## NEWS OF THE COUNTY SEAT

### Go By Busses to School.

Three busses arrived for the Center township schools yesterday to be used in hauling the children to the various township schools during the winter months. This is quite a different method from that used in older times, and it seems as if the youth is being raised in the cup of luxury at present.

### Dynamo Has Arrived.

The mammoth dynamo has arrived for the Crown Point Electric company's plant, that equals twice the capacity of the present one installed there now. The new dynamo weighs over seven tons, and will be used in sending the currents to Lowell. Work on the line is being rapidly pushed to completion and as soon as the engine arrives and is installed the local plant will be nearly ready to supply the Lowell patrons with light and power.

### Young Couples Scared.

Judge Nicholson tells of two couples that he married last year, hailing from Milwaukee, coming to his office to have the ceremony performed. As they became frightened at the reports that the law regulating the marriage of divorced people had been questioned and in order to make their marriage legal they journeyed to Crown Point to have the ceremony performed again.

### Big Rally at Cedar Lake.

The republican workers report a rousing time at the Cedar Lake rally on Wednesday night and from the line up they assert that not all, by any means, have the saloonkeepers rejected Watson and gone back on the republican party. Some of them are beginning to see that the democratic platform has quite a powerful legislative against them, and quite a few of them are willing to make their chances with a party that has always been safe as near as possible with every one regardless of their occupation. Also there are other reasons.

Nearly all the teachers are in Hammond today attending the teachers' association being held there for two days.

Coroner Shanklin of Hammond was in town yesterday on political business. The doctor says that things are looking bright for republican success at the polls next Tuesday.

One Crown Point republican has the Chicago Journal to his democratic friends to make republicans out of them. The sheet is so rank that even they cannot stand for it.

The football game between Hammond high and Crown Point high school teams at the old fair grounds on Saturday afternoon promises to be exciting, as each team is determined to win. Afterward and let your support to the home team in this game. This Times' championship cup is at stake and the locals will try to capture it if possible.

### High School Notes.

The sophomores held a meeting Wednesday and decided to give half of the proceeds from the box social to the football boys instead of to the athletic association as before announced.

The five grades in physics test were: Eva, Burge 109, Raymond Zellers 100, Charles Ross 98, Frank McWayne 98, William Glover 95.

Report cards, Monday. Then we will see both the happy and the "opposite" faces. We rather think that the reports from the Latin II class that there will be a good many "opposite."

It seems that the boys are more interested in the coming box social than the girls are.

The freshmen had to postpone their

### A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so he has published, broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed all doubts from among secret nostrils of doubtful merits, and made them remedies of known composition.

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the closest scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it, in plain English, a full and complete list of the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicine. One of these little books will be mailed free to any one sending address on postal card or by letter to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from the medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription are weak, nervous, over-worked, "run-down" nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "squaw-weed." Our knowledge of the uses of not a few of our most valuable native medicinal plants was gained from the Indians.

As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting all disorders, prostrations, antenatal and postnatal, overcoming painful periods, toning up the system and bringing about a perfect state of health. Sold by all dealers in medicines.

meeting again as the teachers had to make out the report cards and wished to have the rooms quiet.

The "yellers" for Saturday had to postpone their meeting, too.

### EXCESSIVE DRINKING

Orrine Destroys the Craving For Drink Cure Effected or Money Refunded.

Excessive or continued use of alcoholic beverages always results in a diseased condition of the nervous system.

The drinking man is often heard to say, "I can stop of my own free will when I wish," but the poor fellow is now devoid of the power to act at the proper time and in the right way—it's too late, the craving has secured a firm hold and because of the diseased nervous system he has not the ability for sustained effort. The result we all know.

Drunkness is no longer considered a crime, eminent scientists and physicians have agreed that it is a disease and must be treated as such.

The home treatment that has been used for a number of years, and is highly successful, is Orrine. It is sold under a positive guarantee that if it does not effect a cure your money will be refunded.

Orrine is in two forms. When desiring to give secretly purchase Orrine No. 1, and if the patient will voluntarily take the treatment, Orrine No. 2 should be given. The guarantee is the same in either case. Orrine costs but \$1 per box. Mail in plain sealed wrapper on receipt of price. Write for free booklet on "Drunkness," mailed in sealed envelope by The Orrine Company, Washington, D. C. Sold in this city by the Lion Store Pharmacy.

### Overfatness Condemned

Fat, or even fattish, women readers who want to be in the mode this year must understand that the demand is for lines, not curves, and govern themselves accordingly.

That means OFF with the fat. It has become a duty. Many are trying exercise or dieting; but it is certain they will find these methods too slow and unreliable. The cheapest and safest way to get in form for the Directorate mode is by means of Marmola Prescription Tablets. Any druggist (or the Marmola company, Detroit, Mich.) will give you a large-sized case of these elegant little fat reducers, containing a good, generous supply, for seventy cents, and even this quantity should be enough to make a decided impression on your excess fat. Many have lost as much as a pound a day.

These Marmola Prescription Tablets may be used with impunity and with perfect confidence, for being made strictly in accordance with the famous Marmola Prescription, they are, of course, quite harmless. They are rather beneficial than otherwise, in fact, never disturbing the stomach or causing a wrinkling of the flesh.
