Goes to Pine Station This Morning Taking Hat With Him as Evidence.

Joseph Martin, police chief of Gary went to Pine Station this morning in the hope of capturing the highway man who last Tuesday night held up a foreigner and tore up \$22 worth of bills for which both were fighting. The highway man escaped but Chief Martin secured his hat which bears the initials E. K. in the hat band. The chief believes that he knows the fellow and that he will have him in the toils before long.

Isaac Bloom, proprietor of a grocery store at 1541 Broadway, early this morning called up the police telling them that a stray black cow had found its way to his store and destroyed the entire stock.

MAJOR JOHN MCFADDEN GETTING GOOD SUPPORT.

It is Found that Many Strong Democrats Have Pledged Their Aid in Re-election of Republican Nominée for Calumet Township Assessor.

From the present outlook one of the strongest candidates in the field in Gary is Major John McFadden, candidate for assessor on the republican ticket. Mr. McFadden is not making a barnstorming tour of the country, but he has a number of personal friends who are working hard for his election in a house-to-house canvass. There are many cases where it has been found that strong democrats in the city have pledged their support to the candidate for assessor.

Mr. McFadden is also very strong with the foreign element, as was evidenced by the banquet the Poles gave him Monday night. The candidate for assessor is a coal dealer in the city, and probably one of the best known men in the township.

ONE HUNDRED GARY FOREIGNERS NATURALIZED

Are Taken to Hammond in the Care of M. Well and Clyde Hunter—Both Parties Training Protégés in the Use of the Ballot.

Nearly one hundred foreigners were taken to Hammond last night from Gary to be naturalized, of every nationality. They were placed in the care of Clyde Hunter, who, together with M. Well, acted as their escort to the federal building in Hammond.

This was one of the largest gangs which has ever been taken to Hammond from Gary on a single trip. Between now and Tuesday it is probable that there will be a crowd taken over every night until there is not an un-naturalized foreigner who wants to vote, that can be discovered.

These men are being instructed to vote by careful training by both democrats and republicans, who are now beginning to flood the town with sample ballots.

HEARD BY RUBE.

There is said to be a scarcity of Thanksgiving turkeys this year and those that will be in the market will be so high as to be beyond the reach of the average person. Still there is nothing too high for Gary people.

After election the representatives of the Chicago Journal can come to Gary and pick up the hundreds of papers that are now lying on the street. They then can build a huge bonfire and sit around and talk how it might have been.

Local democrats are lying awake nights praying for favorable weather when Bryan makes his debut in Gary Saturday night.

Gary again comes in for "its share of glory" when the result of the presidential election hinges on the result of the vote cast here.

A man's enjoyment of a cigar is not judged by its cost according to the brand that are being handed out by the politicians of today.

Gary school "mamas" think they will take a day off themselves tomorrow and attend the meeting of the association at Hammond.

Gary is so safe for Taft that all the whole Chicago Journal could move out to Gary and it would not affect the vote in the least.

A foolish display of money is always tempting Providence as well as the burglars. If you want to get rid of any \$100 bills just place them in your show windows.

Gary may have another interurban entering the city by next Decoration day. Stranger things have happened.

Sugar barrels are being used for ballot boxes in some places in Ohio. The first ones used in Gary looks more like bread boxes.

Loan Office—Money loaned on anything valuable. Gottlieb, 20 Eleventh avenue.

The only possible thing that can save Gary now for Taft, now that the Chicago Journal has invaded the field, is to have President Roosevelt pay us a visit before election.

All you will have to do next Tuesday night will be to take down your telephone receiver and find how big a majority Taft received. Kind of soft No.

It is to be hoped that the paving on Broadway will be finished before we sit down to our Thanksgiving dinner.

It is causing Chief Martin some concern as to whether the high winds will blow the local police station into the excavation, nearby, this winter.

Gary people are experiencing a siege of cough colds and hoarseness, and it can be said that they have all been making campaign speeches, either.

GARY LODGE NEWS.

The local camp of Woodmen are planning a big time at their regular meeting on next Saturday night when six new members will be initiated into the lodge.

C. H. Shields of South Bend, deputy of the northern Indiana district, will be present and will preside over the work of the evening.

The Hammond degree team have been invited to confer the initiatory work, and it is expected a large crowd will be present to witness the slaughter of the innocents. Those who will become members are: Harry Prigale, William McNeil, August Thompson, Jacob Jaffe, Fred Cook and G. D. Batey. After the degree work refreshments will be served. It is expected quite a number from Hammond will accompany the team.

The local lodge of Knights of Pythias in Gary are gaining in membership each week, and the lodge is now in a flourishing condition. At the regular meeting last night held in Odd Fellows' hall W. E. Carter was the candidate who received the first degree. Gary lodge now numbers fifty members, and there is some talk of raising money with which to build a new G. O. P. hall.

Gary hotel serves Noonday lunch, served from 11:30 a. m. till 2:00 p. m., 40 cents.

Another meeting will be held by the board of directors of the Gary Masonic lodge to make final arrangements for their dance, card party and supper, which will be given at the Gary hotel on Tuesday evening, Nov. 24. The directors are also planning to hold another social function during the winter, which will be the Washington reception on Feb. 22.

Invitations have been received by the local Nest of Owls to attend the dance given by the Hammond Nest, which will be given at the Masonic temple at that place this evening. Many are anxious to meet John C. Talbot of South Bend, who is supreme president.

The Gary Eagles will meet for their regular meeting night tomorrow evening at Bennett hall. There is no business of importance to come before the meeting out of the ordinary routine.

The I. O. O. F. of Gary held their regular meeting in the Odd Fellows' hall last Monday night.

PAVING OF BROADWAY IN GARY IS RESUMED

Entire Street Will Be Paved With Granitoid—Work Delayed.

Work was commenced this morning on the completion of the Broadway pavement, from the Lake Shore tracks south. This is the work for which the Gary and Interurban is responsible, but which was delayed owing to lack of material. All that is necessary is the paving between the tracks. The material will be of granitoid, the same as the other paving on the street.

The work will be done by Blum & Company.

Considerable interest is shown in them since the building will be one of the first of the city buildings.

WILL ASK BOY'S PARDON

Attorney Gus Heart Goes to Jeffersonville to Intercede for Frank Fielkowski.

Attorney Gustave Heart will leave for Jeffersonville on November 6 for the purpose of presenting a petition signed by 100 people in behalf of Frank Fielkowski, an 18 year old boy, who is serving a sentence in the prison. He was sent there last July on the charge of having carried stolen goods from Lake Shore freight cars. His friends, however, have taken up the case and have evidence to show that the young fellow is entirely innocent, being merely the tool of other foreigners who did the stealing. The young fellow has a good character and is said to have been ignorant of the fact that the goods were stolen.

GARY BRIEFS.

Attorney Johannes Kopelke of Crown Point, the democratic presidential elector of this district and one of the best-known democrats in the state, was in Gary yesterday on a political mission.

Why cook when you can get a Sunday dinner at the Gary hotel for 75 cents, served from 12 to 2:30 p. m.

Today is the day set for the visit of the flying wedge of the Hearst party. Whether or not they have been delayed and will fall down on their schedule the same as Hearst and Hissgen did now seem likely. People of Gary have been as well entertained during the present campaign by both democrats and republicans that they feel that they should be able to hear from the independence league at least once.

O. C. Miller, president of the airline, was in Gary yesterday on business.

THE STATUS OF THE CUP.

There seems to be some question regarding the ownership of the Lake County Times' football trophy at the conclusion of this year. Crown Point won the first leg on Oct. 1 and Hammond won last year's leg. If Hammond wins this year, she will have won it two years in succession and the silver trophy will be hers. If Crown Point wins the game this year, she will have to win it two successive years to win the cup.

SPORTING NOTES

THIS SOUNDS LIKE WALTER WELLMAN

Promoters Intend to Re-Establish the Sport at Hammond, South Bend and Fort Wayne.

Boxing is not to perish in this part of the country, if Indiana promoters have anything to say about it, says the Record-Herald. A movement is on foot to revive the game throughout the state and the sport may start across the border in the near future.

Efforts will be made to hold the White-Goodman contest at Hammond, Ind., Friday. Hammond is not to be the headquarters of the sport, however. It is planned to have a series of contests at Fort Wayne and several other points want to cut in on the game. Even if boxing is stopped in Michigan and Wisconsin, it is thought the fans will have an opportunity to see some action in this neighborhood.

There was some lively sparring at the South Bend clubs last season, and the South Bend also hopes to be included in the list where bouts are permitted. Some of the promoters are ambitious enough to think that they can bring big bouts West in case the New York authorities continue to scowl on the game. In the meantime Danny Goodman has been working vigorously for the match of Friday.

TIGERS SCRIMMAGE IN RAIN

McCrohan Does Some Spectacular Playing at Full Back.

Princeton, N. J., Oct. 28.—Through a downpour of rain that continued all afternoon the tigers were driven hard in the longest scrimmage practice of the year. Two thirty-minute halves were played, the infrequency of fun-fun being surprising. In the first half the varsity could score but one touch-down, and McCrohan, the giant full back, achieved that almost alone.

His dashes through the line and gains outside of tackle furnished the sensation of the day. Hitherto he has been laid up with a leg injury, and one day last week he got into the game only to be injured again. He gives promise of development into a great full back, and in spite of the muddy field, he kept his feet and also the ball.

The back field consisted today of Cunningham, Tibbott and McCrohan. It was the first semblance of a real varsity line-up.

Captain Edward A. Dillons of the varsity eleven was elected president of the senior class. It is his fourth year on the football team, and next spring will be his fourth on the baseball nine. He is also considered the best hockey player here.

BERRY RETURNS TO PRACTICE

Quarter Back Gladden St. Vinture's Rooters by Appearance.

Kankakee, Ill., Oct. 28.—Berry, the cracked quarter back of St. Vinture's, returned for practice today and brightened the hopes of the locals. It was feared by the rooters that he would not be able to play any more this season. Captain Legris was around on crutches today, and the followers think that he will not be in the game any more this season.

Karpen, Megan, Carroll and Acting Captain Berry are doing the bulk of the kicking, since Captain Legris is out of it. Karpen and Walsh were out for full back today.

EVERS AND TINKER AS AUTHORS

Johnny Evers and Joe Tinker have collaborated in writing a love song. At least their publisher claims they are the guilty parties, and as yet no denial has come from the cub's star players. The name of the song is "Between You and Me."

NAVY WANTS TO ROW CORNELL

Middles Anxious to Meet Crew on the Severn Next Spring.

Annapolis, Md., Oct. 28.—The naval academy rowing authorities have determined to challenge Cornell for either a two or a four mile race on the Severn next spring. The midshipmen's determination to row Cornell, a regular entrant at Poughkeepsie, for four miles is taken to indicate that all hope of sending a navy crew to the big event on the Hudson in 1909 has been abandoned.

READY FOR HONEYMOON BOUT

Rudolph Unholz Will Celebrate Wedding Trip by Battle Tonight.

San Francisco, Oct. 28.—Rudolph Unholz and Johnny Thompson of Sycamore, Ill., will meet in their much discussed bout before Charles Lerani's club tomorrow evening. Both men are said to be in fair shape and Thompson is a mild sort of favorite in what little wagering has been done. Unholz has just been married and is probably the first boxer to spend his honeymoon in taking on battles. It is believed a fair sort of crowd will attend, as the peculiar angles of the contest have attracted support in some quarters. Lerani is the promoter who broke into the game in opposition to the "fight trust" and, as a result, many of the boxers are afraid to sign with him.

VAN HOOK TWISTS HIS ANKLE

Illinois Football Captain May Not Battle Against Indiana.

Urbana, Ill., Oct. 28.—Captain Van Hook of Illinois, who was just rounding into great shape after the illness which put him out of the Chicago game, limped out of practice today with a twisted ankle. With the Indiana game close on it is by no means certain that "Van" will be in shape and Coaches Hall and Lindgren worked away with the sub-inmen harder than ever. Twist was tried at center and guard and many win a place in the initial line-up against Sheldon's hoosiers, although both Hull, center, and Purnell,

LOWELL OUT FOR GAMES

Those husky terrors from Lowell are after the scalp of the Gary and Hammond teams as the following will show: Lowell, Ind., Oct. 28, 1908. Sporting Editor THE TIMES.

Dear Sir: The Lowell football team desires very much to arrange Sunday games for the balance of the season. We would like to hear from Hammond, Gary, Indiana Harbor, Whiting or East Chicago. Our team averages 153 pounds. We play Muncie on Nov. 1, and want games for Nov. 8, 15, 22, 29 and Dec. 7. Any team wishing a game will confer a favor by writing the manager, Frank Maloy.

left guard, are fighting hard to retain their positions. Percy Gumm played left half today in the place of Ritchie who is still crippled. The regular is expected in the game Saturday, however. Butzer was prevented from practicing today and his disposition is unsettled.

INDIANS HAVE FOUR GAMES IN FAR WEST

Will Conclude Trip at Denver, Playing Also at St. Louis, Nebraska and Minneapolis.

Denver, Oct. 28.—Arrangements were completed today with the management of the Casins Indians for a football game in this city on Dec. 5 with the University of Denver. The redskins demanded a \$2,000 guarantee, which the local football management finally accepted. It will be the first time that any large football team east of the Mississippi has played in Denver.

The Indians, in addition to playing at Denver, have a game with St. Louis university on Thanksgiving day, and will play the University at Lincoln either Dec. 1 or 2.

The Indians will lead for the west from Carlisle Nov. 18, playing first at Minneapolis, with the University of Minnesota, Nov. 21, two weeks after the Harvard game at Cambridge.

ODDS AND ENDS OF SPORT

Six class crews took part in the University of Wisconsin interclass regatta on Lake Mendota at Madison, Wis., Saturday.

New Haven is to have a mammoth five-mile cross-country run on Thanksgiving day, open to all registered athletes. An elegant trophy has been offered by the New Haven Register.

Calvin Demarest, the amateur billiard champion, has evidently lost none of his form during the summer. In a recent game of 18-inch ball-line he clocked off a run of 152 and had an average in a 400-point game of 25.

The election of the REPUBLICAN Legislative Candidates from Lake County is one of the vital necessities of the present campaign. Every citizen is interested in the election of a United States Senator and every Republican and each voter is interested in the election of a REPUBLICAN UNITED STATES SENATOR.

The Republican party is committed to a revision of the tariff along protective lines that will insure a continuation of the policy of American markets for the products of our own factories and farms and the highest wages to our workmen and the best prices for American farm produce.

PROTECTION AND PROSPERITY is the vital issue of this campaign. The citizens of Lake County are directly interested in many questions that will come before the next session of the Indiana Legislature, the Legislative, Congressional and Judicial reapportionment of the State, the improvement of our Waterways and many other questions of equal importance. The safe, sane and practical way is to vote the Republican ticket straight and insure the election of the
