## FOUR HUNDRED AT THE BIG BANQUET

Croatians at Whiting Func-  
tion Cheer the Names  
of Taft and Watson.

(Special to THE TIMES).  
Whiting, Ind., Oct. 26.—Saturday  
night proved a big night for Whiting  
Croatians, when the fulfillment of their  
plans for a monster political rally  
proved a reality. The names of Taft,  
Watson and the entire country that was  
cheered by the four hundred Croatians,  
Slavs, Hungarians, Poles and Russians  
who listened to addresses by their  
countrymen.

Pante Haralovich, to whom a great  
deal of credit is due for the making of  
the successful meeting, introduced the  
speakers, chief among which was I. C.  
Berger of Wilkesbarre, Pa. Mr. Berger  
is president of the National Slavo-  
nian society, and has been doing ex-  
cellent work throughout the state. His  
remarks, made in the native language  
of many of his listeners, was received  
with shouts of approval, and cries  
of approbation at times interrupted  
the speaker for several minutes.

Bowser Unable to Be There.  
He was followed by the Hon. Harry  
C. Sheridan of Frankfort. Mr. Sheri-  
dan filled the place of Senator A. J.  
Dowser of Chesterton, who found it  
impossible to attend the meeting. He  
proved a pleasing substitute, and while  
he spoke in English, thus forbidding  
the clear understanding of his state-  
ments by many of those present, he  
was logical, terse and decisive in his  
pleas for a solid republican vote.

Several local foreign republicans  
offered short addresses and showed their  
countrymen the absolute necessity of  
voting the straight republican ticket.  
Candidates E. M. Shanklin, Charles  
Greenwald and V. S. Reiter occupied  
places of prominence on the program  
and explained to the guests the nature  
of their offices.

Handed Out Roast Sheep.  
About 10:30 huge roast sheep sand-  
wiches were passed through the hall,  
every one receiving his fill of the tasty  
meat. There was enough for every  
one, and the necessary accompaniments  
of a foreign meeting were there in  
abundance. The meeting, however, was  
orderly throughout, and was a credit  
to the region from which the men were  
drafted. President Haralovich proved  
himself an admirable master of cere-  
monies, and after the meeting declared  
that he "was proud of Whiting's show-  
ing, and was sure that it would go into  
the republican ranks by over 800 ma-  
jority."

The meeting was the close of the  
Whiting campaign, although quiet  
work will be prosecuted throughout the  
city during the coming week. Political  
leaders have been instructed to  
work quietly but surely, and are al-  
ready laboring in the notable cause of  
making republican votes and further-  
ing the continuance of progressive ad-  
ministration.

## TIPPECANOE MONUMENT

Lafayette, Ind., Oct. 26.—While the  
program for the dedication of the Battle  
Ground Monument has not been offi-  
cially announced, the monument com-  
mission has outlined the notable events of  
Saturday, November 7, when the hand-  
some memorial to the Tippecanoe bat-  
tle will be formally dedicated to the  
heroes of the conflict between Gen-  
eral William Henry Harrison and his  
men and the Indians, under the Prophe-  
cy, on that memorable November 7, 1811.  
The day of dedication will be the  
ninety-seventh anniversary.

The speaking will begin at 10 o'clock  
in the morning. The morning speak-  
ers will be Congressman E. D. Crum-  
packer, State Senator Will R. Wood,  
and Judge Richard P. DeHart, all of  
whom worked hard for the success of  
the monument project.

In the afternoon the formal dedica-  
tion will take place. Job S. Sims,  
chairman of the monument commission,  
will present the monument to the state  
and nation. Governor Hanly will ac-  
cept in behalf of the state, and General  
Wright, secretary of war, will  
accept for the nation. There will be a  
chorus of 100 voices to sing patriotic  
songs.

The battle field will be handsomely  
adorned with flags. The monument is  
too large to veil and unveil and only  
the statue of General Harrison in the  
front will be veiled. This will be un-  
veiled in connection with the dedica-  
tory exercises. Work on the shaft is  
progressing rapidly and it is practi-  
cally certain that it will be completed  
in time for the dedication.

## SLOT MACHINE FAILS TO PAY; BLOODSHED

Gary Negro Sees Himself  
Beaten Out of Money  
and Uses Knife.

An unknown colored man caused  
considerable trouble Saturday night in  
the saloon of Walter Subscopski, when  
after winning the \$10 in a slot machine  
the machine refused to pay. The col-  
ored man turned to the bartender and  
asked him for the money as he could  
not get it from the machine. This the  
bartender refused to do, and the col-  
ored man proceeded to break the ma-  
chine into pieces.

It was then the bartender's time to  
throw into action and he proceeded to  
throw the man out of the door. Just  
as he got him to the door, however,  
the enraged negro pulled out a knife  
and slashed at Subscopski cutting him  
in the fleshy part of the arm. The  
wound bled profusely but it was not  
at all serious.

The bartender then reported the mat-  
ter to the police and they started on  
the hunt for the slasher. The man will  
probably have blood on his clothes so  
that they believe that they will be able  
to pick him up.

## MINER'S LEADER IS FOR TAFT

W. D. Ryan Says that Labor  
Vote Cannot Be Swung  
By Gompers.

Indianapolis, Oct. 26.—W. D. Ryan,  
secretary-treasurer of the United Mine  
Workers of America, is firm in the be-  
lief that organized labor can not be  
swung to the democratic party by Sam-  
uel Gompers. In a letter to the chair-  
man of the speakers' bureau of the  
republican committee, Mr. Ryan says:  
"I have had the honor of attending  
the conventions of the American Fed-  
eration of Labor for several years, and  
one of the principal features at each  
successive convention was to prevent  
certain element represented there from  
committing the American Federation  
of Labor to partisan politics. It is a  
well known fact, and almost needless  
to repeat, that President Gompers has  
always led the fight on the floor of  
the conventions and conducted himself  
in a masterful manner to prevent that  
element from committing the federa-  
tion of labor to partisan politics.

"I am of the opinion that this at-  
tempt to influence the voters to sup-  
port the democratic ticket will have  
little or no effect, for the reason that  
the laboring men know how to vote,  
and will be guided by their own con-  
science in selecting the man for whom  
they will cast their vote in the coming  
election. I am also of the opinion that  
the majority of the people of this coun-  
try, including the majority of the la-  
boring men, believe that the best in-  
terests of all will be conserved by the  
election of W. H. Taft for president,  
and insofar as I am personally con-  
cerned I will support his candidacy and  
arm broad-minded enough to say that  
the laboring people with whom I have  
been associated will carefully weigh  
this question and cast their ballots on  
election day as their best judgment in-  
dicates, without regard to the position  
that I or any other leader of labor  
unions may take in the premises."

## LABOR LEADER FOR TAFT

A statement has been issued by W.  
E. Fuller, president of the Grain Eleva-  
tor Employers' union, deploring the  
political policy of President Gompers  
and announcing that he favors Taft  
for president. The attempt of Gompers  
to dictate how workingmen shall  
vote, President Fuller states, will be  
resented by members of labor unions  
on election day. Following is the  
statement:  
"I believe organized labor has made  
a grave mistake in going into partisan  
politics and no doubt its doing so will  
have an unwholesome effect on our  
economic movement later.  
"The attempt of some labor leaders  
to dictate for whom union men shall  
vote will be resented in no uncertain  
terms on Nov. 3. I know beyond a  
doubt that the intelligence of our  
American workmen is such as not per-  
mit any interference with their politi-  
cal or religious beliefs. I am going to  
vote for Taft for president, others may  
vote for whom they please."

## SPEAKER'S FATHER DIES

The Colored Republican club of Gary  
was to have held a meeting at Gary  
tonight, at which Shirley Brewer, the  
famous colored orator was to have  
spoken. President Manlove of the  
Gary Republican club received word,  
however, that Mr. Brewer's father had  
died and that this would make it im-  
possible for him to keep his engage-  
ment.

It was decided, however, that Mr.  
Brewer should speak in Gary next Mon-  
day, when the Gary negroes will hold  
one of the biggest celebrations of the  
campaign. The meeting will be held in  
the headquarters of the Colored Re-  
publican club, at the corner of Massa-  
chusetts street and Sixteenth avenue,  
and will be addressed by A. H. Hutton,  
the president of the club, in addition  
to Mr. Brewer.

The meeting will be held so near  
election that it will be the occasion of  
a great celebration and arrangements  
will be made to get out the vote on  
election day.  
The colored republican club will be  
one of the mainstays of the party in  
Gary on election day and they are  
counted upon to swell the republican  
majority when the votes are cast.

## WOMEN CHARGED WITH "ROLLING A DRUNK"

Said to Have Relieved Vic-  
tim of All His Earthly  
Possessions.

Will WIPE OUT PRACTICE

Gary Authorities Will Go to the Root  
of the Evil. Inmates of John-  
son Resort Held.

Three colored women Saturday night  
were arrested by Officer Johnstone,  
charged with the familiar offense of  
this class of women, "rolling a drunk."  
It is charged that they took Vaseil  
Jurka while he was in an intoxicated  
state and relieved him of every cent  
he had in his possession, amounting to  
\$40. He came and reported the matter  
to the police and they at once suspected  
some of the inmates of Johnson's re-  
sort.

Officer Johnstone made an investiga-  
tion which resulted in the arrest of  
Emma Banks, Ella Pastella and Irene  
Hodge. The women were searched  
thoroughly but they failed to find any  
trace of the money. They claim, how-  
ever, that there is another woman im-  
plicated and that they will have her  
arrested before tonight. On her they  
hope to find the money.

The "work" of rolling drunks is be-  
coming so frequent in Gary that the  
police intend to stop the practice as  
soon as possible by having some of the  
old offenders caught and punished. It  
is believed that the women who hang  
around Dave Johnson's place are re-  
sponsible for the work. It is a hard  
matter for the police to detect just who  
are the guilty ones but they believe  
that in the arrest of the three women  
they have struck at the bottom of the  
whole matter. The women were re-  
leased under heavy bond. Their hear-  
ing was set for this morning.

## WORK TO BEGIN SOON

Contractor's Bonds For  
Church Building Are  
Accepted.

The trustees of the First Presbyteri-  
an church of Gary last Saturday  
awarded the contract and accepted the  
bond of the Smith Construction com-  
pany for the building of the chapel for  
the congregation.  
The edifice, which is to be of stone  
and brick, will cost \$10,000, and will  
be so built as that a large addition  
may be built to it. Work on the  
chapel will begin as early as possible.  
The congregation has bought three lots  
at the corner of Sixth avenue and Mon-  
roe street, and this will furnish the  
site for the church.

The chapel will seat 300 people. It  
will be so constructed as to leave room  
for a gallery, although this will not  
be completed immediately. The base-  
ment is to be turned into a gymnasium  
and a study will be provided for the  
minister. A class room will also be  
provided for.
