HANS WAGNER HAS STRUCK OIL
Pirate Star Puts in Some Money in Drilling and Makes a Strike.

Pittsburg, Nov. 1.—Hans Wagner, the "Flying Dutchman," champion batsman in baseball, has had another streak of "Dutch luck," as he terms it. He has struck oil. Hans, the pirate star, went hunting rabbits the other day and captured an oil well. Late last night he received a telegram from friends at Wellsville, W. Va., that a well for which he had helped pay the drilling cost had entered the pay streak and was spouting oil at the rate which will make the big fellow more wealthy than he ever dreamed of being.

TEST BOUTS AFTER ELECTION
Milwaukee Promoters Intend to Attempt Revival of Boxing Game.

Milwaukee, Nov. 1.—Boxing will be attempted in this city again after election. This was made certain by the attitude of the promoters, who dispute the right of the governor to stop them and who say that they will take the matter to the courts. They claim that boxing contests do not violate the state law, which only provides penalties for fights.

No attempt was made to stop the amateur bouts at the Milwaukee A. C. last night, seven bouts, one of which ended in a knockout, were pulled off. Ralph Nelson, the former 105-pound champion, was put away by Bob Welsh in the second round.

BELMONT NOT TO DROP RACING
Says Shipment of Horses Does Not Mean Withdrawal From Turf.

Lexington, Ky., Nov. 1.—August Belmont declares that he will continue to race his horses in this country, in a letter to Joust Shouse, editor of the Farmer and Breeder here. This puts at rest all reports that he will withdraw from the turf in America and hereafter race only in England and France. The letter says:

"I have not the slightest idea of giving up racing, but it is much better for the large stables to keep their hand in and race abroad than to be selling out and abandoning their stables and breeding establishments altogether, as some of our racing men and breeders are apparently beginning to do."

Belmont has forty yearlings at his nursery and stud here.

The much talked of gridiron battle between Hammond and Crown Point is over and has passed into history. The trophy cup offered by THE LAKE COUNTY TIMES is now owned by the Hammond high school. The purple and white again predominated over the crimson. The game started with Hammond kicking off to Crown Point. The latter advanced the ball and gained their yards. Finally Hammond got the ball and advanced it, but the ball again went over. It then zig-zagged from one side to the other and finally Hammond braced and worked the pig-skin down the field for a touchdown. Murray going across the line with the ball. Hunter punted out and then kicked goal making the score Hammond, 6; Crown Point, 0. On the kick off after getting the ball Crown Point was determined to score and worked the ball down the field by trick plays. After getting the oval within ten yards of the goal they worked the ball across the line by a clever quarter back run by Rockwell. Crown Point failed to kick goal. Score, Hammond, 6; Crown Point, 5. For the rest of the half the ball passed from one side to the other, each trying hard to score but in vain.

The second half found the teams more determined than ever to score. Both teams worked it near the goal but lost the ball. Trick plays were used to net gains but the pig-skin zig-zagged from one end of the field to the other, first in Crown Point's possession then Hammond's. Near the close of the half Crown Point tried to make a drop kick but failed. The half ended with the score Hammond, 6; Crown Point, 5.

Everybody played a creditable game. The way Murray ripped their line and blocked their plays was really worth seeing. Hunter, Kennedy and Graves in the back field played a fine game and always advanced the ball when called on. Atwood and Meyn, the star ends, were right there on each play. Coach Allee and Captain Ebert both said that they were satisfied with the manner in which the team played and that Hammond should again be victorious on Nov. 14. Crown Point again being the opponents.

HAMMOND TEAM WINS
Michigan City Foes Vanquished By Locals In Gruelling Contest.

The Hammond Ironquils football team defeated the West End Athletic club of Michigan City yesterday by the score of 5 to 0. The Hammond boys returned to this city after the game somewhat bruised and sore as a result of the gruelling contest but they were the victors in a hotly contested game and are now ready to take on Gary or any other team in northern Indiana.

The first half of the game was played without either side being able to score. Early in the second half, however, the Hammond boys succeeded in making a touchdown when Beacon formed a perfect interference and Daugherty, Hammond's right tackle, went over the line.

The game was played at the City Hall park in Michigan City and was witnessed by from 700 to 1,000 rooters. The local team had the most rugged defense. Only three times was the Michigan City team able to make its gains, once on a forward pass, once on a quarter back run and once on an end run. The rest of the time the boys from the neighboring city found the Hammond defense a stone wall.

All Play Good Game.
The reason why the Hammond score was not larger was that Farmer Smith, the Hammond center, was unable to get into the game on account of his eye and it was necessary to put in Carl Wile, who had not had much practice as Smith and fumbled the ball.

All of the boys played a good game. There was little effort to make grand stand plays and it was the team work that counted. Heiser in his position at left end was especially efficient. Considering his weight he made some great gains and stuck to the game although he was laid out several times.

The Michigan City boys played a rough game but they treated the visitors from this city nicely and the Hammond players have no complaint to make of the treatment they received. Whitehead acted as referee and Frank Baker as timekeeper for the game.

MAROONS AFTER TITLE
Championship laurels of the West appear to be rushing towards Chicago. The maroons seem to have the inside track again, with Wisconsin looming up as the only probable contender. Minnesota Saturday effectively killed the gopher's ambitions. In fact, the erstwhile giants of the North were totally eclipsed for the first time in years.

Wisconsin's shallow victory over Marquette may be due to the policy of Coach Barry in concealing his plays. But at that it is hard to conceive that Wisconsin has a great team under the new style of play as wears the maroon of the midway. There is, of course, a chance for a triple tie, providing the gophers defeat Wisconsin and the badgers turn around and wallop Chicago. But this is scarcely looked for.

the open style of the game was an eye-opener Saturday and critics claim that Coach Stagg has brought it up to its highest point of perfection to date. The Indians alone have solved the problem to the same extent and they have not shown as much accuracy in solving the plays.

COFFROTH IS SEEKING PACKIE AND THOMPSON

San Francisco Promoter Willing to Sign the Men.

San Francisco, Nov. 1.—Packie McFarland and "Cyclone" Johnny Thompson are to be offered a bout at Jimmy Coffroth's Colma arena, and this probably will be the next big lightweight battle on the coast.

Thompson has announced that he will meet Packie over any number of rounds, and as messengers to Nelson have not brought forth any definite replies, it is proposed to have McFarland appear here some time in December if the Chicago boy will consent. The idea is to send the winner after Nelson some time next spring.

BRITT AND SUMMERS TO AMUSE LONDON TONIGHT

London, Nov. 1.—Jimmy Britt, the American lightweight, and Johnny Summers of England meet at Wonderland tonight in a ten-round bout at catch weights. The rounds will be of only two minutes' duration. The local sporting public is exhibiting a great deal of interest in the go and the house will surely be packed. Britt has been guaranteed \$2,500, with a percentage privilege. It is estimated that the receipts will total \$10,000. If Britt wins local promoters will probably send for some American fighter to meet him here.

BOXING GETS FINISHING PUNCH

New York, Nov. 1.—Directors of the National Athletic club have thrown up the sponge. They notified Jack O'Brien and Sam Langford today that they would have to call off the hounds between the men scheduled for next Friday and announced that the club would go out of business.

The reason given is recognition of the fact that Police Commissioner Bingham's order to stop the game here is final. This means boxing is over in New York.

When the order was first passed one or two of the clubs secured restraining orders and tried to hold bouts. But

after postponing the O'Brien-Langford bout for a week the National A. C. promoters saw that the case was hopeless and declared the affair off. The club will close its doors at once.

Langford and O'Brien may shift the contest to O'Brien's club at Philadelphia.

It is thought that the signal of defeat shown by the National A. C. will be followed by a general abandonment of the game here, even by those promoters who have talked most loudly about intending to take the case into the courts. Just as in the racing game, it is recognized that the Tammany element and its political "pulls" have killed a profitable sport.

AERONAUTIC SOCIETY FIELD DAY
New York, Nov. 2.—The plans of the Aeronautic society for a public demonstration at the grounds at the Morris Park race track tomorrow have been completed. Many of the leading aeronauts in the country have accepted the invitation to take part. The program as prepared by the society provides for a contest between flying machines and a wind-wagon contest, in addition to the main event, which will be a contest between dirigibles over a five-mile course.
