

## E. D. CRUMPACKER SPEAKS AT HUB

Republican Congressman Is Greeted By Fine Crowd There.

### EXPLAINS REPUBLICAN ISSUES

Says That Early Tariff Revision Will Be Given When Congress Meets.

(Special to THE TIMES.)  
Crown Point, Ind., Oct. 30. — Central Music was packed to the guards last evening, a typical Crumpacker crowd by the way, to hear Hon. Edgar Crumpacker voice his sentiments on the leading political questions of this campaign. Well did Mr. Crumpacker handle the forenoon questions, explaining the intricacies of some of the present issues that are somewhat—what have to the average mind.

Mr. Crumpacker dwelt on the necessity of continuing the present policies of Roosevelt if any material good was to come to the country. He dwelt at length on the tariff, trust and bank currency issues, and showed plainly that the republican party has been in the past, the only party to successfully handle the affairs of the country when it came to deciding any of these momentous questions.

He showed as no other speaker in Crown Point has done, the fallacy and utter impracticability of Bryan's tariff issue, the bank currency proposition, and although it sounded well to the ordinary layman, he said it was just as practicable and just, for a lot of good, sober, men to be compelled to pay the fine of some drunkard as it was for a square, honest, bank to have to pay a dividend on the rascality of hundreds of banks that would spring into existence, simply for the purpose of bleeding the people, only to have the afterward people be remunerated by taxes on honest institutions that were in no way to blame. He showed the utter lack of moral sense there was in the proposition, and said that any responsible and honest bank stood ready today to guarantee their deposits in the only way that was fair to themselves and the people. Dwelling on the tariff, Mr. Crumpacker said that an early revision was promised as soon as could possibly be done. He showed the disaster that would result from the carrying out of Bryan's theories on the tariff question should he be elected, and that the only way to establish confidence among the business men in the country, so that the laboring man could get his equal share of the profits, is for the two to work hand-in-hand, and the best way to restore things to their normal condition is to put a man in for president that the people had confidence in and not one that has in the past promulgated theories and doctrines that have found to be all wrong.

Crumpacker probably did not win any democratic votes at this late day, but he certainly put arguments that it was impossible to get around. He declared himself a friend of Jim Watson and earnestly advocated his election, saying that everyone, high or low, rich or poor, could expect a square deal from Indiana's next governor. Crumpacker concluded his remarks asking the voter to vote for the best interests of himself and the country by casting his ballot for William H. Taft on next Tuesday.

The Hammond male quartette pleased the audience with two selections which were roundly applauded. The speech last night will practically conclude the republican efforts in that line in this campaign. Now it's up to them to get out the voter and their success is assured.

## ONE MILLION DOLLARS FOR A GOOD STOMACH

This Offer Should Be a Warning to Every Man and Woman.

The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach. This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed dyspepsia to run from bad to worse until in the end it became incurable.

His misfortune serves as a warning to others.

Everyone who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is caused by an abnormal state of the gastric juices. There is one element missing. The absence of this destroys the function of the gastric fluids. They lose their power to digest food.

We are now able to supply the missing element—to restore the gastric juices their digestive power, and to make the stomach strong and well.

We know that Rexall Dyspepsia Tablets will positively and permanently cure disordered stomachs, indigestion and dyspepsia.

We want you to try them and will return your money if you are not more than satisfied with the result.

M. H. Stanton, the democratic candidate for joint representative, has also been in Newton county, and he too takes a rosy view of the situation. Mr. Stanton got back yesterday, and says that it is a peculiar fact that for some reason or another he and the republican candidate kept bumping into each other in almost every place they spoke.

They frequently rode on the same train together, they even ate at the same table in the hotels and for some reason or another they could not avoid each other.

Mr. Stanton says that both he and Mr. Kliver have held rousing meetings.

### LOOK FOR A BIG MAJORITY IN NEWTON CO.

Lipinski of Hammond was the principal speaker, addressing the voters in their native language. Mr. Lipinski showed to his countrymen the advisability of voting for Taft and Watson, and denounced any proposition considering the elimination of a vote for Jim Watson from their ballot.

Judge V. S. Reiter, Charles Greenwald and Judge T. C. Hemmoff of Indiana Harbor followed Mr. Lipinski with brief addresses in the English language, holding the attention of their audience for at least an hour. ## REMODEL THE GARY THEATRE

Present Playhouse Will Practically Be Reconstructed to Accommodate the Big Companies—Work Begins Next Monday.

### Work Begins Monday

Gary is to have practically a new theater. E. H. Norris, owner of the Gary theater, decided today, that owing to the present cramped condition of the stage of the playhouse to remodel the theater in general.

Since the opening of the Gary theater, several weeks ago, the management has tried only to secure the best attractions for the theater-goers of Gary. This he found was impossible to do on account of the small stage of the theater. It was only yesterday that he had to cancel the engagement with the "Devil" company, which was billed to appear on next Sunday night, on account of the company not being able to use its special scenery and stage settings. Other star attractions that he had booked for future engagements likewise canceled their dates when they found the conditions of the stage were entirely inadequate.

Work Begins Monday.  
On next Monday the work will be commenced in remodeling the theater. The stage, which now is 30 feet deep, 30 feet long and 10 feet high, will be enlarged ten feet each way and a top will be erected on the stage which will be forty feet in height and will enable all the big scenes to be raised into the tower whenever they are to be changed for any special scenery to be utilized on the stage, and big companies will have no trouble in staging their productions. The stage will also be lowered and an orchestra pit will be constructed so as to give the entire audience full command of the stage.

Besides the rearranging of the stage the entire front part of the theater will be changed. What was once the Gary buffet will be converted into ladies' waiting rooms and a smoking room for the men patrons of the theater. The manager will also put in a confectionery and cigar store and soda fountain and will do all in his power to make the theater as attractive as possible to the theater-goers.

Was Intended As Vaudeville House.  
It was the intention when the Gary theater was erected to use the place for vaudeville purposes alone. Since that time many of the saloons have come out of business and the district was thought advisable to change the program and run regular plays.

Of course it is known that the theater is situated out of the business district and was for a time in an objectionable locality. Since that time many of the saloons are now closed and others will be out of business in a short time.

Jefferson street will soon be lighted from one end to the other and the patrons of the theater can attend the shows with as much safety as in any other part of Gary. A big electric flasher will be placed on the roof of the theater when the alterations are completed.

It is thought that the work will be completed in about two weeks and the management has planned a special attraction for the opening night. There will be only three shows a week, Wednesdays, Saturdays and Sundays. The alterations will cost over \$1,000.

USE DILATORY METHODS  
Case of K. Benjamin Kline Has Been Postponed Eight Times.

The case of K. Benjamin Kline, the proprietor of "Little Hungary," and one of the worst resorts on the south side, has been continued again.

A case is now pending at Indiana Harbor against Kline, but yesterday proceedings were brought against Kline at Miller on a similar charge. This will be the eighth time the case has been continued.

Officer Gus Newman says he cares not how many times the case is continued as his expenses are being paid and he enjoys the frequent trips immensely.

WHY SO WEAK?  
Kidney Troubles May Be Sapping Your Life Away—Hammond People Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Hammond testimony to prove it.

Mrs. R. V. Porch, of 437 Sibley street, Hammond, Ind., says:

"My husband suffered for years from kidney trouble. He had frequently headaches, his back was weak and pained him continually. He had sharp, shooting twinges that centered in the small of his back and extended through his loins and even into his shoulders. His appetite became poor, his vitality was impaired, and his constitution gradually but surely weakened under the stress of the pain and agony he endured. Doan's Kidney Pills procured at Bicknell & Co's drug store, corrected all of these symptoms and restored him to good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

## BRENNAN HOTEL IS NEARING COMPLETION

Opening Day of Gary's Newest Hostelry Set for November 9.

### MANY ROOMS SPOKEN FOR

First Class Restaurant Will Be Added To Rooming House. Dining-room Eliminated.

The end of next week will see the completion of the new Brennan hotel and rooming house, on Sixth avenue and Washington street.

Mr. Brennan yesterday took a TIMES reporter through the new building, which is now receiving the finishing touches by the decorators.

There are thirty-six rooms in the upstairs part of the building, and each will be elegantly furnished. The rooms are light and airy and all are of a good size. A number of them are furnished with private bath rooms. Mr. Brennan will have no trouble in letting out the rooms, as the majority of them are already rented for a year's time. Each room is provided with steam heat, electric lights and hot and cold water.

Richly Furnished Office.  
The office of the hotel, which is on the northeast corner of the building, downstairs, will be elegantly furnished and will be up to date in every respect. Huge leather davenport and chairs will be provided for the comfort of the roomers.

Although there will be no dining room in the rooming house, there will be a first class restaurant run in connection with the place.

Mr. and Mrs. Casper, who have been in charge of the Delaware hotel, have been engaged by Mr. Brennan to take charge of the new hotel.

The date of the opening has been set for November 9.

### LAST EFFORT ON MONDAY

Foreign Nationalities to Have Taste of G. O. P. Generosity.

Monday night the leaders of the republican party are planning a great festivity in the Binzenhof hall, where all the foreign born of the city will participate. They will be entertained by speakers in their own language and also by music. It is expected that this will be the biggest meeting of foreigners ever held in the county. They expect to make their plans for voting next day and to get out the vote. All of them seem to be taking an active interest in the campaign.

Monday night the colored men of the city also have a meeting scheduled at the republican hall, in the south end. They are planning to have a number of colored speakers and a good time in general. It is said that with the exception of about ten followers of Dave Johnson all of the colored men of the city are republicans.

With the way in which the foreigners are lining up for the republicans, things are looking exceptionally bright in the steel city. The party leaders are looking for a majority which will run close to 600, while some are estimating a majority of 750.
