, for the plucky fight put up by the Whiting team. Although several pounds heavier to the man, they were without practice, and their attempts to use the more complicated plays usually met with rebuff. They played a clean game and to the entire satisfaction of some two hundred spectators. A slight altercation between two of the players and an outsider, however, resulted in a delay in the game's progress and the striking of several blows.

until the Ketchel-Papke bout. There has been strong opposition raised to the game in his district.

As the result of a citizens' meeting of protest a poolroom, in which Tom Corbett was said to have in interest, has been turned into a dance hall.

OBJECTIONS TO RACE PLANS. Opposition Has Arisen at New Orleans to New Betting Scheme.

New Orleans, Oct. 25.—Plans to "register" bets and have the eastern system of bookmaking at the projected meeting here this winter have already encountered opposition. The same element which passed the anti-betting bill last spring is making a crusade against the proposed meeting, and will make a political issue of the matter in the campaign.

Manager Heaslip thinks that the plan to have a separate force of clerks do the registration will keep the method within the law.

NORTHWESTERN MAKES HIT. Northwestern's brilliant return to the western football arena Saturday was one of the big features of the day. The green eleven, no more of which had ever played in an intercollegiate game before, simply walked away with Beloit and won as it pleased. Tied games throughout the country indicated afresh that the new style of the gridiron sport has evened things up.

In past years such a state of affairs as Syracuse holding Princeton to a 10-to-0 score and the Navy trying Harvard would have been almost unthinkable. Of the other big battle which ended with both sides even was that between the Indians and Pennsylvania. Open play has given the weaker squads a chance against the big fellows that has certainly made the contests of greater interest.

Michigan managed to down Ohio State after getting a scare which the Wolverines will not forget for some time. At the end of the first half the buckeyes led, 6 to 4, but Michigan managed after considerable toil to shove a touchdown over the line, and was returned the victor. Outside of this game and that of the purples the West had a day comparative quiet.

YALE END IS MARRIED. New Haven, Conn., Oct. 25.—Charles H. Shank, one of Yale's most promising ends, tonight telegraphed the football coaches that he would not report for secret practice with the varsity team tomorrow. He says he won't need any more. Yale coaching, as he will get plenty elsewhere. He eloped with a young woman in his home in Crawfordsville, Ind., whom he doesn't name, Sept. 15.

PREPARE FOR THE HOOSIERS. Illini Will Commence Work Today for Indiana Conference Game.

Urbana, Ill., Oct. 25.—Illinois will begin work tomorrow to get ready for Indiana next Saturday. The hoosier game is the first conference contest to be played on Illinois field. Local "dopesters" will be surprised to see

ALL READY TO HONOR HARRISON. Arrangements for Unveiling Monument at Indianapolis, Ind., Tomorrow Practically Completed.

Indianapolis, Ind., Oct. 25.—Arrangements are practically completed for the unveiling of the Gen. Benjamin Harrison monument Tuesday.

A parade by the Tenth United States Infantry, one regiment of Indiana National Guard, and a number of state G. A. R. posts will precede the exercises at the monument. Vice President Fairbanks, Gen. John W. Noble of St. Louis, and John L. Griffiths of Indianapolis will be the speakers.

The monument stands in the south end of University park, facing the federal building. Miss Elizabeth Harrison, daughter of Gen. Harrison, will draw the cord releasing the flags at the unveiling. On the speakers' stand will be seven laurel wreaths, with the name of a department of the government in each wreath. Back of the stand will be nine wreaths, each enclosing the name of a statesman.
